Re: In the Matter of the Association of Scott H. Goldstein (CRD # 1630008) with Newbridge Securities Corporation (BD # 104065)

Dear Mr. Fields:

Effective January 30, 2015 and pursuant to the Securities Exchange Act of 1934 ("SEA" or "Exchange Act") Rule 19h-1(a)(3)(iv)(A)&(B) ("Rule 19h-1"), the Financial Industry Regulatory Authority ("FINRA") hereby gives notification to the United States Securities and Exchange Commission ("SEC" or "the Commission") of the continued association of Scott H. Goldstein ("Goldstein") with Newbridge Securities Corporation ("Newbridge," "NSC" or "the Firm") as a Limited Representative - Investment Banking (Series 79).

On December 11, 2014, the Firm requested to amend its Membership Continuance Application ("MC-400" or "Application"), filed with FINRA on December 23, 2013, in order to include Goldstein's association as a Limited Representative - Investment Banking.¹

Goldstein's Disqualifying Event

Goldstein is subject to a statutory disqualification as a result of an SEC Administrative Proceeding and Initial Decision ("ID"), *In the Matter of Newbridge Securities Corp., Guy S. Amico, Scott H. Goldstein, Eric M. Vallejo, and Daniel M. Kantrowitz*, dated June 9, 2009, which found that Goldstein, along with others, failed reasonably to supervise Daniel M.

¹ See email correspondence from Greg Deaver, of Blueprint Regulatory Consulting, to Lorraine Lee (dated December 11, 2014) and the MC-400 Application filed by the Firm on December 23, 2013 (both attached as Exhibit 1). Mr. Deaver is a consultant whose services were retained by Newbridge.

Kantrowitz, a former trader at Newbridge, within the meaning of Sections 15(b)(4)(E) and 15(b)(6) of the Exchange Act, with a view to detecting and preventing Kantrowitz' violations of the registration and antifraud provisions of the federal securities laws.² As a result of his misconduct, the SEC barred Goldstein from associating with any broker or dealer in a supervisory capacity, with the right to be reinstated after two years from the effective date of the supervisory bar. He was also ordered to pay a civil monetary penalty of \$79,000.³ The SEC's ID became final on July 23, 2010. Goldstein's bar became effective on July 23, 2010 and he entered into his reinstatement period on July 23, 2012.⁴

Background Information

Goldstein's Proposed Association & Responsibilities

Goldstein is seeking to continue his association with the Firm in the capacity of a Limited Representative - Investment Banking (Series 79). The Firm represents that Goldstein's "proposed investment banking activities will not involve the direct supervision or acting in a supervisory principal capacity. [His] overall investment banking activities are anticipated to be in the form of transaction origination, M&A advisory, structuring, as well as capital raising activities on behalf of Newbridge under the direct supervision of the Firm's Chief Executive Officer and Chief Compliance Officer."⁵ The Firm further asserts that Goldstein will not maintain any supervisory or principal authority to approve any investment banking transaction on behalf of the Firm. Such authority and approval capabilities will be maintained by the Firm's Investment Banking Committee ("IBC").⁶ Goldstein does not have the authority to make personnel decisions as it relates to the members of the IBC.⁷

The services that Goldstein provides to NFI include: broad –based financial reviews of NFI, including monitoring its capital position and needs; identifying and evaluating potential merger/acquisition candidates and suitors for NFI; and providing and reviewing due diligence information in connection with those efforts.”⁹ Goldstein also provides similar consulting services to NFI through his wholly owned S-Corporation, SCS Enterprises, Inc.¹⁰

Goldstein was first registered in the securities industry in February 1987 as a General Securities Representative (Series 7). He then qualified for the Uniform Securities Agent – State Law Exam (Series 63) in March 1987 and he later qualified as General Securities Principal (Series 24) in May 1991. Goldstein successfully opted in for the Limited Representative - Investment Banking (Series 79) registration on April 9, 2010.

With an ownership interest of 20.80% in the Firm's parent company, NFI, Goldstein is an indirect owner of Newbridge.¹⁴

Prior SEC Rule 19h-1 and 19d-1 Notices

Goldstein was previously approved, by notification pursuant to SEA Rule 19h-1(a)(3)(iv)(A)&(B), to associate with Newbridge as a General Securities Representative. The notification was submitted to the Commission by FINRA on September 9, 2013. The Commission acknowledged FINRA's notification on November 27, 2013.¹⁵

Goldstein's Regulatory History

In addition to the SEC's Order, Goldstein has also been subject to the following complaints and regulatory actions.

Customer Complaint

Goldstein has had one customer complaint filed against him. The complaint, filed in October 1995, when Goldstein was associated with Joseph Charles & Assoc., Inc., alleged unsuitable transactions and misrepresentation with losses of \$6,910.74 plus monetary claims for unrealized losses, commissions and margin interest in excess of \$10,000. The complaint was settled for \$14,000. Goldstein did not contribute to the settlement.¹⁶

FINRA Regulatory Actions

In October 2003, Goldstein entered into a letter of Acceptance, Waiver and Consent (“AWC”) filed by the National Association of Securities Dealers (“NASD”).¹⁷ The AWC found that Newbridge, acting through Goldstein, failed to supervise its registered representatives and failed to establish, maintain and enforce a reasonable written supervisory system with a view towards preventing high pressure sales tactics, unauthorized trading, misrepresentations or omissions and unwarranted price projections. Goldstein was fined \$10,000 and suspended for 30 days from association with any NASD member in any capacity. The suspension was in effect from December 17, 2003 to January 15, 2004.

