**Subject:** proposed non-securities regulation  
**Attachments:** David.C Janson.vcf

I am a registered rep and licensed life and health agent. I strongly **oppose** the idea that FINRA's authority be expanded to non-securities products and services. I believe it would take FINRA out of it's area of expertise and would not be beneficial to the industry, it's consumers and the American people.

I do support the discipline and prosecution of those firms and individuals who engage in unethical and misleading sales practices.

Thank you!

David C. Janson CLU,ChFC,LUTCF
