UNIFORM PRACTICE ADVISORY (UPC #29-19) 09/19/2019
European Metals Corporation (MNTCF)

On Thursday, September 19, 2019, the Financial Industry Regulatory Authority, Inc. (“FINRA”) temporarily halted trading in the securities of European Metals Corporation (OTC Symbol: MNTCF) pursuant to Rule 6440(a)(3). FINRA determined to impose a temporary halt because the CUSIP number (29880P108) trading in the U.S. for MNTCF had not been updated in a timely manner to reflect the 1-500 reverse-split effected on or about August 22, 2019. FINRA has announced the new, post-split CUSIP (29880P207) on the Daily List. In the view of FINRA, confusion regarding the CUSIP number may have the potential to cause significant uncertainty in the settlement and clearing process. The trading and quotation halt began Thursday, September 19, 2019, at 15:37:40 E.T. and will terminate the trading halt on Tuesday, September 24, 2019, at 9:30:00 E.T.
