1240. Continuing Education [Requirements]

This Rule prescribes requirements regarding the continuing education of [specified] registered persons [subsequent to their initial registration with FINRA]. The requirements shall consist of a Regulatory Element and a Firm Element as set forth below. This Rule also sets forth continuing education programs through which specified persons may maintain their qualification in a representative or principal registration category following the termination of that registration category.

(a) Regulatory Element

(1) Requirements

All covered persons shall comply with the requirement to complete the Regulatory Element.

Each covered person registered with FINRA in a representative or principal registration category immediately preceding January 1, 2023 shall complete the Regulatory Element for the registration category annually by December 31 of 2023 [on the occurrence of their second registration anniversary date] and by December 31 of every [three] year[s] thereafter in which the person remains registered, or as otherwise prescribed by FINRA. Each covered person registering with FINRA in a representative or principal registration category for the first time on or after January 1, 2023 shall complete the Regulatory Element for the registration category annually by December 31 of the subsequent calendar year following the calendar year in which the person becomes

registered and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by FINRA. Nothing in this paragraph (a)(1) shall prohibit a member from requiring its covered persons to complete their Regulatory Element for their registration categories at any time during the calendar year. [On each occasion, the Regulatory Element must be completed within 120 days after the person's registration anniversary date. A person's initial registration date, also known as the "base date," shall establish the cycle of anniversary dates for purposes of this Rule.] The content of the Regulatory Element shall be appropriate to [either the registered] each representative or principal [status of persons subject to the Rule] registration category. A covered person shall complete Regulatory Element content for each registration category that he or she holds. The content of the Regulatory Element for a covered person designated as eligible for a waiver pursuant to Rule 1210.09 shall be determined based on the person's most recent registration(s) [status], and the Regulatory Element shall be completed based on the same annual cycle had the person remained registered.

(2) Failure to Complete

Unless otherwise determined by FINRA, as provided in this paragraph (a)(2), any covered person[s], other than a covered person designated as eligible for a waiver pursuant to Rule 1210.09, who [have] has not completed the Regulatory Element within the prescribed calendar year in which the Regulatory Element is due [time frames] will have [their] his or her registration(s) deemed inactive until such time as [the requirements of the program have been satisfied] he or she completes all required Regulatory Element, including any Regulatory Element that becomes due while his or her registration(s) is deemed inactive. Any covered person, other than a covered person designated as eligible for a

waiver pursuant to Rule 1210.09, whose registration(s) has been deemed inactive under this [Rule] paragraph (a)(2) shall cease all activities as a registered person and is prohibited from performing any duties and functioning in any capacity requiring registration. Further, such covered person may not accept or solicit business or receive any compensation for the purchase or sale of securities. However, such covered person may receive trail or residual commissions resulting from transactions completed before the inactive status, unless the member with which such covered person is associated has a policy prohibiting such trail or residual commissions. A registration that [is] remains inactive for a period of two consecutive years will be administratively terminated by FINRA. A person whose registration(s) is so terminated or who otherwise fails to complete required Regulatory Element for two consecutive years may reactivate the registration(s) only by reapplying for registration and meeting the qualification requirements of the applicable provisions of Rules 1210 and 1220. The two-year period under this paragraph (a)(2) is calculated from the date a person's registration(s) is deemed inactive. [FINRA may, upon application and a showing of good cause, allow for additional time for a covered person to satisfy the program requirements.] If a covered person designated as eligible for a waiver pursuant to Rule 1210.09 fails to complete the Regulatory Element within the prescribed time frames, the person shall no longer be eligible for such a waiver. FINRA may, upon written application, with supporting documentation, and a showing of good cause, allow for additional time for a covered person to satisfy the Regulatory Element requirements.

(3) Disciplinary Actions

[Unless otherwise determined] A covered person, other than a covered person designated as eligible for a waiver pursuant to Rule 1210.09, may be

(A) is subject to any statutory disqualification as defined in Section 3(a)(39) of the Exchange Act;

(B) is subject to suspension or to the imposition of a fine of \$5,000 or more for violation of any provision of any securities law or regulation, or any agreement with or rule or standard of conduct of any securities governmental agency, securities self-regulatory organization, or as imposed by any such regulatory or self-regulatory organization in connection with a disciplinary proceeding; or

[The retaking of the Regulatory Element shall commence with participation] Such covered person must complete any continuing education required under this paragraph (a)(3) within 120 days of the covered person becoming subject to the statutory disqualification, in the case of (A) above, or the disciplinary action becoming final, in the case of (B) and (C) above. [The date of the disciplinary action shall be treated as such person's new base date with FINRA.]

(4) Reregistration [association in a Registered Capacity]

Any covered person who reregisters [has terminated association] with FINRA in a representative or principal registration category [with a member and who has, within two years of the date of termination, become reassociated in a

registered capacity with a member] shall [participate in] complete the Regulatory Element content for the registration category [at such intervals that may apply (second anniversary and every three years thereafter) based on the initial registration anniversary date rather than based on the date of reassociation in a registered capacity] annually by December 31 of the subsequent calendar year following the calendar year in which the person becomes reregistered and by December 31 of every year thereafter in which the person remains registered, or as otherwise prescribed by FINRA, provided that he or she has already completed Regulatory Element content for that registration category for the calendar year in which he or she is reregistering, he or she is reregistering by having passed an examination for that registration category or he or she is reregistering by having obtained an unconditional examination waiver for that registration category.

If a covered person has not completed any Regulatory Element content for a registration category in the calendar year(s) prior to reregistering, FINRA would not approve a registration request for that category until he or she completes that Regulatory Element content or he or she passes an examination

for that registration category or he or she obtains an unconditional examination waiver for that registration category, whichever is applicable.
