Form Filing Functions

- **Creating a New U6 Filing**

Choose **Create New U6 Filing** from the Web CRD Site Map or from the Form Filing navigation panel to begin work on a new filing. Choosing **Create New U6 Filing** provides you with options for choosing the correct filing type: CRD Individual, Disclosure Only Individual, CRD or IARD Organization or Disclosure Only Organization.

- **Print Preview**

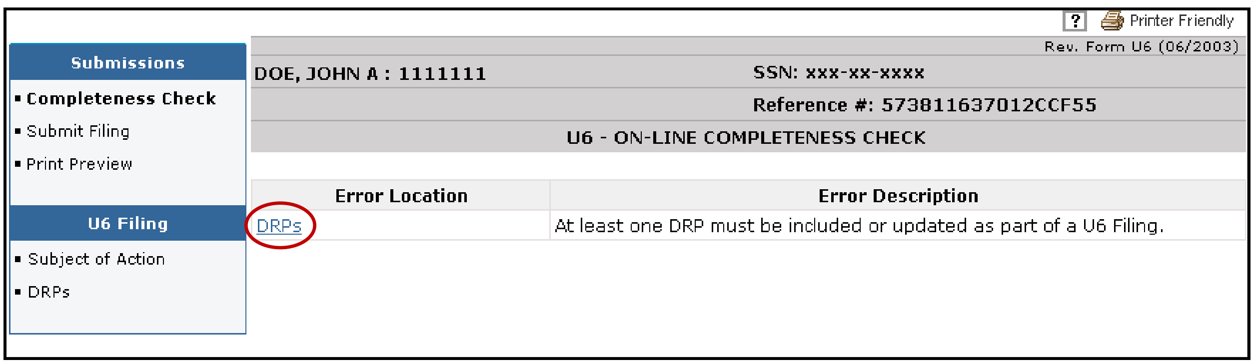
Select **Print Preview** to view a filing prior to printing. You can choose to view a specific section or the entire filing.

1. Select **Print Preview**.
2. Choose **All Sections** from the Navigation Bar.
3. Click the **Printer Friendly** icon located in the upper right corner of the screen.
4. Click the **Print** button.

NOTE: To continue with updates, click **Return To Data Entry**.

- **Submitting a Filing**

1. Select **Submit Filing** from the navigation panel**.** CRD will automatically perform a completeness check when **Submit Filing** is selected. If the filing does not pass the completeness check, the screen will display the error location and error description. Clicking the **Error Location**, will link you directly to the screen to correct the error. If the filing passes the completeness check, you can proceed in submitting the filing to CRD.



2. Click the **Submit Filing** button a second time, once the filing passes the completeness check. A screen displaying that the filing has been successfully submitted will appear.
3. Click **OK**.
