1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”), the National Association of Securities Dealers, Inc. (“NASD” or “Association”), through its wholly owned subsidiary, NASD Dispute Resolution, Inc. (“NASD Dispute Resolution”), is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change to reorganize its arbitration rules governing industry disputes. The proposed rule change is part of a comprehensive plan to reorganize NASD’s Code of Arbitration Procedure (“Code”) into three separate procedural codes: the NASD Code of Arbitration Procedure for Customer Disputes (“Customer Code”); the NASD Code of Arbitration Procedure for Industry Disputes (“Industry Code”); and the NASD Code of Mediation Procedure (“Mediation Code”). The three new codes will replace the current Code in its entirety. NASD is also proposing to make certain substantive amendments to the Code as described herein. This rule filing contains the proposed Industry Code, the text of which is attached an exhibit. A chart comparing the current Code and the proposed Industry Code and an old-to-new conversion guide will be posted on the NASD’s Web site at www.nasd.com.¹

2. Procedures of the Self-Regulatory Organization

(a) The proposed rule change was approved by the Board of Directors of NASD Dispute Resolution at its meeting on November 12, 2003, which authorized the filing of

¹ For purposes of this filing, the version of the current Code used in the comparison and conversion charts reflects all pending Dispute Resolution rule filings filed with the Commission, except SR-NASD-2004-042 (Foreign Hearing Locations), and all Dispute Resolution rule filings approved by the Commission since the proposed rule change was filed on January 16, 2004.

the rule change with the SEC. Counsel for The Nasdaq Stock Market and NASD Regulation have been provided an opportunity to consult with respect to the proposed rule change, pursuant to the Plan of Allocation and Delegation of Functions by the NASD to its Subsidiaries. The NASD Board of Governors had an opportunity to review the proposed rule change at its meeting on November 13, 2003. No other action by the NASD is necessary for the filing of the proposed rule change. Section 1(a)(ii) of Article VII of the NASD By-Laws permits the NASD Board of Governors to adopt amendments to NASD Rules without recourse to the membership for approval.

(b) Questions regarding this rule filing may be directed to John D. Nachmann, Counsel, NASD Dispute Resolution, at (202) 728-8273.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

This rule filing is part of a comprehensive plan to reorganize and simplify the NASD Code of Arbitration Procedure. Specifically, NASD is proposing to:

- Reorganize its dispute resolution rules in a more logical, user-friendly way, including creating separate Codes for customer and industry arbitrations, and for mediations;
- Simplify the language and structure of the rules in each of the proposed Codes in a manner consistent with the SEC's plain English initiative; and
- Implement several substantive rule changes to the Industry and Customer Codes, including codifying several common practices, to provide more guidance to parties and arbitrators, and to streamline the administration of arbitrations in the NASD forum.

Reorganization

One of the most frequent criticisms of the current Code is that it is poorly organized. Parties, particularly infrequent users of the forum, have difficulty finding the rules they are looking for, because the rules are not presented in a logical order. The confusion is compounded by the fact that certain rules in the Code apply only to customer cases, some apply only to industry cases, and still others apply to both types of disputes. In addition, the current Code contains the NASD mediation rules, despite the fact that many matters are submitted directly to mediation, and do not arise out of an arbitration proceeding.

To address these concerns, NASD is proposing to divide the current Code into three separate Codes: the Customer Code, the Industry Code, and the Mediation Code. This rule filing contains the proposed Industry Code.² NASD believes that maintaining separate Codes will make it easier for parties to find the rules that apply to their disputes, particularly for parties to disputes that are submitted directly to mediation. NASD will maintain electronic versions of each code on its Web site, www.nasd.com, and will make paper copies available upon request.

In keeping with the current NASD rule numbering system, each of the three codes will be numbered in the thousands, and major sections will be numbered in the hundreds. Individual rules within those sections will be numbered in the tens (or ones, if necessary). The current method for numbering and lettering paragraphs within individual rules will remain unchanged. The Customer Code will use the Rule 12000 series, which is

² The proposed Customer Code and Mediation Code have been filed separately with the Commission as SR-NASD-2003-158 and SR-NASD-2004-013, respectively.

currently unused. The Industry Code will use the Rule 13000 series, and the Mediation Code will use the Rule 14000 series, both of which are also currently unused. NASD will reserve the Rule 10000 series, which is currently used for NASD's dispute resolution rules, for future use.

The proposed Industry Code is divided into nine parts, which are intended to approximate the chronological order of a typical arbitration. Specifically, the proposed Industry Code is organized as follows:

- Part I (Rule 13100 et seq.) contains definitions, as well as other rules relating to the organization and authority of the forum;
- Part II (Rule 13200 et seq.) contains general arbitration rules, including what claims are subject to arbitration in the NASD forum;
- Part III (Rule 13300 et seq.) contains rules explaining how to initiate a claim, how to respond to a claim, how to amend claims, and when claims may be combined and separated;
- Part IV (13400 et seq.) contains rules relating to the appointment, authority and removal of arbitrators;
- Part V (Rules 13500 et seq.) contains rules governing the prehearing process, including proposed new rules relating to motions and discovery;
- Part VI (Rules 13600 et seq.) contains rules relating to hearings;
- Part VII (Rules 13700 et seq.) contains rules relating to the dismissal, withdrawal, or settlement of claims;
- Part VIII (Rules 13800 et seq.) contains rules relating to simplified (small cases) arbitrations; default proceedings; statutory employment discrimination claims; and injunctive relief.
- Part IX (Rules 13900 et seq.) contains rules relating to fees and awards.

Relationship Between Proposed Customer and Industry Codes

The proposed Customer Code has been organized in the same manner described above, and with only a few exceptions, the Codes have been numbered so the same rules

have the same last three digits in both Codes. For example, proposed Rules 12500 and 13500 govern initial prehearing conferences in the Customer and Industry Codes, respectively. This parallelism is possible because, in large part, the rules governing the organization of the forum, the procedures for filing and responding to claims, prehearing and hearing procedures, and the settlement or withdrawal of claims, are the same in both Codes.

There are some differences between the two Codes, which fall into two categories. The first category consists of those rules in the current Code that contain different provisions for customer and industry disputes. For example, current Rule 10308, governing arbitrator selection, requires that three-arbitrator panels in customer cases consist of a majority of public arbitrators, while the composition of the panel in industry disputes depends on the nature of the claim. For such rules, the Customer Code version of the panel composition rule (proposed Rule 12402) contains only the provisions that relate to customer disputes, while the Industry Code counterpart (proposed Rule 13402) contains only the provisions that relate to industry cases.

The second category of rules that differ between the proposed Customer and Industry Codes consists of those rules in the current Code that apply only to industry disputes. These rules, which include current Rules 10210 and 10211, governing statutory employment discrimination claims, and current Rule 10335, governing injunctive relief, are included in the proposed Industry Code (proposed Rules 13802-13804), but have no counterpart in the proposed Customer Code.

Although these rules have been rewritten and reorganized in a manner consistent with the proposed Codes, NASD is not proposing any substantive changes to those parts of the current Code that are unique to industry cases.

Plain English

In 1998, the SEC launched an initiative to encourage issuers and self-regulatory organizations (“SROs”) to use “plain English” in disclosure documents and other materials used by investors. At that time, the SEC published a “Plain English Handbook,” to provide guidance to issuers and SROs in drafting such materials. The Plain English Handbook recommended using shorter, more common words; breaking long rules into shorter ones; using the active voice whenever possible; and using easy-to-read formatting, such as bullet points. In revising the Codes, NASD has implemented these guidelines wherever possible.

Description of Other Changes

NASD is also proposing to make several other changes to the Customer and Industry Codes that are intended to make the NASD arbitration process as simple, uniform and transparent as possible. Some of the proposed changes codify or clarify current NASD practice. Others are substantive changes that are intended to provide guidance to parties, resolve open questions, or streamline or standardize the administration of NASD arbitrations.

The proposed changes are described in detail below. In general, the same substantive changes have been made to both the Customer and Industry Codes. Because this rule filing relates to the proposed Industry Code, it will refer only to the proposed Industry Code rule numbers. However, differences between the Customer and Industry

Code versions of the proposed rule changes will be noted.

Agreement of the Parties (Proposed Rule 13105)

Both the current and proposed Codes permit parties to an arbitration to agree to modify certain provisions, such as the number of arbitrators on a panel, or the time to respond to a pleading. Occasionally, all active parties to an arbitration agree to modify a provision, but an inactive party does not respond to notices or participate in the decision. Under a literal reading of the current Code, the active parties to the arbitration would not be able to agree to the modification, even though the inactive party was not participating in the arbitration. This can cause unnecessary delay and frustration for the active parties.

NASD believes that the non-appearance of an inactive party should not prevent active parties to an arbitration from exercising control over the arbitration process. To address this concern, proposed Rule 13105 would provide that, when the Code allows the parties to an arbitration to modify a provision of the Code, or a decision of the Director or the panel, the agreement of all named parties is required, unless the Director or panel determines that a party is inactive in the arbitration or has failed to respond after adequate notice has been given.

Use of the Forum (Proposed Rule 13203)

Currently, Rule 10301(b) provides that the Director of Arbitration, upon approval of the NAMC or its Executive Committee, may decline the use of the NASD arbitration forum if the “dispute, claim, or controversy is not a proper subject matter for arbitration.”

Occasionally, situations arise in which the Director believes that it is in the best interest of the forum to deny the forum for reasons other than subject matter. For example, the current rule does not specifically permit the Director to deny the forum

when NASD has reason to believe that a party would present a security risk to the forum or to other parties. Furthermore, the requirement that the Director must first obtain approval of either the National Arbitration and Mediation Committee (“NAMC”), or its Executive Committee, is burdensome and time-consuming, making it difficult for the Director or the forum to respond appropriately in emergency situations.

To address this concern, proposed Rule 13203(a) would provide that the Director may decline to permit the use of the NASD arbitration forum if the Director determines that, given the purposes of NASD and the intent of the Code, the subject matter of the dispute is inappropriate, or that accepting the matter would pose a risk to the health or safety of arbitrators, NASD staff, or parties or their representatives. The provision requiring approval of the NAMC or its Executive Committee would be deleted.

However, to ensure that the authority to deny the forum could not be delegated by the Director, the rule would provide that only the Director or the President of NASD Dispute Resolution may exercise the Director’s authority under the rule. NASD believes that this rule change will give the Director limited, but crucial, flexibility to protect the integrity and the security of the NASD forum.

Shareholder Derivative Actions (Proposed Rule 13205)

Currently, the Code does not specifically address whether shareholder derivative actions may be arbitrated at NASD. Such claims are not eligible for arbitration at NASD because, by definition, they involve corporate governance disputes that do not arise out of or in connection with the business of a member firm or an associated person.

Nonetheless, the question arises from time to time, occasionally after a claimant has filed a statement of claim.

Proposed Rule 13205, which is consistent with New York Stock Exchange Rule 600(e), would clarify that shareholder derivative actions are not eligible for arbitration at NASD. NASD believes that the inclusion of this rule would help avoid confusion, provide guidance to parties, and conserve resources expended when parties seek to arbitrate such matters at NASD.

Extensions of Deadlines (Proposed Rule 13207)

Currently, Rule 10314(b)(5) provides that deadlines established by the Code for filing or serving pleadings may be extended by the Director, or with the consent of the initial claimant. This provision does not provide guidance with respect to the extension of other deadlines established by the Code, or by the panel or Director, and can also cause confusion with respect to responsive pleadings filed by the initial claimant. The current rule also provides that extensions of time for filing an answer are disfavored and will only be granted in extraordinary circumstances.

To eliminate confusion, and to provide more comprehensive guidance regarding when and under what circumstances deadlines may be extended, proposed Rule 13207 would provide that the parties may agree in writing to extend or modify any deadline for serving an answer; returning arbitrator or chairperson lists; responding to motions; or exchanging documents or witness lists. If the parties agree to extend or modify a deadline, the proposed rule would require that they notify the Director of the new deadline in writing. The proposed rule would also provide that the panel may extend or modify any deadline listed above, or any other deadline set by the panel, either on its own initiative or upon motion of a party.

Finally the rule would provide that the Director may extend or modify any deadline or time period (1) set by the Code for good cause, or (2) by the panel in extraordinary circumstances. Although good cause is a lower standard than extraordinary circumstances, which refers to unexpected and uncontrollable events such as weather-related or security emergencies, good cause is not a negligible standard. In the context of the proposed rule, the good cause requirement means that extensions of Code deadlines by the Director are generally disfavored, and that the Director must take into account the effect of the extension on all parties before granting such a request.

