## Opening Night-Reception at the International Spy Museum

Wednesday, May 15, 2019 | 7:30 p.m. – 9:30 p.m.

All conference attendees are invited to join us at the [International Spy Museum](#) for an exciting opening-night reception. Sleuth your way through floors of espionage-themed exhibits exploring authentic tradecraft, historical artifacts from real spy missions and first-person accounts from former intelligence officers.

Your mission, should you choose to accept it: Participate in several immersive experiences, network with peers in one of the reception areas and take in sweeping views of Washington DC. It will be an evening you do not want to miss.

### Attire

The dress code for the reception is business casual.

**Note:** You must wear your name tag to be admitted to the reception.

### Transportation

A shuttle service will be provided to and from the event, dropping off and picking up attendees as they wish to come and go. Staff will be in the hotel lobby to direct you to the shuttles. For those who want to experience DC, the museum is a 30-minute walk from the conference hotel.

### Want to Bring a Guest?

If you would like to bring a guest to the opening-night reception, you may do so for an additional charge of \$110. This expense covers entrance into the museum, hors d'oeuvres, desserts and drinks. Paid guests may also attend the reception on Thursday evening, May 16, at the conference hotel.
