2. Procedures of the Self-Regulatory Organization

At its meeting on December 3, 2007, the FINRA Board of Governors authorized the filing of the proposed rule change with the SEC. No other action by FINRA is necessary for the filing of the proposed rule change.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that the pilot can continue to operate without interruption for the benefit of the marketplace and the investing public.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

FINRA proposes to amend FINRA Rule 6121.01 to extend the effective date of the pilot by which such rule operates, which is currently scheduled to expire on April 11, 2011, until the earlier of August 11, 2011 or the date on which a limit up / down

mechanism to address extraordinary market volatility, if adopted, applies to the pilot securities.

FINRA Rule 6121.01 provides that if a primary listing market has issued an individual stock trading pause under its rules, FINRA will halt trading otherwise than on an exchange in that security until trading has resumed on the primary listing market. The pilot was developed and implemented as a market-wide initiative by FINRA and other self-regulatory organizations (“SROs”) in consultation with Commission staff, and is currently applicable to the S&P 500[®] Index,² the Russell 1000[®] Index and a pilot list of Exchange Traded Products,³ together, the “pilot securities.”

The extension proposed herein would allow the pilot to continue to operate without interruption while FINRA and the other SROs further assess the effect of the pilot on the marketplace and whether other initiatives should be adopted in lieu of the current pilot.

As noted in Item 2 of this filing, FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that the pilot can continue to operate without interruption for the benefit of the marketplace and the investing public.

² See Securities Exchange Act Release No. 62251 (June 10, 2010), 75 FR 34183 (June 16, 2010) (Order Approving File No. SR-FINRA-2010-025).

³ See Securities Exchange Act Release No. 62883 (September 10, 2010), 75 FR 56608 (September 16, 2010) (Order Approving File No. SR-FINRA-2010-033).

(b) Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁴ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change meets these requirements in that it promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements.

Additionally, extension of the pilot until the earlier of August 11, 2011 or the date on which a limit up / down mechanism to address extraordinary market volatility, if adopted, applies to the pilot securities, would allow the pilot to continue to operate without interruption while FINRA and the other SROs further assess the effect of the pilot on the marketplace and whether other initiatives should be adopted in lieu of the current pilot.

4. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

Not applicable.

⁴ 15 U.S.C. 78q-3(b)(6).

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Act⁵ and paragraph (f)(6) of Rule 19b-4 thereunder,⁶ in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing or such shorter time as the Commission may designate. In addition, FINRA provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate, as specified in rule 19b-4(f)(6)(iii) under the Act.⁷

FINRA believes that this proposal is non-controversial and eligible to become effective immediately because it extends the operation of a pilot that promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements. Additionally, extension of the pilot until the earlier of August 11, 2011 or the date on which a limit up / down mechanism to address extraordinary market volatility, if adopted, applies to the pilot securities, would enable FINRA and the other SROs to further assess the effect of the pilot on the marketplace and whether other initiatives should be adopted in lieu of the current pilot.

FINRA requests that the Commission waive the requirement that the rule change, by its terms, not become operative for 30 days after the date of the filing as set forth in

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

FINRA proposes to amend FINRA Rule 6121.01 to extend the effective date of the pilot by which such rule operates, which is currently scheduled to expire on April 11, 2011, until the earlier of August 11, 2011 or the date on which a limit up / down mechanism to address extraordinary market volatility, if adopted, applies to the pilot securities.

FINRA Rule 6121.01 provides that if a primary listing market has issued an individual stock trading pause under its rules, FINRA will halt trading otherwise than on an exchange in that security until trading has resumed on the primary listing market. The pilot was developed and implemented as a market-wide initiative by FINRA and other self-regulatory organizations ("SROs") in consultation with Commission staff, and is

currently applicable to the S&P 500[®] Index,⁴ the Russell 1000[®] Index and a pilot list of Exchange Traded Products,⁵ together, the “pilot securities.”

The extension proposed herein would allow the pilot to continue to operate without interruption while FINRA and the other SROs further assess the effect of the pilot on the marketplace and whether other initiatives should be adopted in lieu of the current pilot.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that the pilot can continue to operate without interruption for the benefit of the marketplace and the investing public.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change meets these requirements in that it promotes uniformity across markets concerning decisions to pause trading in a security when there are significant price movements.

⁴ See Securities Exchange Act Release No. 62251 (June 10, 2010), 75 FR 34183 (June 16, 2010) (Order Approving File No. SR-FINRA-2010-025).

⁵ See Securities Exchange Act Release No. 62883 (September 10, 2010), 75 FR 56608 (September 16, 2010) (Order Approving File No. SR-FINRA-2010-033).

⁶ 15 U.S.C. 78o-3(b)(6).

Additionally, extension of the pilot until the earlier of August 11, 2011 or the date on which a limit up / down mechanism to address extraordinary market volatility, if adopted, applies to the pilot securities, would allow the pilot to continue to operate without interruption while FINRA and the other SROs further assess the effect of the pilot on the marketplace and whether other initiatives should be adopted in lieu of the current pilot.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the

⁸ 17 CFR 240.19b-4(f)(6).

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