Ex Parte Communications (Proposed Rule 13210)

Proposed Rule 13210 would prohibit ex parte communications between parties and arbitrators, except as provided in proposed Rule 13211.³ Proposed Rule 13210 is based on general ex parte rules applicable in court proceedings, and reflects current NASD practice. The NASD Arbitrators' Manual and NASD arbitrator training materials direct arbitrators to avoid ex parte communications with parties, and arbitrators receive training on how and why to do so. Materials provided to parties also advise parties to avoid ex parte communications with arbitrators. For example, NASD's 'Top Ten' Standards Of Good Practice At Arbitration Hearings (available on NASD's Web site, www.nasd.com), state that participants in NASD arbitrations "should not engage in conversation with arbitrators in the absence of the other party(ies)."

³ Proposed Rule 13211 (Rule 10334 in the current Code), allows direct communication between parties and arbitrators subject to certain conditions. These conditions include the representation of parties by counsel, an agreement to use direct communication by all arbitrators and parties, an agreement regarding the scope of the direct communication, and facsimile or e-mail capability by all arbitrators and parties.

To provide additional guidance to arbitrators and parties, and to further ensure the integrity of the NASD arbitration process, the revised Code would include proposed Rule 13210 to generally prohibit ex parte communication between parties and arbitrators.

Sanctions (Proposed Rule 13212)

Currently, Rule 10305(b), governing the dismissal of proceedings, provides that the “arbitrators may dismiss a claim, defense, or proceeding with prejudice as a sanction for willful and intentional material failure to comply with an order of the arbitrator(s) if lesser sanctions have proven ineffective.” In addition, the NASD Discovery Guide states that “[t]he panel has wide discretion to address noncompliance with discovery orders. For example, the panel may make an adverse inference against a party or assess adjournment fees, forum fees, costs and expenses, and/or attorneys’ fees caused by noncompliance.”

Proposed Rule 13211 would codify the sanction options available to arbitrators that are described in the Discovery Guide, and extend them beyond the discovery context to apply to non-compliance with any order of the panel or provision of the Code. Finally, the proposed rule would also allow the panel to dismiss a claim under the same conditions as it may currently, although it would use the term “previous” rather than “lesser” sanctions, in order to avoid potential confusion regarding whether a previous sanction was “lesser” or “greater.” NASD believes that this rule change will encourage parties to comply with both the Code and with orders of the panel, and will also clarify the authority of arbitrators to ensure the fair and efficient administration of arbitration proceedings when parties fail to do so.

Hearing Location (Proposed Rule 13213)

NASD currently maintains more than 55 designated hearing locations for NASD arbitrations and mediations. Generally, in industry cases involving an associated person and a member, NASD selects the hearing location closest to the associated person's residence at the time the dispute arose. Otherwise, NASD considers a number of factors in selecting the hearing location, including: the parties' signed agreement to arbitrate, if any; which party initiated the transaction or business in issue; and the location of essential witnesses and documents.

To make the arbitration process more transparent, proposed Rule 13212 would codify this practice.⁴ The proposed rule would also clarify that before arbitrator lists are sent to the parties under Rule 13403, the parties may agree in writing to a different hearing location other than the one selected by the Director, and that the Director may change the hearing location upon motion of a party. NASD believes that the proposed rule will provide useful guidance to parties about where their arbitration will take place.

Time to Answer Counterclaims and Cross Claims (Proposed Rules 13304 and 13305)

Currently, Rule 10314 provides that claimants have only 10 days to answer a counterclaim, but a respondent answering a cross claim has 45 to file an answer to the cross claim, even if the respondent has already answered the initial claim. This discrepancy can cause delay in the proceedings. NASD believes that parties who have already filed or served a pleading should have the same amount of time to respond to subsequent pleadings. NASD also believes that 10 days is insufficient, while 45 days is

⁴ The proposed Customer Code also contains a rule codifying NASD's current practice for selecting hearing locations, but that rule (proposed Rule 12213) differs slightly, providing that in customer cases, NASD will generally select the hearing location closest to the customer's residence at the time the dispute arose.

too long. NASD believes that 20 calendar days is the appropriate amount of time for parties to respond to both counter and cross claims.

Therefore, proposed Rule 13304 would extend the time that a claimant has to file a response to a counterclaim from 10 to 20 days from receipt of the counterclaim. In addition, proposed Rule 13305 would shorten the time that a respondent has to respond to a cross claim from 45 days to 20 days from the date that the respondent's answer to the statement of claim is due, or from the receipt of the cross claim.

Deficient Claims (Proposed Rule 13307)

Under current NASD practice, if a claimant files a deficient, or incomplete, claim, NASD will notify the claimant, and the claimant is given 30 days to correct the deficiency. If the deficiency is not corrected within that time, the claim is dismissed without prejudice. Reasons for deficiencies include failure to include required information in the statement of claim, failure to pay required fees, and failure to properly execute the NASD Uniform Submission Agreement. NASD's practice with respect to deficiencies is consistent with the Arbitration Procedures published by the Securities Industry Conference on Arbitration ("SICA"). However, the current Code does not expressly address what constitutes a deficiency, or explain the process for identifying and correcting deficiencies. Proposed Rule 13307 would codify NASD's deficiency practice. Specifically, it would provide that the Director will not serve a deficient, or incomplete, claim, and will enumerate the most common types of deficiencies.⁵ The proposed rule would also provide that Director will notify the claimant in writing if the claim is deficient. If all deficiencies are not corrected within 30 calendar days from the time the

⁵ Proposed Rule 13307 differs slightly from its Customer Code counterpart (Proposed Rule 12307), because the Customer Code version includes failure to identify the customer's residence at the time the dispute arose as a possible deficiency.

claimant receives notice, the Director will close the case without serving the claim, and will not refund any filing fees paid by the claimant. The proposed rule would also make clear that the same standards apply to deficient counterclaims, cross claims and third party claims served directly by parties, and would prohibit arbitrators from considering such claims unless the deficiencies were corrected within the time allowed. NASD believes that including the deficiency standards and practice in the Code will provide useful guidance to parties, and will reduce delay in NASD arbitrations by reducing the number of deficient claims.

Amending Pleadings to Add Parties (Proposed Rule 13309)

Under the current Code, parties may amend their pleadings at any time prior to the appointment of the arbitration panel. After panel appointment, parties must obtain approval of the arbitrators before amending a pleading. If a party is added to an arbitration proceeding before the Director has consolidated the other parties' arbitrator rankings under current Rule 10308, the Director will send the arbitrator lists to the newly-added party, and the newly-added party may participate in the arbitrator selection process. However, if a party amends a pleading to add a new party to the proceeding between the time that the Director consolidates the arbitrator lists and the time the panel is appointed, the newly-added party is not able to participate in the arbitrator selection process, or to object to being added to the arbitration.

To address this issue, which has been the subject of concern among some users of the forum, proposed Rule 13309 would provide that no party may amend a pleading to add a party during the window of time between the date that ranked arbitrator lists are due to the Director and the panel is appointed. Once the panel is appointed, a pleading

could not be amended for any reason without approval of the panel. Proposed Rule 13309(c) would also make clear that the party to be added after panel appointment must be given an opportunity to be heard before the panel may grant the motion to amend. This change will ensure that a party added to an arbitration by amendment either will be able to participate in the arbitrator selection process, or will have the opportunity to object to being added to the proceeding.

Time to Answer Amended Pleadings (Proposed Rule 13310)

Currently, Rule 10328 provides that parties have 10 business days to answer an amended pleading. Other rules in the current Code refer to calendar days. In the interest of uniformity, proposed Rule 13100(h) defines the term “day” to mean calendar day. To reflect this definition, proposed Rule 13310 would give parties 20 calendar days, rather than 10 business days, to respond to amended pleadings. Although this represents a slight extension of time, it is consistent with the time to respond to counterclaims and cross claims under proposed Rules 13304 and 13305. Because standardizing time frames is part of NASD’s plain English initiative, NASD believes that 20 calendar days is an appropriate time period for responding to amended pleadings.

Rules Governing Number, Selection and Appointment of Arbitrators

The revised Industry Code contains several amendments to the rules governing the number, selection and appointment of arbitrators.

Number of Arbitrators

Under current Rule 10308(b), if the amount of a claim is \$25,000 or less, the arbitration panel consists of one arbitrator, unless that arbitrator requests a three-arbitrator panel. If the claim is more than \$25,000 but not more than \$50,000, the panel consists of

one arbitrator unless either the single arbitrator, or any party in its initial pleading, requests a three-arbitrator panel. Claims of more than \$50,000 are heard by a three-arbitrator panel.

To streamline the administration of smaller claims, and minimize the cost of pursuing small claims, proposed Rule 13401 would eliminate the ability of the single arbitrator to request a three-arbitrator panel for any claim of \$50,000 or less. Parties in cases involving more than \$25,000, but not more than \$50,000, could still request a three-arbitrator panel.

Chairperson Lists

Currently, parties to NASD arbitrations select their arbitrators by a process of striking and ranking arbitrators from lists generated by NASD's Neutral List Selection System ("NLSS"). Once the panel is appointed, the parties jointly select the chairperson from the panel, or, if the parties do not agree, the Director appoints the highest-ranked arbitrator on the panel to serve as chairperson.⁶

Although NASD provides voluntary chairperson training to its arbitrators, arbitrators who serve as chairperson are not currently required to have chairperson training, to have any particular experience, or to meet any other specific criteria beyond the requirements for serving as an arbitrator. Over the years, one of the most frequent suggestions for improving the quality and efficiency of NASD arbitrations is to ensure that chairpersons, who play a vital role in the administration of cases, have some degree of arbitrator experience and training.

⁶ NASD estimates that parties agree on a chairperson only about 20% of the time.

NASD agrees that requiring trained and experienced chairpersons would significantly enhance the quality of its arbitration forum. However, NASD also believes that the criteria or training requirements should not prevent arbitrators of any professional or educational background from qualifying to serve as chairpersons of panels.

To address these concerns, the proposed Industry Code would require that NASD create and maintain a roster of arbitrators who are qualified to serve as chairpersons. The parties would select the chairperson from the chair-qualified list in the same manner and at the same time that they select the other members of the panel. In single-arbitrator cases, the arbitrator would be selected from a list of chair-qualified arbitrators, unless the parties agreed otherwise.

In cases in which the panel consists only of non-public arbitrators, the list of chair-qualified arbitrators would consist of non-public arbitrators. In cases in which the panel consists of a majority of public arbitrators, the chair-qualified list would consist of public arbitrators.⁷

Under proposed Rule 13400, arbitrators would be eligible for the chairperson roster if they have completed chairperson training provided by NASD, or have substantially equivalent training or experience, and either:

- Have a law degree and are a member of a bar of at least one jurisdiction and have served as an arbitrator through award on at least two arbitrations administered by a self-regulatory organization (“SRO”) in which hearings were held; or
- Have served as an arbitrator through award on at least three arbitrations administered by an SRO in which hearings were held.

⁷ The proposed Customer Code would require that chairpersons in customer cases be public arbitrators unless the parties agree otherwise.

Substantially equivalent training or experience would include service as a judge or administrative hearing officer, chairperson training offered by another recognized dispute resolution forum, or the like. Decisions regarding whether particular training or experience other than NASD chairperson training qualifies would qualify under this provision would be in the sole discretion of the Director. NASD believes that these criteria strike the appropriate balance between ensuring that arbitrators who serve as chairpersons or single arbitrators have the requisite experience to fairly and efficiently administer their cases, and allowing arbitrators of all professional backgrounds to qualify as chairpersons. Arbitrators who qualify under these criteria will be placed on the chairperson roster only if they agree to serve as chairpersons; otherwise, they will remain on the general arbitrator roster. To avoid duplication of names on the lists sent to parties, arbitrators who are on the chairperson roster will not be on the general arbitrator roster.

NLSS Changes

The proposed Code would implement several changes to the operation of NLSS. NLSS would generate arbitrator names from the NASD rosters on a random, rather than rotational, basis. This change is primarily driven by computer programming requirements. NASD is currently developing a new computerized case-management system. This change would make the anticipated upgrades to the NLSS component of the new case management system significantly simpler and less expensive to program and implement.

In addition, the proposed Code would eliminate the ability of parties to unilaterally request arbitrators with particular expertise, a practice that is an ongoing source of controversy, as well as burdensome for the NASD staff to administer.

Finally, proposed Rules 13403 and 13404 would expand the number of names of proposed arbitrators provided to the parties to seven names for each arbitrator on the panel, but would limit the number of arbitrators that each party may strike from each list to five. NASD believes that expanding the lists, but limiting the number of strikes each party may exercise, will expedite panel appointment and minimize the likelihood that the Director will have to appoint an arbitrator who was not on the original lists sent to parties. Currently, parties are allowed unlimited strikes, which often results in no arbitrators being left on the consolidated list. In such cases, the administration of the arbitration is delayed, and the Director must appoint arbitrators to fill the panel.

Collectively, NASD believes that these modifications to NLSS would streamline and simplify the arbitrator selection process and enhance the quality of NASD arbitrations.

