Notice Pursuant to
Rule 19h-1
Securities Exchange Act
of 1934

January 29, 2024

I. Introduction

On October 14, 2022, Citigroup Global Markets Inc. (“CGMI” or “Firm”) submitted a Membership Continuance Application (“MC-400A Application” or “Application”) to FINRA’s Credentialing, Registration, Education, and Disclosure (“CRED”) Department.¹ The Application seeks permission for the Firm, a FINRA member, to continue its membership with FINRA notwithstanding its statutory disqualification. A hearing was not held in this matter; rather, pursuant to FINRA Rule 9523(b), FINRA’s Department of Member Supervision (“FINRA,” “Member Supervision,” or “Department”) approves the Application and is filing this Notice pursuant to Rule 19h-1 of the Securities Exchange Act of 1934 (“Exchange Act” or “SEA”).

II. The Statutorily Disqualifying Event

The Firm is subject to statutory disqualification, as that term is defined in Section 3(a)(39)(F) of the Exchange Act, incorporating by reference Sections 15(b)(4)(D) and (E), as a result of a September 2022 Order issued by the Securities and Exchange Commission (“SEC” or “Commission”) finding CGMI willfully violated Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) and failed reasonably to supervise its employees with a view to preventing or detecting certain of its employees’ aiding and abetting violations of Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) thereunder (“SEC Order”).² According

¹ See MC-400A Application and related attachments compiled by CRED, with a cover memorandum dated October 28, 2022, attached as Exhibit 1.

² See SEC Order, *In re Citigroup Global Markets Inc.*, Exchange Act Release No. 95920 (Sept. 27, 2022), attached as Exhibit 2.

The SEC Order also triggered disqualification under Rules 262(a)(4), 506(d)(1)(iv), and 602(c)(3) of the Securities Act of 1933 and Rule 503(a)(4)(ii) of Regulation Crowdfunding. On September 27, 2022, the SEC granted a waiver from the application of the disqualification provisions of these Rules. See *In re Certain*

to the SEC Order, from at least January 2018 to September 2021, CGMI employees sent and received off-channel communications that related to the Firm's business, and a majority of these written communications was not maintained or preserved by the Firm.³ Further, supervisors who were responsible for preventing this misconduct among junior employees routinely communicated off-channel using their personal devices, and, in so doing, failed to comply with firm policies by communicating using non-Firm approved methods on their personal devices about the Firm's broker-dealer business.⁴

The Firm was censured, ordered to cease and desist from committing or causing any future violations, ordered to pay a civil money penalty of \$125 million, and ordered to comply with undertakings.⁵ The Firm represented that it paid the penalty on October 7, 2022⁶ and is in compliance with the undertakings.⁷

III. Remedial Measures⁸

According to the Application, the Firm undertook remedial measures prior to the issuance of the SEC Order, including enhancing its policies and procedures, increased training concerning the use of approved communications, and implementing significant changes to technology available to its employees.

CGMI represented that it established an enterprise-wide Operating Committee to oversee remediation efforts concerning off-channel communications. Specifically, the Operating Committee was established to review and evaluate potential enhancements to employee training, communications to employees, investigation protocols and enhancement to technology for the retention of communications on personal devices. The Firm also implemented chat platforms that allow the Firm to retain communications between its employees and clients who are using WhatsApp to communicate, and a pilot corporate device program for employees whereby communications can be surveilled and retained by CGMI.

In addition to the above, the Firm represented that it developed new training and guidance concerning off-channel communications and enhanced messaging to employees regarding the prohibition of off-channel communications.

A. FINRA Routine Examination

On July 20, 2022, FINRA completed a routine examination of the Firm that resulted in one exception and a CAL for failing to provide evidence that the Firm performed a reconciliation for securities held in its DTC Participant account.¹⁵ The Firm acknowledged the exception and responded that the reconciliation failure was due to the migration of positions from a DTC participant account to another and that the Firm took immediate corrective action to obtain and include a feed for the account at issue in order to conduct reconciliation.¹⁶ The Firm also represented that it established a new account to reflect positions in the account and updated its controls to ensure that any depository account impacted by a platform migration is subject to an active reconciliation until closed.¹⁷

On August 29, 2023, the SEC issued an order finding that CGMI willfully violated Section 17(a) of the Exchange Act and Rule 17a-3 thereunder for failing to make and keep current books and records concerning expenses that the Firm incurred in connection with its underwriting of securities offerings.⁷² Consequently, CGMI was ordered to cease-and-desist from committing or causing any violations and any future violations of the above-stated Exchange Act sections, and the Firm was also censured and ordered to pay a \$2.9 million civil penalty.⁷³

