The self-regulatory organization must provide all required information, presented in a clear and comprehensive manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO] -xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3).

Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Proposed Rule Change**

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ Financial Industry Regulatory Authority, Inc. (“FINRA”) is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change to provide members with additional time to comply with the amendments adopted by SR-FINRA-2019-014 related to transactions in U.S. Treasury Securities executed to hedge certain primary market transactions.

   The proposed rule change would not make any change to the text of FINRA rules.

(b) Not applicable.

(c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

The FINRA Board of Governors authorized the filing of the proposed rule change with the SEC. No other action by FINRA is necessary for the filing of the proposed rule change.

   FINRA has filed the proposed rule change for immediate effectiveness. The new operative date of the amendments adopted by SR-FINRA-2019-014 will be August 3, 2020.

3. **Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

(a) Purpose

   On June 21, 2019, the SEC approved SR-FINRA-2019-014, which amended FINRA Rule 6730 (Transaction Reporting) to: (a) provide members until the close of

TRACE System Hours on the next business day (i.e., until 6:29:59 p.m. ET on T+1) to report transactions in U.S. Treasury Securities² executed to hedge a P1³ transaction, and (b) require members to append a new trade modifier when reporting TRACE transactions in U.S. Treasury Securities that are executed to hedge a P1 transaction.⁴ On September 19, 2019, FINRA published Regulatory Notice 19-30 announcing SEC approval of the proposed rule change and establishing an effective date of June 1, 2020.⁵

In light of significant impacts that the spread of coronavirus disease (COVID-19) may have on member firms, FINRA is extending the effective date of the amendments adopted by SR-FINRA-2019-014 related to U.S. Treasury Security hedge transactions to

² Rule 6710(p) defines a “U.S. Treasury Security” as “a security, other than a savings bond, issued by the U.S. Department of the Treasury to fund the operations of the federal government or to retire such outstanding securities.” The term “U.S. Treasury Security” also includes separate principal and interest components of a U.S. Treasury Security that has been separated pursuant to the Separate Trading of Registered Interest and Principal of Securities (“STRIPS”) program operated by the U.S. Department of Treasury.

³ “List or Fixed Offering Price Transactions” and “Takedown Transactions,” which are identified with the “P1” modifier, generally are primary market sale transactions on the first day of trading of a security: (i) by a sole underwriter, syndicate manager, syndicate member or selling group member at the published or stated list or fixed offering price (or, for Takedown Transactions, at a discount from the published or stated list or fixed offering price) or (ii) in the case of primary market sale transactions effected pursuant to Securities Act Rule 144A, by an initial purchaser, syndicate manager, syndicate member or selling group member at the published or stated fixed offering price (or, for Takedown Transactions, at a discount from the published or stated fixed offering price). See Rule 6710(q) and (r).

allow members additional time to prepare for implementation of the new requirements. FINRA believes that, given the need for members to reallocate resources in response to COVID-19, members would benefit from additional time to, among other things, implement and test technology changes, update policies and procedures, and perform staff training related to implementation of the U.S. Treasury Security hedge amendments. FINRA notes that the implementation delay will not impact transparency because transactions in U.S. Treasury Securities currently are not disseminated.

As noted in Item 2 of this filing, FINRA has filed the proposed rule change for immediate effectiveness. The new operative date of the amendments adopted by SR-FINRA-2019-014 will be August 3, 2020.

(b) Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest and Section 15A(b)(9) of the Act, which requires that FINRA rules not impose any burden on competition that is not necessary or appropriate.

FINRA believes that providing members with additional time to comply with the changes adopted by SR-FINRA-2019-014 will ease compliance burdens for members as they reallocate resources in response to COVID-19. FINRA notes that the

implementation delay will not impact transparency because transactions in U.S. Treasury Securities currently are not disseminated.

4. **Self-Regulatory Organization’s Statement on Burden on Competition**

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change would provide all affected members additional time to prepare for the implementation of the new U.S. Treasury Security hedging requirements, which should ease members’ implementation burdens given the need to reallocate resources in response to COVID-19.

5. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

Written comments were neither solicited nor received.

