## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51216; File No. SR-NASD-2005-025]

### Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Revisions to the Series 4 Examination Program

February 16, 2005.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 31, 2005, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in items I, II and III below, which items have been prepared by NASD. NASD filed this proposal pursuant to section 19(b)(3)(A)(i)<sup>3</sup> of the Act and Rule 19b-4(f)(1) thereunder,<sup>4</sup> which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD is filing revisions to the study outline and selection specifications for the Limited Principle—Registered Options (Series 4) examination program.<sup>5</sup> The proposed revisions

update the material to reflect changes to the laws, rules, and regulations covered by the examination. NASD is not proposing any textual changes to the By-Laws, Schedules to the By-Laws, or Rules of NASD.

The revised study outline is available at NASD and at the Commission. However, NASD has omitted the Series 4 selection specifications from this filing and has submitted the specifications under separate cover to the Commission with a request for confidential treatment pursuant to Rule 24b-2 under the Act.<sup>6</sup>

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for its proposal and discussed any comments it received regarding the proposal. The text of these statements may be examined at the places specified in item IV below. NASD has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

Pursuant to section 15A(g)(3) of the Act,<sup>7</sup> which requires NASD to prescribe standards of training, experience, and competence for persons associated with NASD members, NASD has developed examinations, and administers examinations developed by other self-regulatory organizations ("SROs"), that are designed to establish that persons associated with NASD members have attained specified levels of competence and knowledge. NASD periodically reviews the content of the examinations to determine whether revisions are necessary or appropriate in view of changes pertaining to the subject matter covered by the examinations.

NASD Rule 1022(f) states that member firms engaged in, or intending to engage in, transactions in security futures or put or call options with the public must have at least one Registered Options and Security Futures Principal. In addition, every individual engaged in the management of the day-to-day options or security futures activities of a firm

must be registered as a Registered Options and Security Futures Principal. The Series 4 examination, an industry-wide examination, qualifies an individual to function as a Registered Options and Security Futures Principal, but only for purposes of supervising a member firm's options activities.<sup>8</sup> The Series 4 examination tests a candidate's knowledge of options trading generally, the NASD rules applicable to trading of option contracts, and the rules of registered clearing agencies for options. The Series 4 examination covers, among other things, equity options, foreign currency options, index options, and options on government and mortgage-backed securities.

The Series 4 examination program is shared by NASD and the following SROs: the American Stock Exchange LLC, the Chicago Board Options Exchange, Incorporated, the New York Stock Exchange, Inc., the Pacific Exchange, Inc., and the Philadelphia Stock Exchange, Inc. NASD understands that the other SROs also will file with the Commission similar revisions to the Series 4 examination program.

A committee of industry representatives, together with NASD staff, recently undertook a review of the Series 4 examination program. As a result of this review and as part of an ongoing effort to align the examination more closely to the supervisory duties of a Series 4 principal, NASD is proposing to modify the content of the examination to track the functional workflow of a Series 4 principal. More specifically, NASD is proposing to revise the main section headings and the number of questions on each section of the Series 4 study outline as follows: Options Investment Strategies, decreased from 35 to 34 questions; Supervision of Sales Activities and Trading Practices, increased from 71 to 75 questions; and Supervision of Employees, Business Conduct, and Recordkeeping and Reporting Requirements, decreased from 19 to 16 questions. NASD is further proposing revisions to the study outline to reflect the new SEC short sale requirements. The revised examination continues to cover the areas of knowledge required to supervise options activities.

NASD is proposing similar changes to the corresponding sections of the Series 4 selection specifications and question bank. The number of questions on the Series 4 examination will remain at 125,

<sup>8</sup> A Registered Options and Security Futures Principal also must complete a firm-element continuing education program that addresses security futures and a principal's responsibilities for security futures before such person can supervise security futures activities.

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A)(i).

<sup>4</sup> 17 CFR 240.19b-4(f)(1).

<sup>5</sup> NASD also is proposing corresponding revisions to the Series 4 question bank, but based upon instruction from the Commission staff, NASD is filing SR-NASD-2005-025 for immediate effectiveness, and is not filing the question bank for Commission review. See letter to Alden S. Adkins, Senior Vice President and General Counsel, NASD Regulation, from Belinda Blaine, Associate Director,

Division of Market Regulation, SEC, dated July 24, 2000. The question bank is available for Commission review.

and candidates will have three hours to complete the exam. Also, each question will continue to count one point, and each candidate must correctly answer 70 percent of the questions to receive a passing grade.

## 2. Statutory Basis

NASD believes that the proposed revisions to the Series 4 examination program are consistent with the provisions of sections 15A(b)(6)<sup>9</sup> and 15A(g)(3) of the Act,<sup>10</sup> which authorize NASD to prescribe standards of training, experience, and competence for persons associated with NASD members.

### B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to section 19(b)(3)(A)(i) of the Act<sup>11</sup> and Rule 19b-4(f)(1) thereunder,<sup>12</sup> in that the proposed rule change constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule of the self-regulatory organization. NASD proposes to implement the Series 4 examination program no later than April 29, 2005. NASD will announce the implementation date in a *Notice to Members* to be published no later than 60 days after SEC Notice of this filing.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
