Subject: Comment on Regulatory Notice 26-15: Best Execution and FINRA Rule 5310
Date: Saturday, September 19, 2026 8:55:28 AM

Dear Ms. Mitchell,

I am an individual investor. I am writing about Regulatory Notice 26-15 and FINRA's request for comment on modernizing its best execution guidance under Rule 5310. It asks whether order-by-order review of internalized orders should still be required, whether a firm's own order router can count as the review of that router, and whether there should be safe harbors for documented procedures. Order-by-order review is the only standard under which the price I actually receive is what gets reviewed. Relaxing it would remove the last point at which this rule touches my money.

I am asking FINRA to stop being a corrupt cesspit of corporate interest for GODS SAKE STOP WITH THE DEGRADATION OF FREE AND FAIR MARKETS