Appointment of Arbitrators (Proposed Rule 13406)

In the past, questions have occasionally arisen regarding when appointment of arbitrators occurs. To address these questions, proposed Rule 13406 would clarify that appointment of arbitrators occurs when the Director sends notice to the parties of the names of the arbitrators on the panel. In addition, as part of the chronological reorganization of the Code, the arbitrator oath requirement that is currently in Rule 10327 has been included in proposed Rule 13406.

Arbitrator Recusal (Proposed Rule 13409)

Under current NASD practice, parties may request that arbitrators recuse themselves from the panel at any time. However, the current Code does not address arbitrator recusal. To provide guidance to parties, proposed Rule 13409 would provide

that any party may ask arbitrators to recuse themselves from the panel for good cause. The proposed rule would also clarify that requests for arbitrator recusal are decided by the arbitrator who is the subject of the request. Some users of the forum believe that recusal requests should be made to the full panel. Courts have held, however, that recusal decisions are within the discretion of the panel, and therefore, tend to uphold these decisions on appeal.⁸ However, the Director may remove arbitrators for cause under proposed Rule 13410 on the same grounds applicable in current Rules 10308(d), 10312(d) and 10313.

Replacement of Arbitrators (Proposed Rule 13411)

Under the current Code, the provisions regarding replacement of arbitrators are contained in Rules 10308(d)(3) and 10313, which contain numerous cross-references to other rules. Proposed Rule 13411 would consolidate the various current rules. The proposed rule would also extend the option of electing to proceed with only the remaining arbitrators to all stages of the proceeding, and eliminate the 5-day limit on electing that option contained in current Rule 10313. NASD believes that parties should have the right to decide jointly to proceed with only the remaining arbitrators regardless of when the replacement occurs, and that the parties should be able to elect that option up until the time the appointment of the replacement arbitrator occurs. Otherwise, proposed Rule 13411 does not contain any substantive changes from the current rules upon which it is based.

Initial Prehearing Conferences (Proposed Rule 13500)

Proposed Rule 13500 would codify the portion of the NASD Discovery Guide relating to initial prehearing conferences (“IPHCs”). Since the adoption of the Discovery Guide in 1999, IPHCs have been standard practice in NASD arbitrations. The IPHC gives the panel and the parties an opportunity to organize the management of the case, set a discovery cut-off date, identify and establish a schedule for potential motions, schedule hearing dates, determine whether mediation is desirable, and resolve many other preliminary issues. Users of the forum have found the IPHC to be a valuable tool in managing the administration of arbitrations. NASD believes that the proposed rule, which provides that an IPHC will be held in every case unless the parties jointly agree on certain scheduling and other enumerated issues in advance, will provide valuable guidance to parties and arbitrators about the role of IPHCs in NASD arbitrations.

Recording Prehearing Conferences (Proposed Rule 13502)

Currently the Code is silent with respect to whether and under what circumstances a prehearing conference will be tape-recorded. Proposed Rule 13502 would provide that prehearing conferences are generally not tape-recorded as a matter of course (with the exception of prehearing conferences to decide dispositive motions, discussed below). However, the rule would permit the panel to decide to tape-record a prehearing conference on its own initiative, or at the request of a party. The rule would also provide that, if the prehearing conference is tape-recorded, the Director will provide a copy of the tape to any party upon request, for a nominal fee.

The rule does not specify the fee, because the fee may vary slightly depending on the rates charged by NASD’s telephone service provider, which normally makes the

initial recording of telephonic hearing sessions. The current fee is \$15 per tape.

(Because NASD must arrange in advance to have telephonic hearing sessions taped, NASD will instruct arbitrators that they should notify NASD at least 24 hours in advance when they decide that a prehearing conference should be taped.)

Motions (Proposed Rule 13503)

Although motions are increasingly common in arbitration, the current Code does not refer to motions or provide any guidance with respect to motions practice. As a result, motions practice lacks uniformity, and parties and arbitrators alike are often unsure how motions should be made, responded to or decided. To provide guidance to parties and arbitrators, and to standardize motions practice in the NASD forum, proposed Rule 13503 would establish procedures and deadlines for making, responding to and deciding motions.

Some users of the forum have expressed the concern that adopting a motions practice rule will encourage more motions. Although NASD appreciates this concern, NASD believes that motions have already become a routine part of most arbitrations. Therefore, NASD believes that the Code should provide as much guidance about motions as possible to parties, particularly infrequent users of the forum. However, in an effort to deter unnecessary motions, the rule would require that, before making a motion, a party must make an effort to resolve the matter that is the subject of the motion with the other parties. The rule would also require that every motion, whether written or oral, include a description of the efforts made by the moving party to resolve the matter before making the motion.

Another common concern about adopting a motions practice rule is that it will detract from the informal nature of arbitration. To address this concern, the rule would make clear that most motions may be made either orally or in writing, and that written motions need not take any particular form.

Paragraph (c) of the proposed rule would outline who decides what motions. For example, paragraph (c)(1) provides that motions relating to the use of the forum under proposed Rule 13203 and removal of an arbitrator under proposed Rule 13401 are decided by the Director, because these motions are filed and decided before a panel has been appointed. Paragraph (c)(2) would provide that motions relating to combining or separating claims or arbitrations, or changing the hearing location, are decided by the Director before a panel is appointed, and by the panel after the panel is appointed. Paragraph (c)(3) provides that discovery-related motions are decided by one arbitrator, generally the chairperson. This provision reflects that while the chairperson is usually the person to decide such motions, the chairperson may not always be available, and the parties or the Director may decide to refer the matter to one of the other arbitrators. The provision also states that the arbitrator who initially hears a discovery-related motion may refer such motions to the full panel, either at his or her own initiative or at the request of a party. The arbitrator must refer motions relating to issues of privilege to the full panel at the request of a party. Paragraph (c)(4) provides that motions relating to arbitrator recusal are decided by the arbitrator who is the subject of the motion, as provided by proposed Rule 12409. Finally, the rule provides that all other motions not covered in the preceding paragraphs of the rule are decided by the full panel, unless the Code provides or the parties agree otherwise.

Dispositive Motions (Proposed Rule 13504)

Another recurring question in NASD arbitrations is whether, and to what extent, arbitrators have the authority to decide dispositive motions before a hearing on the merits. In its Follow-up Report on Matters Relating to Securities Arbitration, the General Accounting Office (“GAO”) noted that while NASD’s arbitration rules do not specifically provide for dispositive motions, case law generally supports the authority of arbitrators to grant motions to dismiss claims prior to the hearing on the merits.⁹ Because the Code provides no guidance with respect to this question, arbitrator decisions with respect to it lack uniformity.

Generally, NASD believes that parties have the right to a hearing in arbitration. However, NASD also acknowledges that in certain extraordinary circumstances, it would be unfair to require a party to proceed to a hearing. Specifically, the proposed rule would:

- Provide that, except for motions relating to the eligibility of claims under the Code’s six year time limit, motions that would resolve a claim before a hearing on the merits are discouraged, and may only be granted in extraordinary circumstances;
- Require that a prehearing conference before the full panel must be held to discuss the motion before the panel could grant it; and
- Allow the panel to issue sanctions against a party for making a dispositive motion in bad faith.

NASD believes that this rule proposal, which was developed over several years with input from industry and public members of the NAMC, will provide necessary guidance to parties and arbitrators, and make the administration of arbitrations more

⁹ U.S. General Accounting Office, Follow-up Report on Matters Relating to Securities Arbitration (April 11, 2003).

uniform and transparent. NASD believes that the rule strikes the appropriate balance between allowing the dismissal of claims in limited, extraordinary circumstances and reinforcing the general principle that parties are entitled to a hearing in arbitration.

Discovery (Proposed Rules 13505 – 13511)

One of the most frequent comments made by users of the NASD forum is that discovery procedures are routinely ignored, resulting in significant delay and the frequent need for arbitrator intervention in the discovery process. To address these concerns, proposed Rules 13505-13511 would expand on the discovery procedures contained in current Rule 10321, with certain substantive changes.¹⁰ The proposed rules would provide more specific guidance about how to make and respond to discovery requests, and would make clear that either producing or objecting to documents requested by parties, is mandatory. The proposed rules also would extend the time parties have to respond to document requests from 30 to 60 days, but would also provide more serious consequences when parties fail to respond, or when parties frivolously object to production of documents or information. In addition, proposed Rule 13511 would codify the sanctions provisions currently contained in the NASD Discovery Guide, clarifying the authority of arbitrators to punish parties for non-compliance with discovery rules or orders of the panel. NASD believes that, collectively, these changes will significantly minimize the number of discovery disputes in NASD arbitrations.

Subpoenas (Proposed Rule 13512)

Current Rule 10322 provides that the arbitrators and any counsel of record to the proceeding shall have the power of the subpoena process as provided by law, and that all

¹⁰ These rules differ slightly from their counterparts in the proposed Customer Code (Proposed Rules 12505-12511), because NASD's Document Production Lists do not apply to industry disputes.

parties must be given a copy of a subpoena upon its issuance. The rule also provides that parties shall produce witnesses and present proofs to the fullest extent possible without resort to the subpoena process. Proposed Rule 13512 is substantially identical to the current rule Code, but would also require that if a subpoena is issued, the issuing party must send copies to all other parties at the same time and in the same manner as the party issued the subpoena. This modification is intended to ensure that parties receive notice of the subpoena in a timely manner.

Exchange of Documents and Witness Lists (Proposed Rule 13514)

Current Rule 10321(d) requires that at least 20 days before a hearing on the merits is scheduled to begin, all parties must exchange copies of all documents in their possession that they intend to present at the hearing, and must identify all witnesses they intend to present at the hearing. As a practical matter, many of the documents will already have been exchanged through discovery. Users of the forum have advised NASD that this rule would be less burdensome, and more useful, if it were amended to require only that parties exchange all documents they intend to use at the hearing that have not previously been exchanged. The proposed rule would also increase the consequences of failing to comply with this requirement. Under the current rule, the panel may exclude evidence not exchanged in a timely manner. Proposed Rule 13514 would create a presumption that parties could not use any documents at the hearing that were not exchanged, or call any witnesses at the hearing who were not identified, within the time provided by the rule, unless the panel determines that good cause exists. The proposed rule specifically provides that good cause includes the need to use documents or call witnesses for rebuttal or impeachment purposes based on developments at the hearing.

Postponements (Proposed Rule 13601)

In the proposed Code, hearing adjournments are referred to as hearing postponements, for plain English purposes. Paragraph (a) of proposed Rule 13601 has been amended to provide that the panel may not grant requests to postpone a hearing that are made within 10 days of a scheduled hearing session unless the panel determines that good cause exists. This provision is intended to reduce the number of last minute requests for postponements, a practice that many users of the forum believe results in unnecessary delay and unfairness to parties.

In paragraph (b) of the proposed rule, the fee would no longer increase for a second or subsequent request by the same party. This change is intended to simplify the rule and to avoid confusion when one party requesting a postponement has made a previous request, but one or more of the other parties requesting the same postponement have not made previous requests.

The proposed rule also gives the panel the authority to allocate the postponement fees among non-requesting parties if the panel determines that the non-requesting party caused or contributed to the need for the postponement.

Withdrawing Claims (Proposed Rule 13702)

The current Code does not contain any guidance with respect to withdrawing claims. This occasionally causes confusion, particularly with respect to the consequences of withdrawing a claim at a particular stage in an arbitration. To provide guidance to parties, proposed Rule 12702 would provide that before a claim has been answered by a party, a claimant may withdraw the claim against that party with or without prejudice. However, after a claim has been answered by a party, a claimant may only withdraw its

claim against that party with prejudice, unless the panel decides, or the claimant and that party agree, otherwise. NASD believes that the proposed rule strikes the appropriate balance between allowing claimants to withdraw their claims without prejudice before a respondent has expended significant resources responding to the claim, and protecting the respondent from having to respond to the same claim multiple times.

Simplified Arbitration Rule (Proposed Rule 13800)

The simplified arbitration rule has been significantly shortened. Currently, in addition to the procedures that are unique to simplified arbitrations, Rule 10302 repeats some, but not all, of the general provisions that apply to both regular and simplified cases. The proposed rule includes only those provisions that are unique to simplified cases.

The proposed rule would eliminate the current provisions establishing special time limits or deadlines for pleadings in simplified cases, and the time limits would now be the same as those in regular cases. Frequent users of the forum report that the time limits in simplified cases are routinely extended under the current rule. To provide better guidance to parties, NASD believes that the Code should reflect that, in practice, the time to answer in simplified cases is typically the same as it is in regular cases.