6. **Extension of Time Period for Commission Action**

Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)**

FINRA has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act\(^8\) and paragraph (f)(6) of Rule 19b-4 thereunder.\(^9\) FINRA asserts that the proposed rule change: (1) will not significantly affect the protection of investors or the public interest, (2) will not impose any significant burden on competition, and (3) and will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. In addition, FINRA provided the

Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as designated by the Commission.\textsuperscript{10}

FINRA believes that the proposed rule change will not significantly affect the protection of investors or the public interest because the proposed rule change will provide members with a reasonable additional period of time to comply with the amendments adopted by SR-FINRA-2019-014 related to transactions in U.S. Treasury Securities executed to hedge certain primary market transactions, which FINRA believes is appropriate in light of firms’ need to reallocate resources due to COVID-19. Accordingly, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act\textsuperscript{11} and paragraph (f)(6) of Rule 19b-4 thereunder.\textsuperscript{12}

At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to provide members with additional time to comply with the amendments adopted by SR-FINRA-2019-014 related to transactions in U.S. Treasury Securities executed to hedge certain primary market transactions.

The text of the proposed rule change is available on FINRA’s website at

http://www.finra.org, at the principal office of FINRA and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On June 21, 2019, the SEC approved SR-FINRA-2019-014, which amended FINRA Rule 6730 (Transaction Reporting) to: (a) provide members until the close of TRACE System Hours on the next business day (i.e., until 6:29:59 p.m. ET on T+1) to report transactions in U.S. Treasury Securities4 executed to hedge a P15 transaction, and

4 Rule 6710(p) defines a “U.S. Treasury Security” as “a security, other than a savings bond, issued by the U.S. Department of the Treasury to fund the operations of the federal government or to retire such outstanding securities.” The term “U.S. Treasury Security” also includes separate principal and interest components of a U.S. Treasury Security that has been separated pursuant to the Separate Trading of Registered Interest and Principal of Securities (“STRIPS”) program operated by the U.S. Department of Treasury.

5 “List or Fixed Offering Price Transactions” and “Takedown Transactions,” which are identified with the “P1” modifier, generally are primary market sale transactions on the first day of trading of a security: (i) by a sole underwriter, syndicate manager, syndicate member or selling group member at the published or stated list or fixed offering price (or, for Takedown Transactions, at a discount from the published or stated list or fixed offering price) or (ii) in the case of
(b) require members to append a new trade modifier when reporting TRACE transactions in U.S. Treasury Securities that are executed to hedge a P1 transaction. On September 19, 2019, FINRA published Regulatory Notice 19-30 announcing SEC approval of the proposed rule change and establishing an effective date of June 1, 2020.

In light of significant impacts that the spread of coronavirus disease (COVID-19) may have on member firms, FINRA is extending the effective date of the amendments adopted by SR-FINRA-2019-014 related to U.S. Treasury Security hedge transactions to allow members additional time to prepare for implementation of the new requirements. FINRA believes that, given the need for members to reallocate resources in response to COVID-19, members would benefit from additional time to, among other things, implement and test technology changes, update policies and procedures, and perform staff training related to implementation of the U.S. Treasury Security hedge amendments. FINRA notes that the implementation delay will not impact transparency because transactions in U.S. Treasury Securities currently are not disseminated.

FINRA has filed the proposed rule change for immediate effectiveness. The new operative date of the amendments adopted by SR-FINRA-2019-014 will be August 3, 2020.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest and Section 15A(b)(9) of the Act, which requires that FINRA rules not impose any burden on competition that is not necessary or appropriate.

FINRA believes that providing members with additional time to comply with the changes adopted by SR-FINRA-2019-014 will ease compliance burdens for members as they reallocate resources in response to COVID-19. FINRA notes that the implementation delay will not impact transparency because transactions in U.S. Treasury Securities currently are not disseminated.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change would provide all affected members additional time to prepare for the implementation of the new U.S. Treasury Security hedging requirements, which should ease members’ implementation burdens given the need to reallocate resources in response to COVID-19.

C. **Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

Written comments were neither solicited nor received.

III. **Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act\(^\text{10}\) and Rule 19b-4(f)(6) thereunder.\(^\text{11}\)

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
