The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO] -xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.
1. **Text of the Proposed Rule Change**

   (a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ Financial Industry Regulatory Authority, Inc. (“FINRA”) is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change to extend to September 1, 2021 the implementation of FINRA Rule 4240. FINRA Rule 4240 implements an interim pilot program with respect to margin requirements for certain transactions in credit default swaps that are security-based swaps.

   The text of the proposed rule change is attached as Exhibit 5.

   (b) Not applicable.

   (c) Not applicable.

2. **Procedures of the Self-Regulatory Organization**

   The FINRA Board of Governors authorized the filing of the proposed rule change with the SEC. No other action by FINRA is necessary for the filing of the proposed rule change.

   FINRA has filed the proposed rule change for immediate effectiveness. FINRA is proposing that the implementation date of the proposed rule change will be July 20, 2020.

3. **Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

   (a) Purpose

   On May 22, 2009, the Commission approved FINRA Rule 4240,² which

---

implements an interim pilot program (the “Interim Pilot Program”) with respect to margin requirements for certain transactions in credit default swaps (“CDS”). On May 21, 2019, FINRA filed a proposed rule change for immediate effectiveness extending the implementation of FINRA Rule 4240 to July 20, 2020.

As explained in the Approval Order, FINRA Rule 4240, coterminous with certain Commission actions, was intended to address concerns arising from systemic risk posed by CDS, including, among other things, risks to the financial system arising from the lack of a central clearing counterparty to clear and settle CDS. On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) was signed into law. Title VII of the Dodd-Frank Act established a comprehensive new regulatory framework for swaps and security-based swaps, including certain CDS. The

3 In March 2012, the SEC approved amendments to FINRA Rule 4240 that, among other things, limit at this time the rule’s application to credit default swaps that are security-based swaps. See Securities Exchange Act Release No. 66527 (March 7, 2012), 77 FR 14850 (March 13, 2012) (Order Approving File No. SR-FINRA-2012-015).

legislation was intended, among other things, to enhance the authority of regulators to
implement new rules designed to reduce risk, increase transparency, and promote market
integrity with respect to such products.

The Commission has finalized a majority of its rulemakings pursuant to Title VII
of the Dodd-Frank Act (the “Title VII rulemakings”). Further, the Commission has
specified an extended compliance period for these new rules and guidance so as to permit
sufficient time to prepare for and come into compliance with the new requirements. In

9 Except as otherwise specified by the Commission, the Commission has broadly
coordinated the compliance date for the Title VII rulemakings with the
compliance date for registration (the “Registration Compliance Date”), pursuant
tandem with the Commission’s action, FINRA extended, to September 1, 2021, the expiration date of FINRA Rule 0180 (Application of Rules to Security-Based Swaps).  

FINRA believes it is appropriate to extend the Interim Pilot Program for a limited period, to September 1, 2021, in light of the extended compliance period that the Commission has specified with respect to the Title VII rulemakings, and in alignment with the expiration date of FINRA Rule 0180. FINRA believes that extending the implementation of Rule 4240 will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission’s finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

As noted in Item 2 of this filing, FINRA has filed the proposed rule change for immediate effectiveness. FINRA is proposing that the implementation date of the proposed rule change will be July 20, 2020. The proposed rule change will expire on September 1, 2021.

(b) Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,\textsuperscript{11} which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change is consistent with the Act because extending the implementation of FINRA Rule 4240 will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission’s finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

4. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that extending the implementation of FINRA Rule 4240 for a limited period, to September 1, 2021, will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission’s finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

Not applicable.

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)**

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Act\(^\text{12}\) and paragraph (f)(6) of Rule 19b-4 thereunder,\(^\text{13}\) in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing or such shorter time as the Commission may designate.

In accordance with Rule 19b-4(f)(6),\(^\text{14}\) FINRA submitted written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate, as specified in Rule 19b-4(f)(6)(iii) under the Act.\(^\text{15}\)

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Extend the Implementation of FINRA Rule 4240 (Margin Requirements for Credit Default Swaps)

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on , Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to extend to September 1, 2021 the implementation of FINRA Rule 4240. FINRA Rule 4240 implements an interim pilot program with respect to margin requirements for certain transactions in credit default swaps that are security-based swaps.