Under proposed Rule 13800, the single arbitrator would be selected from the chairperson roster, unless the parties agree in writing otherwise. The single arbitrator would not be able to request a three-arbitrator panel, and the arbitrator would no longer have the option of dismissing without prejudice a counterclaim or other responsive pleading that increased the amount in dispute above the simplified case threshold. If a pleading increased the amount in dispute above the threshold, the case would be

administered under the regular provisions of the Code. If an arbitrator has been appointed, that arbitrator will remain on the panel. If a three-arbitrator panel is required, the remaining arbitrators will be appointed by the Director. The proposed rule would also eliminate the ability of the single arbitrator to require a hearing.

NASD believes that these changes will make the simplified arbitration rule easier for parties to understand, and will also streamline and simplify the administration of small claims in the NASD forum.

Fees (Proposed Rules 13900 – 13903)

One of the most frequent criticisms of the current Code is that the fee schedules are difficult to understand, particularly with respect to what claimants must pay at the time of filing. Currently, claimants must pay a non-refundable filing fee, and an initial hearing session deposit that may be refundable under certain circumstances. In addition, parties also must pay hearing session fees for each hearing session. Although the filing fee and the initial hearing session deposit are both due upon filing, they are presented in the Code as separate fees, making it hard for some parties to understand the total amount due upon filing. To address this issue, and to make the fee schedules easier to read, the fee schedules have been revised in two significant ways.

First, the filing fee and the hearing session deposit have been combined into one single fee that is paid when a claim is filed. With two exceptions, described below, the amounts paid by claimants would not change. Although what is now the refundable hearing session deposit would no longer be paid separately, an amount equal to the current hearing session deposit or a portion thereof may be refunded if NASD receives notice that the case has been settled more than 10 calendar days prior to the hearing on

the merits. (Under the current Code, the initial hearing session deposit may be refunded if the case is settled 8 days prior to the hearing on the merits; this has been changed to 10 days as part of the overall effort to standardize the time frames used in the Code.) The consolidation of the filing fee and the hearing session deposit is intended to make it easier for claimants to understand how much they have to pay when they file a claim and what, if any, portion of that fee may be refunded.

Second, several sets of brackets in the filing fee schedule would be condensed. Currently, there are 14 separate fee brackets in the customer filing fee schedule. Some of the fees for different brackets are the same; others are separated by amounts ranging from \$25 to \$100. The result is a schedule that is confusing and difficult to read. To simplify the schedule, the fees for claims filed by associated persons would be reorganized as follows: the \$25,000 to \$30,000 bracket (\$600) and the \$30,000 to \$50,000 bracket (\$625) would be combined, and the filing fee for the new bracket would be \$600; and the \$1 million to \$3 million bracket (\$1,700), the \$3 million to \$5 million bracket (\$1,800), the \$5 million to \$10 million bracket (\$1,800) and the over \$10 million bracket (\$1,800) would be combined, and the filing fee for the new bracket would be \$1,800.

The proposed changes would not result in a change in the total amount of fees paid by associated persons when filing a claim, except that for claims of \$30,000 to \$50,000, the associated person's overall filing fees would decrease by \$25; and for claims of \$1 million to \$3 million, the associated person's overall filing fees would increase by \$100. Corresponding changes would be made to the member filing fee schedule.

NASD believes that these changes will greatly simplify the fee schedule, eliminate three repetitive high-end brackets, and align the brackets in the filing fee schedule with the brackets in the member filing fee and surcharge schedules.

(b) Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that NASD's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that reorganizing and revising its rules relating to industry arbitrations will protect the public interest by making the arbitration process more transparent for parties, providing useful guidance to parties, arbitrators and staff, and helping to standardize and streamline the administration of NASD arbitrations. If the proposed Code is approved, NASD will offer training on the new Code to arbitrators, users of the forum, and staff.

4. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

SECURITIES AND EXCHANGE COMMISSION

(Release No. 34-

; File No. SR-NASD-2004-011)

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by National Association of Securities Dealers, Inc. to Amend NASD Arbitration Rules for Industry Disputes

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on _____, the National Association of Securities Dealers, Inc. (“NASD”), through its wholly owned subsidiary, NASD Dispute Resolution, Inc. (“NASD Dispute Resolution”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) on January 16, 2004, and amended on February 26, 2004 and January 3, 2005, the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASD Dispute Resolution. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. SELF-REGULATORY ORGANIZATION'S STATEMENT OF THE TERMS OF SUBSTANCE OF THE PROPOSED RULE CHANGE

NASD is proposing to amend the NASD Code of Arbitration Procedure (“Code”) to reorganize the current rules, simplify the language, codify current practices, and implement several substantive changes. NASD is proposing to reorganize its current dispute resolution rules (Rules 10000 et. seq.) into three separate procedural codes: the NASD Code of Arbitration Procedure for Customer Disputes (“Customer Code”); the NASD Code of Arbitration Procedure for Industry Disputes (“Industry Code”); and the NASD Code of Mediation Procedure (“Mediation Code”). The three new codes will replace the current NASD Code in its entirety. NASD is also proposing to make certain substantive amendments to the Code as described

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

herein. This rule filing contains the proposed Industry Code, the text of which is attached as an exhibit. A chart comparing the current Code and the proposed Industry Code as well as an old-to-new conversion guide will be posted on the NASD's Web site at www.nasd.com.³

II. SELF-REGULATORY ORGANIZATION'S STATEMENT OF THE PURPOSE OF, AND STATUTORY BASIS FOR, THE PROPOSED RULE CHANGE

In its filing with the Commission, NASD has included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

This rule filing is part of a comprehensive plan to reorganize and simplify the NASD Code of Arbitration Procedure. Specifically, NASD is proposing to:

- Reorganize its dispute resolution rules in a more logical, user-friendly way, including creating separate Codes for customer and industry arbitrations, and for mediations;
- Simplify the language and structure of the rules in each of the proposed Codes in a manner consistent with the SEC's plain English initiative; and
- Implement several substantive rule changes to the Industry and Customer Codes, including codifying several common practices, to provide more guidance to

³ For purposes of this filing, the version of the current Code used in the comparison and conversion charts reflects all pending Dispute Resolution rule filings filed with the Commission, except SR-NASD-2004-042 (Foreign Hearing Locations), and all Dispute Resolution rule filings approved by the Commission since the proposed rule change was filed on January 16, 2004.

parties and arbitrators, and to streamline the administration of arbitrations in the NASD forum.

Reorganization

One of the most frequent criticisms of the current Code is that it is poorly organized. Parties, particularly infrequent users of the forum, have difficulty finding the rules they are looking for, because the rules are not presented in a logical order. The confusion is compounded by the fact that certain rules in the Code apply only to customer cases, some apply only to industry cases, and still others apply to both types of disputes. In addition, the current Code contains the NASD mediation rules, despite the fact that many matters are submitted directly to mediation, and do not arise out of an arbitration proceeding.

To address these concerns, NASD is proposing to divide the current Code into three separate Codes: the Customer Code, the Industry Code, and the Mediation Code. This rule filing contains the proposed Industry Code.⁴ NASD believes that maintaining separate Codes will make it easier for parties to find the rules that apply to their disputes, particularly for parties to disputes that are submitted directly to mediation. NASD will maintain electronic versions of each code on its Web site, www.nasd.com, and will make paper copies available upon request.

In keeping with the current NASD rule numbering system, each of the three codes will be numbered in the thousands, and major sections will be numbered in the hundreds. Individual rules within those sections will be numbered in the tens (or ones, if necessary). The current method for numbering and lettering paragraphs within individual rules will remain unchanged. The Customer Code will use the Rule 12000 series, which is currently unused. The Industry Code will use the Rule 13000 series, and the Mediation Code will use the Rule 14000 series,

⁴ The proposed Customer Code and Mediation Code have been filed separately with the Commission as SR-NASD-2003-158 and SR-NASD-2004-013, respectively.

both of which are also currently unused. NASD will reserve the Rule 10000 series, which is currently used for NASD's dispute resolution rules, for future use.

The proposed Industry Code is divided into nine parts, which are intended to approximate the chronological order of a typical arbitration. Specifically, the proposed Industry Code is organized as follows:

- Part I (Rule 13100 et seq.) contains definitions, as well as other rules relating to the organization and authority of the forum;
- Part II (Rule 13200 et seq.) contains general arbitration rules, including what claims are subject to arbitration in the NASD forum;
- Part III (Rule 13300 et seq.) contains rules explaining how to initiate a claim, how to respond to a claim, how to amend claims, and when claims may be combined and separated;
- Part IV (13400 et seq.) contains rules relating to the appointment, authority and removal of arbitrators;
- Part V (Rules 13500 et seq.) contains rules governing the prehearing process, including proposed new rules relating to motions and discovery;
- Part VI (Rules 13600 et seq.) contains rules relating to hearings;
- Part VII (Rules 13700 et seq.) contains rules relating to the dismissal, withdrawal, or settlement of claims;
- Part VIII (Rules 13800 et seq.) contains rules relating to simplified (small cases) arbitrations; default proceedings; statutory employment discrimination claims; and injunctive relief.
- Part IX (Rules 13900 et seq.) contains rules relating to fees and awards.

Relationship Between Proposed Customer and Industry Codes

The proposed Customer Code has been organized in the same manner described above, and with only a few exceptions, the Codes have been numbered so the same rules have the same last three digits in both Codes. For example, proposed Rules 12500 and 13500 govern initial prehearing conferences in the Customer and Industry Codes, respectively. This parallelism is

possible because, in large part, the rules governing the organization of the forum, the procedures for filing and responding to claims, prehearing and hearing procedures, and the settlement or withdrawal of claims, are the same in both Codes.

There are some differences between the two Codes, which fall into two categories. The first category consists of those rules in the current Code that contain different provisions for customer and industry disputes. For example, current Rule 10308, governing arbitrator selection, requires that three-arbitrator panels in customer cases consist of a majority of public arbitrators, while the composition of the panel in industry disputes depends on the nature of the claim. For such rules, the Customer Code version of the panel composition rule (proposed Rule 12402) contains only the provisions that relate to customer disputes, while the Industry Code counterpart (proposed Rule 13402) contains only the provisions that relate to industry cases.

The second category of rules that differ between the proposed Customer and Industry Codes consists of those rules in the current Code that apply only to industry disputes. These rules, which include current Rules 10210 and 10211, governing statutory employment discrimination claims, and current Rule 10335, governing injunctive relief, are included in the proposed Industry Code (proposed Rules 13802-13804), but have no counterpart in the proposed Customer Code.

Although these rules have been rewritten and reorganized in a manner consistent with the proposed Codes, NASD is not proposing any substantive changes to those parts of the current Code that are unique to industry cases.

Plain English

In 1998, the SEC launched an initiative to encourage issuers and self-regulatory organizations (“SROs”) to use “plain English” in disclosure documents and other materials used by investors. At that time, the SEC published a “Plain English Handbook,” to provide guidance

to issuers and SROs in drafting such materials. The Plain English Handbook recommended using shorter, more common words; breaking long rules into shorter ones; using the active voice whenever possible; and using easy-to-read formatting, such as bullet points. In revising the Codes, NASD has implemented these guidelines wherever possible.

Description of Other Changes

NASD is also proposing to make several other changes to the Customer and Industry Codes that are intended to make the NASD arbitration process as simple, uniform and transparent as possible. Some of the proposed changes codify or clarify current NASD practice. Others are substantive changes that are intended to provide guidance to parties, resolve open questions, or streamline or standardize the administration of NASD arbitrations.

The proposed changes are described in detail below. In general, the same substantive changes have been made to both the Customer and Industry Codes. Because this rule filing relates to the proposed Industry Code, it will refer only to the proposed Industry Code rule numbers. However, differences between the Customer and Industry Code versions of the proposed rule changes will be noted.

Agreement of the Parties (Proposed Rule 13105)

Both the current and proposed Codes permit parties to an arbitration to agree to modify certain provisions, such as the number of arbitrators on a panel, or the time to respond to a pleading. Occasionally, all active parties to an arbitration agree to modify a provision, but an inactive party does not respond to notices or participate in the decision. Under a literal reading of the current Code, the active parties to the arbitration would not be able to agree to the modification, even though the inactive party was not participating in the arbitration. This can cause unnecessary delay and frustration for the active parties.

NASD believes that the non-appearance of an inactive party should not prevent active

parties to an arbitration from exercising control over the arbitration process. To address this concern, proposed Rule 13105 would provide that, when the Code allows the parties to an arbitration to modify a provision of the Code, or a decision of the Director or the panel, the agreement of all named parties is required, unless the Director or panel determines that a party is inactive in the arbitration or has failed to respond after adequate notice has been given.

Use of the Forum (Proposed Rule 13203)

Currently, Rule 10301(b) provides that the Director of Arbitration, upon approval of the NAMC or its Executive Committee, may decline the use of the NASD arbitration forum if the “dispute, claim, or controversy is not a proper subject matter for arbitration.”

