TO: Department of Enforcement

Financial Industry Regulatory Authority ("FINRA")

RE: Raymond James & Associates, Inc., Respondent

Member Firm CRD No. 705

Raymond James Financial Services, Inc., Respondent Member Firm CRD No. 6694

Pursuant to FINRA Rule 9216 of FINRA's Code of Procedure, Respondents Raymond James & Associates, Inc. ("RJA") and Raymond James Financial Services, Inc. ("RJFS") submit this Letter of Acceptance, Waiver and Consent ("AWC") for the purpose of proposing a settlement of the alleged rule violations described below. This AWC is submitted on the condition that, if accepted, FINRA will not bring any future actions against Respondents alleging violations based on the same factual findings described herein.

I.

ACCEPTANCE AND CONSENT

A. RJA and RJFS hereby accept and consent, without admitting or denying the findings, and solely for the purposes of this proceeding and any other proceeding brought by or on behalf of FINRA, or to which FINRA is a party, prior to a hearing and without an adjudication of any issue of law or fact, to the entry of the following findings by FINRA:

BACKGROUND

RJA has been a FINRA member since 1964 and is headquartered in St. Petersburg, Florida. RJA provides execution, clearance and custodial services to both retail and institutional customers. RJA has approximately 7,200 registered persons.

RJFS has been a FINRA member since 1974 and is headquartered in St. Petersburg, Florida. It is an introducing retail brokerage firm with approximately 6,600 registered persons.

RJA and RJFS are wholly-owned subsidiaries of Raymond James Financial, Inc.

RELEVANT DISCIPLINARY HISTORY

RJA does not have any relevant disciplinary history with the Securities and Exchange Commission, any state securities regulators, FINRA, or any other self-regulatory organization.

On June 1, 2010, RJFS was censured and fined \$150,000 by FINRA for, among other things, failing to enforce written supervisory procedures with respect to representatives' sale of 529 savings plans. Specifically, the firm failed to enforce its procedures designed to ensure that representatives and customers were aware of the potential tax benefits of investing in 529 plans sponsored by the customers' home states, rather than out-of-state 529 plans, in violation of MSRB Rule G-27.

OVERVIEW

During the period January 1, 2008 through March 31, 2017 (the "Relevant Period"), RJA and RJFS each failed to establish and maintain a supervisory system, and failed to establish, maintain and enforce written supervisory procedures, reasonably designed to supervise representatives' share-class recommendations to customers of 529 savings plans, in violation of MSRB Rule G-27(a), (b), and (c).

FACTS AND VIOLATIVE CONDUCT

Background—529 Plans

529 plans² are tax-advantaged municipal securities that are designed to encourage saving for the future educational expenses of a designated beneficiary. 529 plans are sponsored by states, state agencies, or educational institutions. States offer 529 plans either directly, through designated broker-dealers, or both.

Shares of 529 plans are sold in different classes with different fee structures.³ Class A shares typically impose a front-end sales charge but charge lower annual fees compared to other classes.⁴ Class C shares typically impose no front-end sales charge but impose higher annual fees than Class A shares. Because of their higher annual fees, Class C shares may be more expensive over extended holding periods and, consequently, Class A shares are frequently a more suitable option for accounts with younger beneficiaries and longer investment horizons.⁵

¹ Raymond James Financial Services, Inc., AWC No. 2007010730701 (June 1, 2010).

² 529 plans are named after Section 529 of the Internal Revenue Code (26 U.S.C. § 529), which grants tax-exempt status to qualified tuition programs.

³ A 529 plan is structured as a trust. A customer purchases "units" in the trust. For purposes of this AWC, the terms "unit class" and "share class" are used interchangeably.

⁴ Additionally, some 529 plans reduce front-end sales charges if the aggregate amount invested meets certain thresholds—known as breakpoint discounts.

⁵ Class C shares may be suitable for accounts with younger beneficiaries based on the customers' particular facts and circumstances. Additionally, as of January 1, 2018, amendments to the United States tax code permit 529 plan

The cost impact of a Class A share versus a Class C share can be meaningful for a retail investor. For example, applying the fee structure of one 529 plan commonly sold by RJA and RJFS during the Relevant Period, a customer who initially invested \$10,000 in Class C shares and held those shares for eighteen years would pay approximately \$1,300 more in fees and expenses than if the customer had invested the same amount in Class A shares. Moreover, the total value of the customer's 529 plan account for this period would be worth approximately \$1,500 less than an account that instead was invested in Class A shares.

RJA's and RJFS's 529 Plan Business

During the Relevant Period, RJA and RJFS were designated broker-dealers for 40 state-sponsored 529 plans. On average during this period, approximately \$1.2 billion in RJA customer assets and \$1.8 billion in RJFS customer assets were held in 529 plan accounts.

