FINRA - Financial Industry Regulatory Authority

FINRA - Financial Industry Regulatory Authority:

I am a licensed insurance professional and registered representative. I am writing to you because I strongly object to expanding FINRA's suitability obligations to recommendations that do not involve securities.

FINRA's authority should not be expanded to include non-securities products and services.

I urge you NOT to expand FINRA's suitability obligations to include recommendations that do not involve securities. Thank you for considering my views on this issue.

Sincerely,

Theodore A. Scroback