In August 2010, Goldstein entered into another AWC filed by FINRA.¹⁸ The AWC found that as Newbridge’s Chief Executive Officer, Goldstein failed to adequately supervise the Firm’s chief compliance officers and anti-money laundering (“AML”) compliance officers and knew, or should have known of substantive violations of FINRA rules and the potential inadequacy of the Firm’s compliance personnel. Goldstein was fined \$100,000 and suspended from association with any FINRA member in any principal capacity for one year and required to complete eight hours of AML training. The suspension was in effect from September 20, 2010 through September 19, 2011. Goldstein has satisfied all of the sanctions which were levied in the AWC.¹⁹

Proposed Supervisors

Goldstein's Primary Supervisor – John McAuliffe (CRD # 726206)

Goldstein will continue to be employed at the Firm's home office located at 1451 Cypress Creek Road, Ft. Lauderdale, Florida 33309. John McAuliffe ("McAuliffe"), the Firm's Director of Investment Banking, will serve as Goldstein's primary supervisor for his investment banking activities.²¹ McAuliffe has been registered as a General Securities Principal since October 1986 and he attained his Series 79 license in May 2012. He also works from the Firm's home office located in Ft. Lauderdale, Florida.

McAuliffe was first registered in the securities industry in March 1981 as a General Securities Representative (Series 7) and he later qualified for the Uniform Securities Agent – State Law Exam (Series 63) in November 1984 and he requalified for that license in January 1998.²² He qualified as a Limited Representative - Investment Banking (Series 79) Representative in May 2012.²³

McAuliffe has been employed with Newbridge since May 2012. Since the start of his securities industry career, in March 1981, McAuliffe has worked for 16 broker dealers.²⁴

McAuliffe's Regulatory History

Customer Complaint

McAuliffe has been the subject of one customer complaint and three regulatory actions. In the customer complaint, filed in 1995, the claimant alleged unsuitability, churning, misrepresentation and failure to supervise by McAuliffe. The complaint resulted in arbitration and was settled for \$20,000, with McAuliffe paying the entire amount.²⁵

Regulatory Actions

In April 1991, the Florida Division of Securities and Investor Protection entered into a Stipulation and Consent order with McAuliffe in which he agreed to terminate his

registration and not apply for registration before December 1992.²⁶ The order arose from an administrative complaint issued against McAuliffe and others, while he was employed at Thomas James Associates, Inc. The complaint alleged a number of violations, including sales of unregistered securities, selling securities at a price not related to the market and charging excessive markups.

In July 1996, NASD and FINRA filed a complaint against McAuliffe and others alleging violations of NASD Rules 2110, 2440 and 3010 for charging retail customers unfair prices, which included excessive markups and gross commissions in connection with a sale of securities.²⁷ The matter resulted in a Decision and Order of Offer of Settlement, dated March 24, 1997, in which McAuliffe was censured, fined \$7,500²⁸ and suspended from association with any NASD member for five business days.

As a follow on action to NASD's 1997 Decision, in September 1997 McAuliffe entered into a Consent Order with the Illinois Securities Department.²⁹ As a result of the order, McAuliffe was censured and ordered to requalify for the Series 63. He requalified for the Series 63 on January 28, 1998.³⁰

McAuliffe has not been the subject of any additional informal or formal proceedings, criminal events or additional customer complaints.

Goldstein's Alternate Supervisor – Robert P. Spitler (CRD # 4050312)

In McAuliffe's absence, Goldstein will be supervised by Robert P. Spitler ("Spitler"), the Firm's President and Chief Financial Officer.³¹ Spitler has been employed with Newbridge since January 2004 and has not been the subject of any formal or informal disciplinary proceedings or customer complaints. He has been registered as a General Securities Principal since April 29, 2010. Spitler also works from the Firm's home office located in Ft. Lauderdale, Florida.

Basis for FINRA's Filing of the 19h-1 Notification

SEA Rule 19h-1(a)(3)(iv)(A)&(B) reads, in part:

A notice need not be filed with the Commission pursuant to this rule if. . .

iv. The disqualification previously

- A. was a basis for the institution of an administrative proceeding pursuant to a provision of the federal securities laws, and
- B. was considered by the Commission in determining a sanction against such person in the proceeding; and the Commission concluded in such proceeding that it would not restrict or limit the future securities activities of such person in the capacity now proposed or, if it imposed any such restrictions or limitations for a specified time period, such time period has elapsed[.]

It is appropriate for FINRA to file this notification pursuant to SEA Rule 19h-1(a)(3)(iv)(A)&(B); because this Application meets all applicable conditions of this rule. As previously discussed, Goldstein's disqualification was previously the basis for the institution of an administrative proceeding and this proceeding did not restrict or limit his future securities activities as a Limited Representative - Investment Banking (Series 79); rather it limited his ability to act in a supervisory capacity at any broker or dealer.³⁴

³²Id.

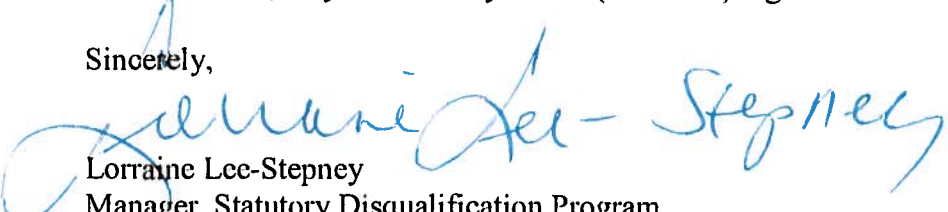

³³Spitler was associated with Joseph Charles & Assoc., Inc. in an unregistered capacity from June 1998 to January 2000.
