

component options and provide a clear alternate process to allow the Exchange to calculate a Closing VWAP.

In addition, the Exchange states it will monitor for any potential manipulation of the Volatility Index settlement value in the normal course of its surveillance and will monitor the integrity the Volatility Index by analyzing trades, quotations, and orders that affect any of the 300 calculated reference prices for any of the NDX option series used for the Closing VWAP for potential manipulation on the Exchange.³² Consistent with the original approval of the listing and trading of VOLQ options,³³ the Commission believes that the Exchange's surveillance of options on the Volatility Index and the component option series will allow it to adequately surveil for any potential manipulation in the trading of VOLQ and will help to ensure that the settlement value is not readily susceptible to manipulation.

Accordingly, the Commission finds that the proposed rule change is consistent with Section 6(b)(5) of the Act³⁴ and the rules and regulations thereunder applicable to a national securities exchange.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁵ that the proposed rule change (SR-Phlx-2021-56) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³⁶

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93630; File No. SR-FINRA-2021-028]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Extend the Implementation Date of Certain Amendments to FINRA Rule 4210 Approved Pursuant to SR-FINRA-2015-036

November 19, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 12, 2021, the Financial Industry Regulatory Authority, Inc. ("FINRA") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to extend, to April 26, 2022, the implementation date of the amendments to FINRA Rule 4210 (Margin Requirements) pursuant to SR-FINRA-2015-036, other than the amendments pursuant to SR-FINRA-2015-036 that were implemented on December 15, 2016. The proposed rule change would not make any changes to the text of FINRA rules.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any

comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On October 6, 2015, FINRA filed with the Commission proposed rule change SR-FINRA-2015-036, which proposed to amend FINRA Rule 4210 to establish margin requirements for (1) To Be Announced ("TBA") transactions, inclusive of adjustable rate mortgage ("ARM") transactions; (2) Specified Pool Transactions; and (3) transactions in Collateralized Mortgage Obligations ("CMOs"), issued in conformity with a program of an agency or Government-Sponsored Enterprise ("GSE"), with forward settlement dates, as defined more fully in the filing (collectively, "Covered Agency Transactions"). The Commission approved SR-FINRA-2015-036 on June 15, 2016 (the "Approval Date").⁴

Pursuant to Partial Amendment No. 3 to SR-FINRA-2015-036, FINRA announced in *Regulatory Notice* 16-31 that the rule change would become effective on December 15, 2017, 18 months from the Approval Date, except that the risk limit determination requirements as set forth in paragraphs (e)(2)(F), (e)(2)(G) and (e)(2)(H) of Rule 4210 and in new Supplementary Material .05, each as respectively amended or established by SR-FINRA-2015-036 (collectively, the "risk limit determination requirements"), would become effective on December 15, 2016, six months from the Approval Date.⁵

Industry participants sought clarification regarding the implementation of the requirements pursuant to SR-FINRA-2015-036. Industry participants also requested additional time to make system changes necessary to comply with the requirements, including time to test the system changes, and requested additional time to update or amend

margin agreements and related documentation. In response, FINRA made available a set of Frequently Asked Questions & Guidance⁶ and, pursuant to SR-FINRA-2017-029,⁷ extended the implementation date of the requirements of SR-FINRA-2015-036 to June 25, 2018, except for the risk limit determination requirements, which, as announced in *Regulatory Notice* 16-31, became effective on December 15, 2016.

Industry participants requested that FINRA reconsider the potential impact of certain requirements pursuant to SR-FINRA-2015-036 on smaller and mid-sized firms. Industry participants also requested that FINRA extend the implementation date pending such reconsideration to reduce potential uncertainty in the Covered Agency Transaction market. In response to these concerns, FINRA further extended the implementation date of the requirements of SR-FINRA-2015-036, other than the risk limit determination requirements, most recently to January 26, 2022 (the "January 26, 2022 implementation date").⁸ FINRA noted that, as FINRA stated in Partial Amendment No. 3 to SR-FINRA-2015-036, FINRA would monitor the impact of the requirements pursuant to that rulemaking and, if the requirements prove overly onerous or otherwise are shown to negatively impact the market, FINRA would consider revisiting such requirements as may be necessary to mitigate the rule's impact.⁹

Informed by extensive dialogue, both with industry participants and other regulators, including the staff of the SEC and the Federal Reserve System, FINRA has proposed amendments to the requirements of SR-FINRA-2015-036 (the "Proposed Amendments").¹⁰ This

rulemaking is ongoing. FINRA believes it is appropriate, in the interest of regulatory clarity, to adjust the implementation of the requirements pursuant to SR-FINRA-2015-036 so as to permit time for the Commission to take action on the Proposed Amendments.¹¹ As such, FINRA is proposing to extend the January 26, 2022 implementation date to April 26, 2022, which date FINRA may propose to further adjust as appropriate in a separate rule filing pending any Commission action on the Proposed Amendments. FINRA notes that the risk limit determination requirements pursuant to SR-FINRA-2015-036 became effective on December 15, 2016 and, as such, the implementation of such requirements is not affected by the proposed rule change.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing. The operative date will be the date of filing of the proposed rule change.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹² which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change will help to reduce potential uncertainty in the Covered Agency Transaction market because, pending any Commission action on the Proposed Amendments, the proposed rule change will permit adjustment and alignment, as appropriate, of the implementation of the requirements pursuant to SR-FINRA-2015-036 with the effective date of the Proposed Amendments. FINRA believes that this will thereby protect investors and the public interest by

helping to promote stability in the Covered Agency Transaction market.

B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that extending the January 26, 2022 implementation date to April 26, 2022, pending any Commission action on the Proposed Amendments, so as to permit adjustment and alignment of the implementation of the requirements pursuant to SR-FINRA-2015-036, as appropriate, with the effective date of the Proposed Amendments, will help to provide clarity to industry participants and to reduce any potential uncertainty in the Covered Agency Transaction market, thereby benefiting all parties.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹³ and Rule 19b-4(f)(6) thereunder.¹⁴

A proposed rule change filed under Rule 19b-4(f)(6)¹⁵ normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁶ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has requested that the Commission waive the 30-day operative delay so that the proposal may become operative upon filing. FINRA has stated that the purpose of the proposed rule

¹⁶ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. FINRA has satisfied this requirement.

change is to help to avoid unnecessary disruption in the Covered Agency Transaction market pending any Commission action on the amendments that FINRA has proposed to the Covered Agency Transaction margin requirements. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal to extend the implementation date of the requirements of Rule 4210 does not raise any new or novel issues and will reduce any potential uncertainty in the Covered Agency Transaction market. Therefore, the Commission hereby waives the 30-day operative delay requirement and designates the proposed rule change as operative upon filing.¹⁷

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