Occasionally, situations arise in which the Director believes that it is in the best interest of the forum to deny the forum for reasons other than subject matter. For example, the current rule does not specifically permit the Director to deny the forum when NASD has reason to believe that a party would present a security risk to the forum or to other parties. Furthermore, the requirement that the Director must first obtain approval of either the National Arbitration and Mediation Committee (“NAMC”), or its Executive Committee, is burdensome and time-consuming, making it difficult for the Director or the forum to respond appropriately in emergency situations.

To address this concern, proposed Rule 13203(a) would provide that the Director may decline to permit the use of the NASD arbitration forum if the Director determines that, given the purposes of NASD and the intent of the Code, the subject matter of the dispute is inappropriate, or that accepting the matter would pose a risk to the health or safety of arbitrators, NASD staff, or parties or their representatives. The provision requiring approval of the NAMC or its Executive Committee would be deleted. However, to ensure that the authority to deny the forum could not be delegated by the Director, the rule would provide that only the Director or the

President of NASD Dispute Resolution may exercise the Director's authority under the rule. NASD believes that this rule change will give the Director limited, but crucial, flexibility to protect the integrity and the security of the NASD forum.

Shareholder Derivative Actions (Proposed Rule 13205)

Currently, the Code does not specifically address whether shareholder derivative actions may be arbitrated at NASD. Such claims are not eligible for arbitration at NASD because, by definition, they involve corporate governance disputes that do not arise out of or in connection with the business of a member firm or an associated person. Nonetheless, the question arises from time to time, occasionally after a claimant has filed a statement of claim.

Proposed Rule 13205, which is consistent with New York Stock Exchange Rule 600(e), would clarify that shareholder derivative actions are not eligible for arbitration at NASD. NASD believes that the inclusion of this rule would help avoid confusion, provide guidance to parties, and conserve resources expended when parties seek to arbitrate such matters at NASD.

Extensions of Deadlines (Proposed Rule 13207)

Currently, Rule 10314(b)(5) provides that deadlines established by the Code for filing or serving pleadings may be extended by the Director, or with the consent of the initial claimant. This provision does not provide guidance with respect to the extension of other deadlines established by the Code, or by the panel or Director, and can also cause confusion with respect to responsive pleadings filed by the initial claimant. The current rule also provides that extensions of time for filing an answer are disfavored and will only be granted in extraordinary circumstances.

To eliminate confusion, and to provide more comprehensive guidance regarding when and under what circumstances deadlines may be extended, proposed Rule 13207 would provide that the parties may agree in writing to extend or modify any deadline for serving an answer;

returning arbitrator or chairperson lists; responding to motions; or exchanging documents or witness lists. If the parties agree to extend or modify a deadline, the proposed rule would require that they notify the Director of the new deadline in writing. The proposed rule would also provide that the panel may extend or modify any deadline listed above, or any other deadline set by the panel, either on its own initiative or upon motion of a party.

Finally the rule would provide that the Director may extend or modify any deadline or time period (1) set by the Code for good cause, or (2) by the panel in extraordinary circumstances. Although good cause is a lower standard than extraordinary circumstances, which refers to unexpected and uncontrollable events such as weather-related or security emergencies, good cause is not a negligible standard. In the context of the proposed rule, the good cause requirement means that extensions of Code deadlines by the Director are generally disfavored, and that the Director must take into account the effect of the extension on all parties before granting such a request.

Ex Parte Communications (Proposed Rule 13210)

Proposed Rule 13210 would prohibit ex parte communications between parties and arbitrators, except as provided in proposed Rule 13211.⁵ Proposed Rule 13210 is based on general ex parte rules applicable in court proceedings, and reflects current NASD practice. The NASD Arbitrators' Manual and NASD arbitrator training materials direct arbitrators to avoid ex parte communications with parties, and arbitrators receive training on how and why to do so. Materials provided to parties also advise parties to avoid ex parte communications with arbitrators. For example, NASD's 'Top Ten' Standards Of Good Practice At Arbitration

⁵ Proposed Rule 13211 (Rule 10334 in the current Code), allows direct communication between parties and arbitrators subject to certain conditions. These conditions include the representation of parties by counsel, an agreement to use direct communication by all arbitrators and parties, an agreement regarding the scope of the direct communication, and facsimile or e-mail capability by all arbitrators and parties.

Hearings (available on NASD's Web site, www.nasd.com), state that participants in NASD arbitrations "should not engage in conversation with arbitrators in the absence of the other party(ies)."

To provide additional guidance to arbitrators and parties, and to further ensure the integrity of the NASD arbitration process, the revised Code would include proposed Rule 13210 to generally prohibit ex parte communication between parties and arbitrators.

Sanctions (Proposed Rule 13212)

Currently, Rule 10305(b), governing the dismissal of proceedings, provides that the "arbitrators may dismiss a claim, defense, or proceeding with prejudice as a sanction for willful and intentional material failure to comply with an order of the arbitrator(s) if lesser sanctions have proven ineffective." In addition, the NASD Discovery Guide states that "[t]he panel has wide discretion to address noncompliance with discovery orders. For example, the panel may make an adverse inference against a party or assess adjournment fees, forum fees, costs and expenses, and/or attorneys' fees caused by noncompliance."

Proposed Rule 13211 would codify the sanction options available to arbitrators that are described in the Discovery Guide, and extend them beyond the discovery context to apply to non-compliance with any order of the panel or provision of the Code. Finally, the proposed rule would also allow the panel to dismiss a claim under the same conditions as it may currently, although it would use the term "previous" rather than "lesser" sanctions, in order to avoid potential confusion regarding whether a previous sanction was "lesser" or "greater." NASD believes that this rule change will encourage parties to comply with both the Code and with orders of the panel, and will also clarify the authority of arbitrators to ensure the fair and efficient administration of arbitration proceedings when parties fail to do so.

Hearing Location (Proposed Rule 13213)

NASD currently maintains more than 55 designated hearing locations for NASD arbitrations and mediations. Generally, in industry cases involving an associated person and a member, NASD selects the hearing location closest to the associated person's residence at the time the dispute arose. Otherwise, NASD considers a number of factors in selecting the hearing location, including: the parties' signed agreement to arbitrate, if any; which party initiated the transaction or business in issue; and the location of essential witnesses and documents.

To make the arbitration process more transparent, proposed Rule 13212 would codify this practice.⁶ The proposed rule would also clarify that before arbitrator lists are sent to the parties under Rule 13403, the parties may agree in writing to a different hearing location other than the one selected by the Director, and that the Director may change the hearing location upon motion of a party. NASD believes that the proposed rule will provide useful guidance to parties about where their arbitration will take place.

Time to Answer Counterclaims and Cross Claims (Proposed Rules 13304 and 13305)

Currently, Rule 10314 provides that claimants have only 10 days to answer a counterclaim, but a respondent answering a cross claim has 45 to file an answer to the cross claim, even if the respondent has already answered the initial claim. This discrepancy can cause delay in the proceedings. NASD believes that parties who have already filed or served a pleading should have the same amount of time to respond to subsequent pleadings. NASD also believes that 10 days is insufficient, while 45 days is too long. NASD believes that 20 calendar days is the appropriate amount of time for parties to respond to both counter and cross claims.

⁶ The proposed Customer Code also contains a rule codifying NASD's current practice for selecting hearing locations, but that rule (proposed Rule 12213) differs slightly, providing that in customer cases, NASD will generally select the hearing location closest to the customer's residence at the time the dispute arose.

Therefore, proposed Rule 13304 would extend the time that a claimant has to file a response to a counterclaim from 10 to 20 days from receipt of the counterclaim. In addition, proposed Rule 13305 would shorten the time that a respondent has to respond to a cross claim from 45 days to 20 days from the date that the respondent's answer to the statement of claim is due, or from the receipt of the cross claim.

Deficient Claims (Proposed Rule 13307)

Under current NASD practice, if a claimant files a deficient, or incomplete, claim, NASD will notify the claimant, and the claimant is given 30 days to correct the deficiency. If the deficiency is not corrected within that time, the claim is dismissed without prejudice. Reasons for deficiencies include failure to include required information in the statement of claim, failure to pay required fees, and failure to properly execute the NASD Uniform Submission Agreement.

NASD's practice with respect to deficiencies is consistent with the Arbitration Procedures published by the Securities Industry Conference on Arbitration ("SICA"). However, the current Code does not expressly address what constitutes a deficiency, or explain the process for identifying and correcting deficiencies. Proposed Rule 13307 would codify NASD's deficiency practice. Specifically, it would provide that the Director will not serve a deficient, or incomplete, claim, and will enumerate the most common types of deficiencies.⁷ The proposed rule would also provide that Director will notify the claimant in writing if the claim is deficient. If all deficiencies are not corrected within 30 calendar days from the time the claimant receives notice, the Director will close the case without serving the claim, and will not refund any filing fees paid by the claimant. The proposed rule would also make clear that the same standards apply to deficient counterclaims, cross claims and third party claims served directly by parties,

⁷ Proposed Rule 13307 differs slightly from its Customer Code counterpart (Proposed Rule 12307), because the Customer Code version includes failure to identify the customer's residence at the time the dispute arose as a possible deficiency.

and would prohibit arbitrators from considering such claims unless the deficiencies were corrected within the time allowed. NASD believes that including the deficiency standards and practice in the Code will provide useful guidance to parties, and will reduce delay in NASD arbitrations by reducing the number of deficient claims.

Amending Pleadings to Add Parties (Proposed Rule 13309)

Under the current Code, parties may amend their pleadings at any time prior to the appointment of the arbitration panel. After panel appointment, parties must obtain approval of the arbitrators before amending a pleading. If a party is added to an arbitration proceeding before the Director has consolidated the other parties' arbitrator rankings under current Rule 10308, the Director will send the arbitrator lists to the newly-added party, and the newly-added party may participate in the arbitrator selection process. However, if a party amends a pleading to add a new party to the proceeding between the time that the Director consolidates the arbitrator lists and the time the panel is appointed, the newly-added party is not able to participate in the arbitrator selection process, or to object to being added to the arbitration.

To address this issue, which has been the subject of concern among some users of the forum, proposed Rule 13309 would provide that no party may amend a pleading to add a party during the window of time between the date that ranked arbitrator lists are due to the Director and the panel is appointed. Once the panel is appointed, a pleading could not be amended for any reason without approval of the panel. Proposed Rule 13309(c) would also make clear that the party to be added after panel appointment must be given an opportunity to be heard before the panel may grant the motion to amend. This change will ensure that a party added to an arbitration by amendment either will be able to participate in the arbitrator selection process, or will have the opportunity to object to being added to the proceeding.

Time to Answer Amended Pleadings (Proposed Rule 13310)

Currently, Rule 10328 provides that parties have 10 business days to answer an amended pleading. Other rules in the current Code refer to calendar days. In the interest of uniformity, proposed Rule 13100(h) defines the term “day” to mean calendar day. To reflect this definition, proposed Rule 13310 would give parties 20 calendar days, rather than 10 business days, to respond to amended pleadings. Although this represents a slight extension of time, it is consistent with the time to respond to counterclaims and cross claims under proposed Rules 13304 and 13305. Because standardizing time frames is part of NASD’s plain English initiative, NASD believes that 20 calendar days is an appropriate time period for responding to amended pleadings.

Rules Governing Number, Selection and Appointment of Arbitrators

The revised Industry Code contains several amendments to the rules governing the number, selection and appointment of arbitrators.

Number of Arbitrators

Under current Rule 10308(b), if the amount of a claim is \$25,000 or less, the arbitration panel consists of one arbitrator, unless that arbitrator requests a three-arbitrator panel. If the claim is more than \$25,000 but not more than \$50,000, the panel consists of one arbitrator unless either the single arbitrator, or any party in its initial pleading, requests a three-arbitrator panel. Claims of more than \$50,000 are heard by a three-arbitrator panel.

To streamline the administration of smaller claims, and minimize the cost of pursuing small claims, proposed Rule 13401 would eliminate the ability of the single arbitrator to request a three-arbitrator panel for any claim of \$50,000 or less. Parties in cases involving more than \$25,000, but not more than \$50,000, could still request a three-arbitrator panel.

Chairperson Lists

Currently, parties to NASD arbitrations select their arbitrators by a process of striking and ranking arbitrators from lists generated by NASD's Neutral List Selection System ("NLSS"). Once the panel is appointed, the parties jointly select the chairperson from the panel, or, if the parties do not agree, the Director appoints the highest-ranked arbitrator on the panel to serve as chairperson.⁸

Although NASD provides voluntary chairperson training to its arbitrators, arbitrators who serve as chairperson are not currently required to have chairperson training, to have any particular experience, or to meet any other specific criteria beyond the requirements for serving as an arbitrator. Over the years, one of the most frequent suggestions for improving the quality and efficiency of NASD arbitrations is to ensure that chairpersons, who play a vital role in the administration of cases, have some degree of arbitrator experience and training.

NASD agrees that requiring trained and experienced chairpersons would significantly enhance the quality of its arbitration forum. However, NASD also believes that the criteria or training requirements should not prevent arbitrators of any professional or educational background from qualifying to serve as chairpersons of panels.

