

Web CRDSM Release 4.0 Changes

Changes	User Community
Form Filing - General	
1. Added revised U-4 and U-5 Forms with version date of 03/2002.	Firms, States, SROs
2. The system will now track the name of the creator and submitter of all form filings.	NASDR - CRD Support Only
3. In addition to the “Delete Pending Filings” confirmation page, the system will redirect the user to the “Pending Filings” page with the updated results when a user selects to delete the filing.	All
4. EFT Batch Form Filing process for Forms U-4/U-5 requires the member firm to submit the signature/name of appropriate signatory and includes a completeness check.	Firms
5. Modified EFT Batch Form Filing to accept RA positions. Users can now add RA positions on U-4s or remove RA positions on U-5s through batch processing.	Firms
6. Removed SSN from “Form Filing Search Results” screens unless searching by SSN. For privacy reasons the SSN only displays in the “Form Filing Search Results” when the SSN was entered as the search criterion.	Firms
7. Added links to “Specific Instructions” and “Explanations of Terms” for all blank form types.	Firms
8. On the “Historical Filing Search Results” screen, the very first filing submitted after Release 4.0 will not contain any “View Changes” hyperlinks.	Firms, States, SROs
Form U-4	
9. The Form U-4 will not allow the birth date to be a future date.	Firms
10. The “From” and “To” dates will now appear in the format MM/YYYY when viewing and printing Employment History.	Firms
11. The system will now allow the user to enter any other affiliated firm in the Affiliated Firms section.	Firms
12. Form U-4 DRP hyperlinks 'Click here to view question text' will not appear in the Print Preview or Print Historical modes.	Firms
13. Enabled Registered Adviser (RA) position checkboxes in the “Jurisdiction Registration” section of Form U-4.	Firms
14. Added Registered Adviser “Designation Section”.	Firms

15. Created new Relicensing Filing Types: Relicense All, Relicense CRD and Relicense IA	Firms
16. "View Changes" and "Redlining" will display properly for Registrations, Jurisdiction, and Exams.	All
17. The Applicant Name in the U-4 pg2 BD Execution Signature area will now appear in the order of First, Middle, Last underneath the Name of Applicant.	Firms
18. U-4 completeness check will include "Designation" checking Completeness Check. The system will look for a matching name, SSN and CRD designation record. If no record is found, the Completeness Check will provide a descriptive error message. If a record is found, the Completeness Check will pass.	Firms
19. In U-4 Print Preview and Print Historical, the Page 1 Affiliates are displayed on a one-by-one basis with a detailed view of each Affiliate.	Firms
20. Added a new filing type Concurrence Filing. The filing will show all sections except the Concurrence Signature section as "read only". The Concurrence Signature Section can be completed.	Firms
Form U-5	
21. Enabled the Registered Adviser (RA) positions checkboxes on the U-5 Filing.	Firms
Form BD/ BDW	
22. The text of FOREIGN is now added as a valid IRS number field value on the BD filing.	Firms
Form U-6	
23. The U-6 Regulatory Action DRP automatically populates the logged in regulator's name in the "Regulatory Action Initiated By" field.	States, SROs, SEC, NASDR
24. The "Pending U-6 Filings Search" screen will now contain all U-6 types listed with an associated radio button to search by each type of U-6.	States, SROs, SEC, NASDR
25. The U-6 Print Preview/Print Historical Navigation Bar changed to have links by Section Name rather than page number.	States, SROs, SEC, NASDR
26. The only DRPs that show up on any U-6 filing (for firms or individuals) will be those that were added or modified as part of that U-6 filing.	States, SROs, SEC, NASDR
Form NRF	
27. The "Termination" screen check box and Termination Date Fields may be unchecked and deleted if selected in error.	Firms
28. NRF Print Preview/Print Historical Navigation Bar changed to have links by Section Name rather than page number.	Firms

View Individual	
29. A new Designation History Page was added to show the designation information for each filing that contained IAR (RA) designation information.	All
30. The Organization Name in the Office of Employment Address History will now display the name of the Organization as it was at the time of the individual's employment.	All
31. IA-Only firm will not be able to search for individuals using the "Prehire" check on the Search Screen.	IA- Only Firms