VI. The Firm's Proposed Continued Membership with FINRA Plan of Heightened Supervision

The Firm seeks to continue its membership with FINRA notwithstanding its status as a disqualified member. The Firm has agreed to the following Plan of Heightened Supervision as a condition of its continued membership with FINRA ("Supervision Plan" or "Plan"):⁸²

Citigroup Global Markets Inc. (the "Firm") is subject to statutory disqualification pursuant to 3(a)(39)(F) of the Securities Exchange Act of 1934, which incorporates by reference Sections 15(b)(4)(D) & (E), as a result of an order issued by the U.S. Securities and Exchange Commission dated September 27, 2022, which found that the Firm willfully violated Section 17(a) of the Securities Exchange Act of 1934 and Rule 17a-4(b)(4) thereunder. The order also found that the Firm failed to reasonably supervise its employees within the meaning of Section 15(b)(4)(E).

For the purpose of this Supervision Plan, the term "Digital Communication Channels" means all written electronic methods of communication used to conduct Firm business, including but not limited to, text message platforms, whether via SMS messaging, iMessage, or other messaging services such as WhatsApp; direct messaging platforms including X f/k/a "Twitter," Instagram, LinkedIn, Slack, or Bloomberg Messaging; non-firm domain email accounts; and any other written electronic business-related correspondence. "Digital Communication Channels" encompass platforms used to exchange messages with internal or external stakeholders using either a personal or Firm-provided device.

For the purpose of this Supervision Plan, the term "Off-Channel Communications" means all business-related written electronic messages required to be maintained under Rule 17a-4 sent on Digital Communication Channels that are not captured by Firm surveillance and record-keeping systems.

In consenting to this Supervision Plan, the Firm agrees to the following:

1. The Firm shall comply with all of the undertakings outlined in the Securities and Exchange Commission ("SEC" or "Commission") Order Instituting Administrative and Cease-and-Desist Proceedings, Pursuant to Section 15(b) and 21(C) of the Securities Exchange Act of 1934, Making Findings, and Imposing Remedial Sanctions and a Cease-and-Desist Order, *In re Citigroup Global Markets Inc.*, Admin. Proc. 3-21165 (September 27, 2022) ("SEC Order").

VII. Discussion

After carefully reviewing the entire record in this matter, FINRA approves the Firm's request to continue its membership with FINRA, subject to the terms and conditions set forth herein. In evaluating CGMI's Application, FINRA assessed whether the Firm has demonstrated that its continued membership is consistent with the public interest and does not create an unreasonable risk of harm to investors or the markets. *See* FINRA By-Laws, Art. III, Sec. 3(d); *cf. Frank Kufrovich*, 55 S.E.C. 616, 624 (2002) (holding that FINRA "may deny an application by a firm for association with a statutorily disqualified individual if it determines that employment under the proposed plan would not be consistent with the public interest and the protection of investors"). Typically, factors that bear on FINRA's assessment include, among other things, the nature and gravity of the statutorily

disqualifying misconduct, the time elapsed since its occurrence, the restrictions imposed, the Firm's regulatory history, and whether there has been any intervening misconduct.

As of the date of this Notice, FINRA has determined that the Firm's continued membership is consistent with the public interest and does not create an unreasonable risk of harm to investors or the markets. While the SEC Order identified serious violations of securities laws, the Firm was not expelled or suspended, nor were any limitations placed on CGMI's securities activities. Although the SEC Order triggered certain disqualifications from exemptions from registration available under the Securities Act of 1933 ("Securities Act"), specifically Regulations A, D and E of the Securities Act and Regulation Crowdfunding, the SEC granted the Firm a waiver from the application of the disqualification provisions of Rules 262(a)(4)(ii), 506(d)(1)(iv)(B), and 602(c)(3) of the Securities Act and Rule 503(a)(4)(ii) of Regulation Crowdfunding. Moreover, the full amount of the civil monetary penalty was promptly paid, and the Firm promptly paid the sums owed to the CFTC based on an order with similar findings as the disqualifying one. Additionally, the Firm represented that it is in compliance with the ordered undertakings.

Member Supervision also acknowledges that within the SEC Order the Commission considered the Firm's prompt remedial actions and cooperation with the Commission when determining to accept the Offer of Settlement. Specifically, the Commission acknowledged that CGMI enhanced its policies and procedures, increased training concerning the use of approved communications methods including on personal devices, and began implementing significant changes to the technology available to employees.⁸³ CGMI also represented that prior to the SEC Order it established an enterprise-wide Operating Committee to review and evaluate potential enhancements to employee training, communications to employees, investigation protocols, and enhancement to technology for the retention of communications on personal devices. The Firm further implemented a pilot corporate device program for employees and those communications are surveilled and retained by CGMI.