To address these concerns, the proposed Industry Code would require that NASD create and maintain a roster of arbitrators who are qualified to serve as chairpersons. The parties would select the chairperson from the chair-qualified list in the same manner and at the same time that they select the other members of the panel. In single-arbitrator cases, the arbitrator would be selected from a list of chair-qualified arbitrators, unless the parties agreed otherwise.

⁸ NASD estimates that parties agree on a chairperson only about 20% of the time.

In cases in which the panel consists only of non-public arbitrators, the list of chair-qualified arbitrators would consist of non-public arbitrators. In cases in which the panel consists of a majority of public arbitrators, the chair-qualified list would consist of public arbitrators.⁹

Under proposed Rule 13400, arbitrators would be eligible for the chairperson roster if they have completed chairperson training provided by NASD, or have substantially equivalent training or experience, and either:

- Have a law degree and are a member of a bar of at least one jurisdiction and have served as an arbitrator through award on at least two arbitrations administered by a self-regulatory organization (“SRO”) in which hearings were held; or
- Have served as an arbitrator through award on at least three arbitrations administered by an SRO in which hearings were held.

Substantially equivalent training or experience would include service as a judge or administrative hearing officer, chairperson training offered by another recognized dispute resolution forum, or the like. Decisions regarding whether particular training or experience other than NASD chairperson training qualifies would qualify under this provision would be in the sole discretion of the Director. NASD believes that these criteria strike the appropriate balance between ensuring that arbitrators who serve as chairpersons or single arbitrators have the requisite experience to fairly and efficiently administer their cases, and allowing arbitrators of all professional backgrounds to qualify as chairpersons. Arbitrators who qualify under these criteria will be placed on the chairperson roster only if they agree to serve as chairpersons; otherwise, they will remain on the general arbitrator roster. To avoid duplication of names on the lists sent to parties, arbitrators who are on the chairperson roster will not be on the general arbitrator roster.

⁹ The proposed Customer Code would require that chairpersons in customer cases be public arbitrators unless the parties agree otherwise.

NLSS Changes

The proposed Code would implement several changes to the operation of NLSS. NLSS would generate arbitrator names from the NASD rosters on a random, rather than rotational, basis. This change is primarily driven by computer programming requirements. NASD is currently developing a new computerized case-management system. This change would make the anticipated upgrades to the NLSS component of the new case management system significantly simpler and less expensive to program and implement.

In addition, the proposed Code would eliminate the ability of parties to unilaterally request arbitrators with particular expertise, a practice that is an ongoing source of controversy, as well as burdensome for the NASD staff to administer.

Finally, proposed Rules 13403 and 13404 would expand the number of names of proposed arbitrators provided to the parties to seven names for each arbitrator on the panel, but would limit the number of arbitrators that each party may strike from each list to five. NASD believes that expanding the lists, but limiting the number of strikes each party may exercise, will expedite panel appointment and minimize the likelihood that the Director will have to appoint an arbitrator who was not on the original lists sent to parties. Currently, parties are allowed unlimited strikes, which often results in no arbitrators being left on the consolidated list. In such cases, the administration of the arbitration is delayed, and the Director must appoint arbitrators to fill the panel.

Collectively, NASD believes that these modifications to NLSS would streamline and simplify the arbitrator selection process and enhance the quality of NASD arbitrations.

Appointment of Arbitrators (Proposed Rule 13406)

In the past, questions have occasionally arisen regarding when appointment of arbitrators occurs. To address these questions, proposed Rule 13406 would clarify that appointment of

arbitrators occurs when the Director sends notice to the parties of the names of the arbitrators on the panel. In addition, as part of the chronological reorganization of the Code, the arbitrator oath requirement that is currently in Rule 10327 has been included in proposed Rule 13406.

Arbitrator Recusal (Proposed Rule 13409)

Under current NASD practice, parties may request that arbitrators recuse themselves from the panel at any time. However, the current Code does not address arbitrator recusal. To provide guidance to parties, proposed Rule 13409 would provide that any party may ask arbitrators to recuse themselves from the panel for good cause. The proposed rule would also clarify that requests for arbitrator recusal are decided by the arbitrator who is the subject of the request. Some users of the forum believe that recusal requests should be made to the full panel. Courts have held, however, that recusal decisions are within the discretion of the panel, and therefore, tend to uphold these decisions on appeal.¹⁰ However, the Director may remove arbitrators for cause under proposed Rule 13410 on the same grounds applicable in current Rules 10308(d), 10312(d) and 10313.

Replacement of Arbitrators (Proposed Rule 13411)

Under the current Code, the provisions regarding replacement of arbitrators are contained in Rules 10308(d)(3) and 10313, which contain numerous cross-references to other rules. Proposed Rule 13411 would consolidate the various current rules. The proposed rule would also extend the option of electing to proceed with only the remaining arbitrators to all stages of the proceeding, and eliminate the 5-day limit on electing that option contained in current Rule

10313. NASD believes that parties should have the right to decide jointly to proceed with only the remaining arbitrators regardless of when the replacement occurs, and that the parties should be able to elect that option up until the time the appointment of the replacement arbitrator occurs. Otherwise, proposed Rule 13411 does not contain any substantive changes from the current rules upon which it is based.

Initial Prehearing Conferences (Proposed Rule 13500)

Proposed Rule 13500 would codify the portion of the NASD Discovery Guide relating to initial prehearing conferences (“IPHCs”). Since the adoption of the Discovery Guide in 1999, IPHCs have been standard practice in NASD arbitrations. The IPHC gives the panel and the parties an opportunity to organize the management of the case, set a discovery cut-off date, identify and establish a schedule for potential motions, schedule hearing dates, determine whether mediation is desirable, and resolve many other preliminary issues. Users of the forum have found the IPHC to be a valuable tool in managing the administration of arbitrations. NASD believes that the proposed rule, which provides that an IPHC will be held in every case unless the parties jointly agree on certain scheduling and other enumerated issues in advance, will provide valuable guidance to parties and arbitrators about the role of IPHCs in NASD arbitrations.

Recording Prehearing Conferences (Proposed Rule 13502)

Currently the Code is silent with respect to whether and under what circumstances a prehearing conference will be tape-recorded. Proposed Rule 13502 would provide that prehearing conferences are generally not tape-recorded as a matter of course (with the exception of prehearing conferences to decide dispositive motions, discussed below). However, the rule would permit the panel to decide to tape-record a prehearing conference on its own initiative, or at the request of a party. The rule would also provide that, if the prehearing conference is tape-

recorded, the Director will provide a copy of the tape to any party upon request, for a nominal fee.

The rule does not specify the fee, because the fee may vary slightly depending on the rates charged by NASD's telephone service provider, which normally makes the initial recording of telephonic hearing sessions. The current fee is \$15 per tape. (Because NASD must arrange in advance to have telephonic hearing sessions taped, NASD will instruct arbitrators that they should notify NASD at least 24 hours in advance when they decide that a prehearing conference should be taped.)

Motions (Proposed Rule 13503)

Although motions are increasingly common in arbitration, the current Code does not refer to motions or provide any guidance with respect to motions practice. As a result, motions practice lacks uniformity, and parties and arbitrators alike are often unsure how motions should be made, responded to or decided. To provide guidance to parties and arbitrators, and to standardize motions practice in the NASD forum, proposed Rule 13503 would establish procedures and deadlines for making, responding to and deciding motions.

Some users of the forum have expressed the concern that adopting a motions practice rule will encourage more motions. Although NASD appreciates this concern, NASD believes that motions have already become a routine part of most arbitrations. Therefore, NASD believes that the Code should provide as much guidance about motions as possible to parties, particularly infrequent users of the forum. However, in an effort to deter unnecessary motions, the rule would require that, before making a motion, a party must make an effort to resolve the matter that is the subject of the motion with the other parties. The rule would also require that every motion, whether written or oral, include a description of the efforts made by the moving party to resolve the matter before making the motion.

Another common concern about adopting a motions practice rule is that it will detract from the informal nature of arbitration. To address this concern, the rule would make clear that most motions may be made either orally or in writing, and that written motions need not take any particular form.

Paragraph (c) of the proposed rule would outline who decides what motions. For example, paragraph (c)(1) provides that motions relating to the use of the forum under proposed Rule 13203 and removal of an arbitrator under proposed Rule 13401 are decided by the Director, because these motions are filed and decided before a panel has been appointed. Paragraph (c)(2) would provide that motions relating to combining or separating claims or arbitrations, or changing the hearing location, are decided by the Director before a panel is appointed, and by the panel after the panel is appointed. Paragraph (c)(3) provides that discovery-related motions are decided by one arbitrator, generally the chairperson. This provision reflects that while the chairperson is usually the person to decide such motions, the chairperson may not always be available, and the parties or the Director may decide to refer the matter to one of the other arbitrators. The provision also states that the arbitrator who initially hears a discovery-related motion may refer such motions to the full panel, either at his or her own initiative or at the request of a party. The arbitrator must refer motions relating to issues of privilege to the full panel at the request of a party. Paragraph (c)(4) provides that motions relating to arbitrator recusal are decided by the arbitrator who is the subject of the motion, as provided by proposed Rule 12409. Finally, the rule provides that all other motions not covered in the preceding paragraphs of the rule are decided by the full panel, unless the Code provides or the parties agree otherwise.

Dispositive Motions (Proposed Rule 13504)

Another recurring question in NASD arbitrations is whether, and to what extent, arbitrators have the authority to decide dispositive motions before a hearing on the merits. In its Follow-up Report on Matters Relating to Securities Arbitration, the General Accounting Office (“GAO”) noted that while NASD’s arbitration rules do not specifically provide for dispositive motions, case law generally supports the authority of arbitrators to grant motions to dismiss claims prior to the hearing on the merits.¹¹ Because the Code provides no guidance with respect to this question, arbitrator decisions with respect to it lack uniformity.

Generally, NASD believes that parties have the right to a hearing in arbitration. However, NASD also acknowledges that in certain extraordinary circumstances, it would be unfair to require a party to proceed to a hearing. Specifically, the proposed rule would:

- Provide that, except for motions relating to the eligibility of claims under the Code’s six year time limit, motions that would resolve a claim before a hearing on the merits are discouraged, and may only be granted in extraordinary circumstances;
- Require that a prehearing conference before the full panel must be held to discuss the motion before the panel could grant it; and
- Allow the panel to issue sanctions against a party for making a dispositive motion in bad faith.

NASD believes that this rule proposal, which was developed over several years with input from industry and public members of the NAMC, will provide necessary guidance to parties and arbitrators, and make the administration of arbitrations more uniform and transparent. NASD believes that the rule strikes the appropriate balance between allowing the dismissal of claims in limited, extraordinary circumstances and reinforcing the general principle that parties are entitled to a hearing in arbitration.

Discovery (Proposed Rules 13505 – 13511)

One of the most frequent comments made by users of the NASD forum is that discovery procedures are routinely ignored, resulting in significant delay and the frequent need for arbitrator intervention in the discovery process. To address these concerns, proposed Rules 13505-13511 would expand on the discovery procedures contained in current Rule 10321, with certain substantive changes.¹² The proposed rules would provide more specific guidance about how to make and respond to discovery requests, and would make clear that either producing or objecting to documents requested by parties, is mandatory. The proposed rules also would extend the time parties have to respond to document requests from 30 to 60 days, but would also provide more serious consequences when parties fail to respond, or when parties frivolously object to production of documents or information. In addition, proposed Rule 13511 would codify the sanctions provisions currently contained in the NASD Discovery Guide, clarifying the authority of arbitrators to punish parties for non-compliance with discovery rules or orders of the panel. NASD believes that, collectively, these changes will significantly minimize the number of discovery disputes in NASD arbitrations.

Subpoenas (Proposed Rule 13512)

Current Rule 10322 provides that the arbitrators and any counsel of record to the proceeding shall have the power of the subpoena process as provided by law, and that all parties must be given a copy of a subpoena upon its issuance. The rule also provides that parties shall produce witnesses and present proofs to the fullest extent possible without resort to the subpoena process. Proposed Rule 13512 is substantially identical to the current rule Code, but would also require that if a subpoena is issued, the issuing party must send copies to all other parties at the

¹² These rules differ slightly from their counterparts in the proposed Customer Code (Proposed Rules 12505-12511), because NASD's Document Production Lists do not apply to industry disputes.

same time and in the same manner as the party issued the subpoena. This modification is intended to ensure that parties receive notice of the subpoena in a timely manner.

