Ms. Marcia Asquith  
1735 K. St. N.W.  
Washington D.C. 20006

It has been brought to my  
attention you people are at it  
again - sticking your nose in my  
business! What a nerve! I have  
made my own money for almost 80  
years and now some bang body think  
she has the right to tell me how to spend  
it! I say mind your own business and  
leave me alone. What a nerve!

Mary Gibson