It is well settled that a firm's regulatory history bears upon the assessment of its ability to comply with securities law and regulations. *See In the Matter of the Continued Association of Craig Scott Taddonio with Meyers Associate, L.P.*, SD-2117, slip op. at 24-25 (FINRA NAC March 8, 2017). However, the corrective measures taken by firms to address deficiencies are weighed in determining whether to approve applications. *See In the Matter of the Association of X with the Sponsoring Firm*, SD11007 (FINRA NAC Jan. 1, 2011) (where a firm's corrective actions negated Member Regulation's assertion that the firm failed to appreciate or respect securities rules and regulations). FINRA has also previously approved applications for continued membership where the firms had extensive regulatory history, including disqualifying events. *See In the Matter of the Continued Membership of Deutsche Bank Securities, Inc.*, SD-2190, (FINRA Jan. 14, 2020) and *In the Matter of the Continued Membership of Citigroup Global Markets, Inc.*, SD-2082, (FINRA May 2, 2017) (approving continued membership where the firms had extensive regulatory history, including recent disqualifying events).

⁸³ See Exhibit 2 at p. 6.

In evaluating the Firm's Application, FINRA acknowledges the Firm's recent regulatory and disciplinary history, as well as its additional statutory disqualifying events. Member Supervision also notes that, as of the date of this Notice, the Firm has paid all fines and complied with all undertakings ordered by regulators. None of these matters would prevent the continuance of the Firm as a FINRA member. With respect to the Firm's recent examination findings and exceptions, the Firm took steps to resolve them including by taking immediate corrective action to obtain and include feed data for the account at issue in order to conduct reconciliation. The Firm also represented that it established a new account to reflect positions in the account and updated its controls to ensure that the depository account impacted by a platform migration is subject to an active reconciliation until closed.

FINRA is further reassured by the controls set in place by the Firm's Supervision Plan which bolsters the undertakings outlined in the SEC Order and will continue to provide oversight of the Firm and compliance with its remaining undertakings. In accordance with the Plan, the Firm agreed to conduct annual training for all associated persons, including new hires, regarding the Firm's approved digital communication methods and record retention policies for electronic communications. Further, the Plan calls for the Firm to maintain a list of approved digital communication methods that associated persons are permitted to use for Firm business and to circulate that list to its associated persons semi-annually. The Plan requires the Firm's associated persons to obtain written approval to use digital communication channels not already approved. The Plan prohibits the use of off-channel communications and requires associated persons to semi-annually disclose any unapproved digital communication methods they are using for Firm business; they must also forward any off-channel communications that may have taken place to the Firm for retention purposes. These provisions will help to ensure that the Firm is aware of the communication methods being used by associated persons so that it can appropriately monitor, capture, and retain those communications. Additionally, the Plan mandates that the Firm develop policies and procedures for disciplining associated persons who use unapproved communication methods for Firm business and segregate all certifications, reports, and supporting documentation submitted to the SEC regarding compliance with the undertakings, for ease of review by FINRA staff to ensure ongoing compliance.

The Department is further reassured by the progress the Firm has made on the undertakings required by the SEC. Specifically, the Firm retained a compliance consultant who is reviewing the Firm's policies, procedures, and training, and the Firm has provided the SEC Staff with updates regarding any disciplinary actions taken at the Firm related to potential violations of its policies and procedures regarding preservation of electronic communication.

Following the approval of the Firm's continued membership in FINRA, FINRA also intends to utilize its examination and surveillance processes to monitor the Firm's continued compliance with the standards prescribed by Exchange Act Rule 19h-1 and FINRA Rule 9523.

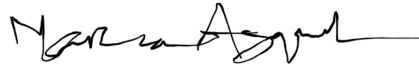

Thus, FINRA is satisfied, based on the foregoing and on the Firm's representations made

pursuant to the Supervision Plan, that the Firm's continued membership in FINRA is consistent with the public interest and does not create an unreasonable risk of harm to the market or investors. Accordingly, FINRA approves CGMI's Application to continue its membership with FINRA.

FINRA certifies that the Firm meets all qualification requirements and represents that the Firm is registered with several other SROs including BOX; Cboe; BYX; BZX; C2; EDGA; EDGX; IEX; LTSE; MEMX; MIAX Emerald; MIAX Pearl; MIAX; NYSE American; NYSE Arca; NYSE Chicago; NYSE National; BX; GEMX; ISE; MRX; PHLX; Nasdaq; NYSE; DTC; FICC-GOV; FICC-MBS; and NSCC. The SROs have been provided with the terms and conditions of CGMI's proposed continued membership, and they concur with FINRA.

In conformity with the provisions of Rule 19h-1 of the Exchange Act, the continued membership of the Firm will become effective within 30 days of the receipt of this Notice by the Commission, unless otherwise notified by the SEC.

On Behalf of FINRA,

Marcia E. Asquith
Executive Vice President & Corporate Secretary