Exchange of Documents and Witness Lists (Proposed Rule 13514)

Current Rule 10321(d) requires that at least 20 days before a hearing on the merits is scheduled to begin, all parties must exchange copies of all documents in their possession that they intend to present at the hearing, and must identify all witnesses they intend to present at the hearing. As a practical matter, many of the documents will already have been exchanged through discovery. Users of the forum have advised NASD that this rule would be less burdensome, and more useful, if it were amended to require only that parties exchange all documents they intend to use at the hearing that have not previously been exchanged. The proposed rule would also increase the consequences of failing to comply with this requirement. Under the current rule, the panel may exclude evidence not exchanged in a timely manner. Proposed Rule 13514 would create a presumption that parties could not use any documents at the hearing that were not exchanged, or call any witnesses at the hearing who were not identified, within the time provided by the rule, unless the panel determines that good cause exists. The proposed rule specifically provides that good cause includes the need to use documents or call witnesses for rebuttal or impeachment purposes based on developments at the hearing.

Postponements (Proposed Rule 13601)

In the proposed Code, hearing adjournments are referred to as hearing postponements, for plain English purposes. Paragraph (a) of proposed Rule 13601 has been amended to provide that the panel may not grant requests to postpone a hearing that are made within 10 days of a scheduled hearing session unless the panel determines that good cause exists. This provision is intended to reduce the number of last minute requests for postponements, a practice that many users of the forum believe results in unnecessary delay and unfairness to parties.

In paragraph (b) of the proposed rule, the fee would no longer increase for a second or subsequent request by the same party. This change is intended to simplify the rule and to avoid confusion when one party requesting a postponement has made a previous request, but one or more of the other parties requesting the same postponement have not made previous requests.

The proposed rule also gives the panel the authority to allocate the postponement fees among non-requesting parties if the panel determines that the non-requesting party caused or contributed to the need for the postponement.

Withdrawing Claims (Proposed Rule 13702)

The current Code does not contain any guidance with respect to withdrawing claims. This occasionally causes confusion, particularly with respect to the consequences of withdrawing a claim at a particular stage in an arbitration. To provide guidance to parties, proposed Rule 12702 would provide that before a claim has been answered by a party, a claimant may withdraw the claim against that party with or without prejudice. However, after a claim has been answered by a party, a claimant may only withdraw its claim against that party with prejudice, unless the panel decides, or the claimant and that party agree, otherwise. NASD believes that the proposed rule strikes the appropriate balance between allowing claimants to withdraw their claims without prejudice before a respondent has expended significant resources responding to the claim, and protecting the respondent from having to respond to the same claim multiple times.

Simplified Arbitration Rule (Proposed Rule 13800)

The simplified arbitration rule has been significantly shortened. Currently, in addition to the procedures that are unique to simplified arbitrations, Rule 10302 repeats some, but not all, of the general provisions that apply to both regular and simplified cases. The proposed rule includes only those provisions that are unique to simplified cases.

The proposed rule would eliminate the current provisions establishing special time limits or deadlines for pleadings in simplified cases, and the time limits would now be the same as those in regular cases. Frequent users of the forum report that the time limits in simplified cases are routinely extended under the current rule. To provide better guidance to parties, NASD believes that the Code should reflect that, in practice, the time to answer in simplified cases is typically the same as it is in regular cases.

Under proposed Rule 13800, the single arbitrator would be selected from the chairperson roster, unless the parties agree in writing otherwise. The single arbitrator would not be able to request a three-arbitrator panel, and the arbitrator would no longer have the option of dismissing without prejudice a counterclaim or other responsive pleading that increased the amount in dispute above the simplified case threshold. If a pleading increased the amount in dispute above the threshold, the case would be administered under the regular provisions of the Code. If an arbitrator has been appointed, that arbitrator will remain on the panel. If a three-arbitrator panel is required, the remaining arbitrators will be appointed by the Director. The proposed rule would also eliminate the ability of the single arbitrator to require a hearing.

NASD believes that these changes will make the simplified arbitration rule easier for parties to understand, and will also streamline and simplify the administration of small claims in the NASD forum.

Fees (Proposed Rules 13900 – 13903)

One of the most frequent criticisms of the current Code is that the fee schedules are difficult to understand, particularly with respect to what claimants must pay at the time of filing. Currently, claimants must pay a non-refundable filing fee, and an initial hearing session deposit that may be refundable under certain circumstances. In addition, parties also must pay hearing session fees for each hearing session. Although the filing fee and the initial hearing session

deposit are both due upon filing, they are presented in the Code as separate fees, making it hard for some parties to understand the total amount due upon filing. To address this issue, and to make the fee schedules easier to read, the fee schedules have been revised in two significant ways.

First, the filing fee and the hearing session deposit have been combined into one single fee that is paid when a claim is filed. With two exceptions, described below, the amounts paid by claimants would not change. Although what is now the refundable hearing session deposit would no longer be paid separately, an amount equal to the current hearing session deposit or a portion thereof may be refunded if NASD receives notice that the case has been settled no more than 10 calendar days prior to the hearing on the merits. (Under the current Code, the initial hearing session deposit may be refunded if the case is settled 8 days prior to the hearing on the merits; this has been changed to 10 days as part of the overall effort to standardize the time frames used in the Code.) The consolidation of the filing fee and the hearing session deposit is intended to make it easier for claimants to understand how much they have to pay when they file a claim and what, if any, portion of that fee may be refunded.

Second, several sets of brackets in the filing fee schedule would be condensed. Currently, there are 14 separate fee brackets in the customer filing fee schedule. Some of the fees for different brackets are the same; others are separated by amounts ranging from \$25 to \$100. The result is a schedule that is confusing and difficult to read. To simplify the schedule, the fees for claims filed by associated persons would be reorganized as follows: the \$25,000 to \$30,000 bracket (\$600) and the \$30,000 to \$50,000 bracket (\$625) would be combined, and the filing fee for the new bracket would be \$600; and the \$1 million to \$3 million bracket (\$1,700), the \$3 million to \$5 million bracket (\$1,800), the \$5 million to \$10 million bracket (\$1,800) and

the over \$10 million bracket (\$1,800) would be combined, and the filing fee for the new bracket would be \$1,800.

The proposed changes would not result in a change in the total amount of fees paid by associated persons when filing a claim, except that for claims of \$30,000 to \$50,000, the associated person's overall filing fees would decrease by \$25; and for claims of \$1 million to \$3 million, the associated person's overall filing fees would increase by \$100. Corresponding changes would be made to the member filing fee schedule.

NASD believes that these changes will greatly simplify the fee schedule, eliminate three repetitive high-end brackets, and align the brackets in the filing fee schedule with the brackets in the member filing fee and surcharge schedules.

(b) Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that NASD's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that reorganizing and revising its rules relating to industry arbitrations will protect the public interest by making the arbitration process more transparent for parties, providing useful guidance to parties, arbitrators and staff, and helping to standardize and streamline the administration of NASD arbitrations. If the proposed Code is approved, NASD will offer training on the new Code to arbitrators, users of the forum, and staff.

(B) Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

SR-NASD-2004-011: Reorganization and Revision of NASD Rules Relating to Industry Disputes

Appendix A - List of Changes from the Proposed Rule Change to Amendment No. 1

On January 16, 2004, NASD filed a proposed rule change with the Securities and Exchange Commission (SEC) to revise the industry portion of the NASD Code of Arbitration Procedure.¹ On September 17, 2004, NASD Dispute Resolution staff met with SEC staff to discuss the proposed rule change. Based on the discussions at this meeting, NASD Dispute Resolution agreed to amend the proposed rule change. Because of the number of changes being made to the initial filing, Amendment No. 1 ("Amendment") supersedes and replaces the proposed rule change in its entirety. This document lists the changes being made by the Amendment to the proposed rule change.²

- **Notice to Parties.** The last paragraph has been reworded to simplify the language, so that it is consistent with the "plain English" standard used in the proposed Industry Code.
- **Rules 13102(a) and (b) (National Arbitration and Mediation Committee).** A reference to the Delegation Plan is added to incorporate the authority and responsibilities of the Committee into the rule.
- **Rule 13103(b) (Director of Dispute Resolution).** The language has been changed describe more clearly the relationship between the Director and the Committee.
- **Rule 13104(b) (Effect of Arbitration on NASD Regulatory Activities).** The language has been modified to clarify that any arbitrator referrals for disciplinary investigation may be made only at the conclusion of the arbitration.
- **Rule 13203(a) (Denial of NASD Forum and Referral to Other Forums).** The language has been changed to specify under what circumstances the Director may deny access to the forum.
- **Rule 13207(c) (Extension of Deadlines).** The language has been changed to clarify that the Director also may extend or modify any deadlines set by the panel.

¹ See File No. SR-NASD-2004-011.

² Unless otherwise noted, corresponding changes have been made to the chart comparing the current Code to the proposed Industry Code.

- **Rule 13211 (Direct Communication Between Parties and Arbitrators).**

On June 30, 2004, the SEC approved a proposed rule change to permit parties in an arbitration to communicate directly with the arbitrators if all parties and arbitrators agree, and to establish guidelines for such direct communication.³ Thus, the approved rule language has been included in this Amendment. The remaining rules in this section have been re-numbered.

- **Rules 13302(a) (Filing an Initial Statement of Claim) and (b) (Number of Copies).** On June 16, 2004, the SEC approved a proposed rule change to allow parties to complete part of the arbitration claim filing process through the Internet.⁴ Thus, the approved rule language has been included in this Amendment.

- **Rule 13312(b) (Multiple Claimants).** The language has been changed to clarify when the Director may separate claims into two or more arbitrations.

- **Rule 13313(b) (Multiple Respondents).** The language has been changed to clarify when the Director may separate claims into two or more arbitrations.

- **Rule 13407(b) (Additional Parties).** The rule has been modified to clarify how a new party may be added to the arbitration, and to explain the rights of the party to be added under the rule.

- **Rule 13410(a)(1) (Before First Hearing Session Begins).** The rule has been modified to clarify that an arbitrator will be removed for having an interest in the outcome of the arbitration that is either direct or indirect.

- **Rule 13509(b) (Motions to Compel Discovery).** The rule has been modified to require motions to compel discovery to include the disputed document request, a copy of any objection thereto, and a description of the efforts of the moving party to resolve the issue before making the motion.

- **Rule 13600(b) (Required Hearings).** The rule has been modified to specify when the panel will decide the time and date of the hearing.

- **Rule 13603 (Failure to Appear).** The rule has been modified to clarify that the panel determines whether the hearing may proceed in the event a party fails to appear.

- **Rule 13800(b) (Single Arbitrator).** The rule has been modified to give the parties the option of selecting a non-public arbitrator to decide the arbitration.

³ See Securities Exchange Act Rel. No. 34-49950, 69 FR 41321 (June 30, 2004).

⁴ See Securities Exchange Act Rel. No. 34-49876, 69 FR 35090 (June 16, 2004).

- **Rule 13803(g) (Definition of Related Claim).** The rule has been renumbered as Rule 13100(s).
- **Rules 13900(a), (b), and (c) (Fees Due When a Claim is Filed).** The rules have been modified to reinstate the \$.01-\$1,000 bracket for filing fees.
- **Rule 13901(b) (Member Surcharge).** The rule has been modified to clarify the minimum surcharge amount that the Director may assess.
- **Rule 13902(d) (Assessment of Hearing Session Fees, Costs, and Expenses in Case of Settlement or Withdrawal).** The second bullet has been modified to clarify when NASD must receive notice of settlement or withdrawal for the parties to be entitled to a refund. The third bullet has been modified to clarify that Rule 13701(b) applies to withdrawn cases as well.
- **Rule 13904(f) (Awards).** The rule has been modified to allow a panel to include in the award a rationale underlying the award. As a result of this new language, the subsequent provisions were re-lettered.

Other technical changes were made to the proposed Code to correct typographical errors, other nonsubstantive errors, and redundant references. For example, the word “calendar” was removed, where appropriate, because the term “day” is defined as calendar day. Also, references to “deposits” or “hearing session deposits” were removed because the proposed Code requires that one filing fee be submitted when a claim is filed; a hearing session deposit is no longer required.

13101. Applicability of Code and Incorporation by Reference

(a) Applicability of Code

[This] The Code applies to any dispute [between a customer and a member or associated person of a member] that is submitted to arbitration under the [c]Code pursuant to Rules 13200, 13201, or 13202.

(b) Incorporation by Reference

When a dispute is submitted to arbitration under [this] the Code pursuant to an arbitration agreement, the Code is incorporated by reference into the agreement.

13102. National Arbitration and Mediation Committee

(a) Pursuant to Part V(C)(1)(b) of the Plan of Allocation and Delegation of Functions by NASD to Subsidiaries (“Delegation Plan”), [T]the Board shall appoint a National Arbitration and Mediation Committee (“NAMC”).

(1) The NAMC shall consist of no fewer than ten and no more than 25 members. At least 50 percent of the NAMC shall be Non-Industry members.

(2) The Chairperson of the Board shall name the chairperson of the NAMC.