The text of the proposed rule change is available on FINRA’s website at http://www.finra.org, at the principal office of FINRA and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On May 22, 2009, the Commission approved FINRA Rule 4240, which implements an interim pilot program (the “Interim Pilot Program”) with respect to margin requirements for certain transactions in credit default swaps (“CDS”). On May 21, 2019, FINRA filed a proposed rule change for immediate effectiveness extending the implementation of FINRA Rule 4240 to July 20, 2020.

---

5 In March 2012, the SEC approved amendments to FINRA Rule 4240 that, among other things, limit at this time the rule’s application to credit default swaps that are security-based swaps. See Securities Exchange Act Release No. 66527 (March 7, 2012), 77 FR 14850 (March 13, 2012) (Order Approving File No. SR-FINRA-2012-015).

As explained in the Approval Order, FINRA Rule 4240, coterminous with certain Commission actions, was intended to address concerns arising from systemic risk posed by CDS, including, among other things, risks to the financial system arising from the lack of a central clearing counterparty to clear and settle CDS.\(^7\) On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) was signed into law.\(^8\) Title VII of the Dodd-Frank Act established a comprehensive new regulatory framework for swaps and security-based swaps,\(^9\) including certain CDS. The legislation was intended, among other things, to enhance the authority of regulators to implement new rules designed to reduce risk, increase transparency, and promote market integrity with respect to such products.

The Commission has finalized a majority of its rulemakings pursuant to Title VII of the Dodd-Frank Act (the “Title VII rulemakings”).\(^10\) Further, the Commission has

\(^7\) See Approval Order, 74 FR at 25588-89.

specified an extended compliance period for these new rules and guidance so as to permit sufficient time to prepare for and come into compliance with the new requirements. In tandem with the Commission’s action, FINRA extended, to September 1, 2021, the expiration date of FINRA Rule 0180 (Application of Rules to Security-Based Swaps).

11 Except as otherwise specified by the Commission, the Commission has broadly coordinated the compliance date for the Title VII rulemakings with the compliance date for registration (the “Registration Compliance Date”), pursuant to the Registration Process Release, of security-based swap dealers and major security-based swap participants (together, referred to as “SBS Entities”). See Cross-Border Release, 85 FR at 6345 through 6346; see also Capital, Margin, and Segregation Release, 84 FR at 43954; Recordkeeping Release, 84 FR at 68600; and Risk Mitigation Release, 85 FR at 6381. For further information regarding the Registration Compliance Date, see Key Dates For Registration of Security-Based Swap Dealers and Major Security-Based Swap Participants, available on the SEC website at: <https://www.sec.gov/page/key-dates-registration-security-based-swap-dealers-and-major-security-based-swap-participants>.

FINRA believes it is appropriate to extend the Interim Pilot Program for a limited period, to September 1, 2021, in light of the extended compliance period that the Commission has specified with respect to the Title VII rulemakings, and in alignment with the expiration date of FINRA Rule 0180. FINRA believes that extending the implementation of Rule 4240 will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission’s finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

FINRA has filed the proposed rule change for immediate effectiveness. FINRA is proposing that the implementation date of the proposed rule change will be July 20, 2020. The proposed rule change will expire on September 1, 2021.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,\(^\text{13}\) which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change is consistent with the Act because extending the implementation of FINRA Rule 4240 will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission’s finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

\(^{13}\) 15 U.S.C. 78q-3(b)(6).
B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that extending the implementation of FINRA Rule 4240 for a limited period, to September 1, 2021, will permit FINRA additional time to consider any potential amendments to the Interim Pilot Program in light of the Commission’s finalized Title VII rulemakings, in particular the Capital, Margin, and Segregation Release, thereby helping to promote stability in the financial markets and regulatory certainty for members.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act14 and Rule 19b-4(f)(6) thereunder.15

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the

Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