RJA's and RJFS's Supervisory Systems and Procedures Regarding 529 Plans

MSRB Rule G-19 requires a broker, dealer or municipal securities dealer to have a reasonable basis to believe that a recommended transaction involving a municipal security is suitable for the customer, based on the information it obtained through reasonable diligence to ascertain the customer's investment profile. A customer's investment profile includes, among other factors, the customer's investment objectives. The MSRB has stated that information regarding the designated beneficiary should be treated as information relating to the customer's investment objectives for purposes of MSRB Rule G-19.⁷ Specifically, the MSRB has stated that information known about the designated beneficiary of a 529 plan generally would be relevant in weighing the investment objectives of the customer, including information regarding the age of the beneficiary and the number of years until the funds will be needed to pay qualified education expenses of the beneficiary.⁸

MSRB Rule G-27(a) requires each broker, dealer, and municipal securities dealer to supervise the conduct of its municipal securities activities to ensure compliance with MSRB rules and federal securities laws. MSRB Rule G-27(b) and (c) require each firm to establish and maintain a system, and to establish, maintain and enforce written supervisory procedures, to supervise its municipal securities activities in a manner that is reasonably designed to achieve compliance with the federal securities laws and MSRB rules.

customers to withdraw tax-free up to \$10,000 per beneficiary, per year, for tuition in connection with enrollment or attendance at a public, private, or religious elementary or secondary school. This AWC addresses misconduct prior to January 2018.

⁶ This example assumes a 5% annual rate of return for both Class A and Class C shares, no enrollment fees or annual maintenance fees and no share-class auto-conversion feature.

⁷ Interpretation on Customer Obligations Related to Marketing of 529 College Savings Plans (Aug. 7, 2006). ⁸ Id.

This matter involves RJA's and RJFS's respective failures to supervise its activities to achieve compliance with its suitability obligations in connection with its representatives' 529 plan share-class recommendations. Specifically, the firms' supervisory system and written supervisory procedures were not reasonably designed to achieve compliance with the firms' suitability obligations in that, during the Relevant Period:

- RJA's written procedures did not instruct supervisors to assess beneficiary age and the number of years until expected withdrawals when evaluating the suitability of 529 plan share-class recommendations. Further, RJA's procedures did not address the differences in 529 plan share classes. RJA amended its procedures to include an age-based review on October 2, 2017.
- Until 2016, RJA's and RJFS's training materials similarly did not provide any guidance to representatives regarding 529 plan share classes.
- Although RJA and RJFS maintained an automated surveillance system designed to generate exception reports to identify potentially unsuitable 529 plan share-class recommendations, neither firm had any system or procedures to test this system and the firms failed to detect a breakdown in the system. As a result, RJA failed to conduct a supervisory review of more than 1.2 million 529 plan purchases, and RJFS failed to conduct a supervisory review of approximately 1.6 million 529 plan purchases. In addition, even when the system generated reports as intended, RJA and RJFS did not consistently use the reports and took no action when a potentially unsuitable transaction was flagged.

By virtue of the foregoing, RJA and RJFS each violated MSRB Rule G-27(a), (b), and (c).

RJA and RJFS have agreed to pay restitution relating to the sale of Class C shares to certain 529 plan customers on the terms specified below. RJA has agreed to pay restitution in the estimated amount of \$3,828,304 and RJFS has agreed to pay restitution in the estimated amount of \$4,203,182, for an aggregate restitution payment of approximately \$8,031,486.

CREDIT FOR COOPERATION

In resolving this matter without a monetary fine, Enforcement recognizes RJA's and RJFS's extraordinary cooperation. The firms provided substantial assistance to FINRA in its investigation, including providing FINRA staff with detailed information about the challenges associated with collecting and assessing data concerning 529 plans. In addition, RJA and RJFS engaged an outside consulting firm to conduct a complex analysis to identify potentially disadvantaged

customers on an expedited basis. The firms then established a plan to provide broad remediation to customers harmed during the Relevant Period.⁹

- B. RJA and RJFS also consent to the imposition of the following sanctions:
- 1. A censure.
- 2. Restitution is ordered to be paid as follows:

a. RJA

Restitution is ordered to be paid to the customers listed on Attachment A hereto that incurred excess fees due to their investments in Class C shares in the estimated total amount of \$3,828,304, plus interest at the rate set forth in Section 6621(a)(2) of the Internal Revenue Code, 26 U.S.C. 6621(a)(2), from January 1 of the year during which each respective customer first incurred harm for the specific transaction due to the purchase of a Class C share until the date this AWC is accepted by the National Adjudicatory Council (NAC).

b. RJFS

Restitution is ordered to be paid to customers listed on Attachment B hereto that incurred excess fees due to their investments in Class C shares in the estimated total amount of \$4,203,182, plus interest at the rate set forth in Section 6621(a)(2) of the Internal Revenue Code, 26 U.S.C. 6621(a)(2), from January 1 of the year during which each respective customer first incurred harm for the specific transaction due to the purchase of a Class C share until the date this AWC is accepted by the NAC.

A registered principal on behalf of each Respondent firm shall submit a list of customers that received restitution, and provide: 1) the customer account number; 2) applicable 529 plan; 3) the amount of restitution paid to each customer; 4) the amount of interest paid to each customer; and, 5) date of each payment. Each Respondent firm shall also submit satisfactory proof of payment of restitution or of reasonable and documented efforts undertaken to effect restitution for each customer. Such proof shall be submitted to Suzanne H. Bertolett, FINRA – Department of Enforcement, 5200 Town Center Circle, Tower 1, Suite 200, Boca Raton, Florida 33486, either by letter that identifies Raymond James & Associates, Inc., and Raymond James Financial Services, Inc., Matter No. 2018058041101 or by e-mail from a work-related account of the registered principal of each

⁹ On January 28, 2019, FINRA issued Regulatory Notice 19-04 announcing its 529 Plan Share Class Initiative. The Initiative encouraged firms to self-report areas where their supervision of 529 plan share-class recommendations may not have been reasonable. RJA's and RJFS's supervisory violations were identified by FINRA during the course of routine cycle examinations that predated the Initiative.

Respondent firm to EnforcementNotice@FINRA.org. This proof shall be provided to the FINRA staff member listed above no later than 120 days after acceptance of the AWC. The Department of Enforcement may, upon a showing of good cause and at its sole discretion, extend the time for compliance with this provision.

If for any reason Respondents cannot locate any customer identified in Attachment A or B after reasonable and documented efforts within 120 days from the date the AWC is accepted, or such additional period agreed to by a FINRA staff member in writing, Respondents shall forward any undistributed restitution and interest to the appropriate escheat, unclaimed property or abandoned property fund for the state in which the customer is last known to have resided. Respondents shall provide satisfactory proof of such action to the FINRA staff member identified above and in the manner described above, within 14 days of forwarding the undistributed restitution and interest to the appropriate state authority.

Restitution payments to customers shall be preceded or accompanied by a letter, not unacceptable to FINRA staff, describing the reason for the payment and the fact that the payment is being made pursuant to a settlement with FINRA and as a term of this AWC.

Respondents will also provide to all customers who may, following acceptance of this AWC, incur excess fees due to recommended purchases of Class C shares during the Relevant Period ("eligible 529 plan account holders"): (i) adequate notice of fees associated with Class A shares and Class C shares and the potential to reduce future fees and expenses; and (ii) offers of conversion from Class C units to Class A shares, at no cost to the eligible account holders. Within 60 days of the acceptance of the AWC, a registered principal on behalf of each Respondent firm shall submit an explanation of how the firm will identify eligible 529 plan account holders under this section and the form of the notices and offers to be provided, all of which shall not be unacceptable to FINRA staff. Each Respondent firm shall also submit satisfactory proof of reasonable and documented efforts to provide the notices and offers to eligible 529 plan account holders under this section to the FINRA staff member listed above and in the manner described above no later than 60 days after receiving written notice that the foregoing items are not unacceptable to FINRA staff.10

Respondents have specifically and voluntarily waived any right to claim an inability to pay at any time hereafter the monetary sanctions imposed in this matter.

¹⁰ Prior to the entry of this AWC, both RJA and RJFS implemented enhanced supervisory procedures to address share class suitability with respect to 529 plans.

The imposition of a restitution order or any other monetary sanction herein, and the timing of such ordered payments, does not preclude customers from pursuing their own actions to obtain restitution or other remedies.

The sanctions imposed herein shall be effective on a date set by FINRA staff.

II.

WAIVER OF PROCEDURAL RIGHTS

Respondents specifically and voluntarily waive the following rights granted under FINRA's Code of Procedure:

- A. To have a Complaint issued specifying the allegations against Respondents;
- B. To be notified of the Complaint and have the opportunity to answer the allegations in writing;
- C. To defend against the allegations in a disciplinary hearing before a hearing panel, to have a written record of the hearing made, and to have a written decision issued; and
- D. To appeal any such decision to the National Adjudicatory Council (NAC) and then to the U.S. Securities and Exchange Commission and a U.S. Court of Appeals.

Further, Respondents specifically and voluntarily waive any right to claim bias or prejudgment of the Chief Legal Officer, the NAC, or any member of the NAC, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including acceptance or rejection of this AWC.

Respondents further specifically and voluntarily waive any right to claim that a person violated the ex parte prohibitions of FINRA Rule 9143 or the separation of functions prohibitions of FINRA Rule 9144, in connection with such person's or body's participation in discussions regarding the terms and conditions of this AWC, or other consideration of this AWC, including its acceptance or rejection.

III.

Nothing in this provision affects Respondents': (i) testimonial obligations; or (ii) right to take legal or factual positions in litigation or other legal proceedings in which FINRA is not a party.
- D. Respondents may attach a Corrective Action Statement to this AWC that is a statement of demonstrable corrective steps taken to prevent future misconduct. Respondents understand that they may not deny the charges or make any statement that is inconsistent with the AWC in this Statement. This Statement does not constitute factual or legal findings by FINRA, nor does it reflect the views of FINRA or its staff.