(b) Pursuant to the Delegation Plan, [T]the NAMC shall have the authority to recommend rules, regulations, procedures and amendments relating to arbitration, mediation, and other dispute resolution matters to the Board. All matters recommended by the NAMC to the Board must have been approved by a majority of the NAMC members present and voting. The NAMC has such other power and authority as is necessary to carry out the purposes of [this] the Code.

(c) The NAMC may meet as frequently as necessary, but must meet at least once a year.

13103. Director of Dispute Resolution

(a) The Board shall appoint a Director of Dispute Resolution. The Director shall perform all the administrative duties relating to arbitrations submitted under [this] the Code. The Director may delegate his or her duties when it is appropriate, unless the Code provides otherwise.

(b) The Director shall [report to] consult with the NAMC at the NAMC’s request.

(c) The President of NASD Dispute Resolution may perform the Director’s duties. If the Director is unable to perform his or her duties, the President of NASD Dispute Resolution may appoint an interim Director.

13104. Effect of Arbitration on NASD Regulatory Activities

(a) Submitting a dispute to arbitration under [this] the Code does not limit or preclude any right, action or determination by NASD that it would otherwise be authorized to adopt, administer or enforce.

(b) Only [At] at the conclusion of an arbitration, any arbitrator may refer to NASD for disciplinary investigation any matter that has come to the arbitrator's attention during and in connection with the arbitration, either from the record of the proceeding or from material or communications related to the arbitration, which the arbitrator has reason to believe may constitute[s] a violation of NASD's rules, the federal securities laws, or other applicable rules or laws.

13105. Agreement of the Parties

(a) Except as provided in paragraph (b), if the Code provides that the parties may agree to modify a provision of the Code, or a decision of the Director or the panel, the written agreement of all named parties is required.

(b) If the Director or the panel determines that a named party is inactive in the arbitration, or has failed to respond after adequate notice has been given, the Director or the panel may determine that the written agreement of that party is not required while the party is inactive or not responsive.

PART II GENERAL ARBITRATION RULES

13200. Required Arbitration

(a) Generally

Except as otherwise provided in the Code, a dispute must be arbitrated under the Code if the dispute arises out of the business activities of a member or an associated person and is between or among:

- Members;
- Members and Associated Persons; or
- Associated persons.

(b) Insurance Activities

Disputes arising out of the insurance business activities of a member that is also an insurance company are not required to be arbitrated under the Code.

13201. Statutory Employment Discrimination Claims

A claim alleging employment discrimination, including sexual harassment, in violation of a statute, is not required to be arbitrated under the Code. Such a claim may be arbitrated only if the parties have agreed to arbitrate it, either before or after the dispute arose. If the parties agree to arbitrate such a claim, the claim will be administered under Rule 13802.

13202. Claims Involving Registered Clearing Agencies

If a registered clearing agency has entered into an agreement to use NASD's arbitration facilities and procedures, any dispute, claim or controversy involving that registered clearing agency, or participants, pledges or other persons using the facilities of the registered clearing agency will be arbitrated in accordance with such agreement and the rules of the registered clearing agency.

13203. Denial of NASD Forum and Referral to Other Forums

(a) The Director may decline to permit the use of the NASD arbitration forum if the Director determines that, given the purposes of NASD and the intent of the Code, the subject matter of the dispute is inappropriate, or that accepting the matter would pose a risk to the health or safety of arbitrators, staff, or parties or their representatives. [for other reasons if extraordinary circumstances exist.] Only the Director or the President of NASD Dispute Resolution may exercise the Director's authority under this [R]rule.

(b) Disputes that arise out of transactions in a readily identifiable market may be referred to the arbitration forum for that market, if the claimant agrees.

13204. Class Action Claims

(a) Class action claims may not be arbitrated under [this] the Code.

(b) No claim that is included in a court-certified class action or a putative class action, or that is ordered by a court for class-wide arbitration at a forum not sponsored by a self-regulatory organization, will be arbitrated under [this] the Code, unless the party bringing the claim shows that it is not participating in the class action, or has withdrawn from the class according to conditions set by the court, if any.

(c) The Director will refer to a panel any dispute as to whether a claim is part of a class action, unless a party asks the court hearing the class action to resolve the dispute within 10 [calendar] days of receiving notice that the Director [is referring] has decided to refer the dispute to a panel.

(d) A member or associated person may not enforce any arbitration agreement against a member of a certified or putative class action with respect to any claim that is the subject of the certified or putative class action until:

- The class certification is denied;
- The class is decertified;
- The member of the certified or putative class is excluded from the class by the court; or
- The member of the certified or putative class elects not to participate in the class or withdraws from the class according to conditions set by the court, if any.

This paragraph does not otherwise affect the enforceability of any rights under [this] the Code or any other agreement.

13205. Shareholder Derivative Actions

Shareholder derivative actions may not be arbitrated under [this] the Code.

13206. Time Limits

(a) Time Limitation on Submission of Claims

No claim shall be eligible for submission to arbitration under [this] the Code where [6] six years have elapsed from the occurrence or event giving rise to the claim. The panel will resolve any questions regarding the eligibility of a claim under this [R]rule.

(b) Dismissal under Rule

Dismissal of a claim under this [R]rule does not prohibit a party from pursuing the claim in court. By filing a motion to dismiss a claim under this [R]rule, the moving party agrees that if the panel dismisses a claim under [the] this [R]rule, the non-moving party may withdraw any remaining related claims without prejudice and may pursue all of the claims in court.

(c) Effect of Rule on Time Limits for Filing Claim in Court

The [R]rule does not extend applicable statutes of limitations. However, where permitted by applicable law, when a claimant files a statement of claim in arbitration, any time limits for the filing of the claim in court will be tolled while NASD retains jurisdiction of the claim.

(d) Effect of Filing a Claim in Court on Time Limits for Filing in Arbitration

If a party submits a claim to a court of competent jurisdiction, the [6] six-year time limitation will not run while the court retains jurisdiction of the claim matter.

13207. Extension of Deadlines

(a) The parties may agree in writing to extend or modify any deadline for:

- Serving an answer;
- Returning arbitrator or chairperson lists;
- Responding to motions; or
- Exchanging documents or witness lists.

If the parties agree to extend or modify a deadline under this [R]rule, they must notify the Director of the new deadline in writing.

(b) The panel may extend or modify any deadline listed in paragraph (a), or any other deadline set by the panel, either on its own initiative or upon motion of a party.

(c) The Director may extend or modify any deadline or time period set by the Code for good cause. The Director may also extend or modify any deadline or time period set [or] by the panel in extraordinary circumstances.

13208. Representation of Parties

All parties have the right to be represented by counsel during any stage of an arbitration.

13209. Legal Proceedings

During an arbitration, no party may bring any suit, legal action, or proceeding against any other party that concerns or that would resolve any of the matters raised in the arbitration, except as otherwise provided by the Code [or by applicable law].

13210. Ex Parte Communications

(a) Except as provided in Rule 13211, [N]no party, or anyone acting on behalf of a party, may communicate with any arbitrator outside of a scheduled hearing or conference regarding an arbitration unless all parties or their representatives are present.

(b) No party, or anyone acting on behalf of a party, may send or give any written motion, request, submission or other materials directly to any arbitrator, unless the arbitrators and the parties agree, or the Code provides otherwise.

13211. Direct Communication Between Parties and Arbitrators

(a) This rule provides procedures under which parties and arbitrators may communicate directly.

(b) Only parties that are represented by counsel may use direct communication under this rule. If, during the proceeding, a party chooses to appear *pro se* (without counsel), this rule shall no longer apply.

(c) All arbitrators and all parties must agree to the use of direct communication during the Initial Prehearing Conference or a later conference or hearing before it can be used.

(d) Parties may send the arbitrators only items that are listed in an order.

(e) Parties may send items by regular mail, overnight courier, facsimile, or email. All the arbitrators and parties must have facsimile or email capability before such a delivery method may be used.

(f) Copies of all materials sent to arbitrators must also be sent at the same time and in the same manner to all parties and the Director. Materials that exceed 15 pages, however, shall be sent to the Director only by regular mail or overnight courier.

(g) The Director must receive copies of any orders and decisions made as a result of direct communications among the parties and the arbitrators.

(h) Parties may not communicate orally with any of the arbitrators outside the presence of all parties.

(i) Any party or arbitrator may terminate the direct communication order at any time, after giving written notice to the other arbitrators and the parties.

[13211.] 13212. Sanctions

(a) The panel may sanction a party [or a party's representative] for failure to comply with any provision in the Code, or any order of the panel or single arbitrator authorized to act on behalf of the panel. Unless prohibited by applicable law, sanctions may include, but are not limited to:

- Assessing monetary penalties payable to one or more parties;
- Precluding a party from presenting evidence;
- Making an adverse inference against a party;
- Assessing postponement and/or forum fees; and

- Assessing attorneys' fees, costs and expenses.

(b) The panel may initiate a disciplinary referral at the conclusion of an arbitration.

(c) The panel may dismiss a claim, defense or arbitration with prejudice as a sanction for material and intentional failure to comply with an order of the panel if prior warnings or sanctions have proven ineffective.

[13212.] 13213. Hearing Locations

(a) The Director will decide which of NASD's hearing locations will be the hearing location for the arbitration. In cases involving an associated person, the Director will generally select the hearing location closest to where the associated person was employed at the time of the dispute. In cases involving members only or more than one associated person, the Director will consider a variety of factors, including:

- The parties' signed agreement to arbitrate, if any;
- Which party initiated the transaction or business in issue; and[,]
- The location of essential witnesses and documents.

(b) Before arbitrator lists are sent to the parties under Rule 13403, the parties may agree in writing to a hearing location other than the one selected by the Director.

(c) The Director may change the hearing location upon motion of a party, as set forth in Rule 13503.

[13213.] 13214. Payment of Arbitrators

Except as provided in Rule 13800, NASD will pay the panel an honorarium, as follows:

- \$200 to each arbitrator for each hearing session in which he or she participates; and
- An additional \$75 per day to the chairperson for each hearing on the merits.

PART III INITIATING AND RESPONDING TO CLAIMS

13300. Filing and Serving Documents

(a) Initial statements of claim must be filed with the Director, with enough copies for each other party and each arbitrator. The number of arbitrators is determined in accordance with Rule 13401. The Director will serve the statement of claim on the other parties, and send copies of the statement of claim to each arbitrator.

(b) The parties must serve all other pleadings and other documents directly on each other party. Parties must serve all pleadings on all parties at the same time and in the same manner, unless the parties agree otherwise.

(c) Unless the Code provides otherwise, parties must also file all pleadings and other documents with the Director, with additional copies for each arbitrator. Pleadings and other documents must be filed with the Director at the same time and in the same manner in which they are served on the other parties. Parties filing pleadings and other documents with the Director must include a certificate of service stating the names of the parties served, the date and method of service, and the address(es) to which service was made.

(d) Pleadings and other documents may be filed and served by: first class mail; overnight mail or delivery service; hand delivery; facsimile; or any other method, including electronic mail, that is approved or required by the panel.

(e) Filing and service are accomplished on the date of mailing either by first-class postage prepaid mail or overnight mail service, or, in the case of other means of service, on the date of delivery. Whenever pleadings and other documents must be filed with the Director and served on the other parties, filing and service must occur on the same day and in the same manner, unless the parties agree or the panel directs otherwise.

(f) A party must inform the Director and all other parties in writing of any change of address during an arbitration.

13301. Service on Persons Currently Associated with a Member

If a member and a person currently associated with the member are named as respondents to the same arbitration, service on the person associated with the member may be made on the member[,] or directly on the associated person. If service is made on the member, the member must serve the associated person, even if the member will not be representing the associated person in the arbitration. If the member is not representing the associated person in the arbitration, the member must notify, and provide the associated person's current address to, all parties and the Director.

13302. Filing an Initial Statement of Claim

(a) Filing Claim with the Director

(1) To initiate an arbitration, a claimant must file the following with the Director:

- Signed and dated Uniform Submission Agreement; and

- A statement of claim specifying the relevant facts and remedies requested.

The claimant may include any additional documents supporting the statement of claim.

(2) A claimant may use the online claim notification and filing procedure to complete part of the arbitration claim filing process through the Internet. To commence this process, a claimant may complete a Claim Information Form that can be accessed through www.nasd.com. In completing the Claim Information Form, the claimant may attach an electronic version of the statement of claim to the form, provided it does not exceed 50 pages. Once this online form has been completed, an NASD Dispute Resolution Tracking Form will be generated and displayed for the claimant to reproduce as necessary. The claimant shall then file with the Director the rest of the materials required in subparagraph (1) of the rule, along with a hard copy of the NASD Dispute Resolution Tracking Form.

(b) Number of Copies

The claimant must file enough copies of the statement of claim, if it has not been submitted electronically, and the signed Uniform Submission Agreement, and any additional materials, for the Director, each arbitrator and each other party.

(c) Fees

At the time the statement of claim is filed, the claimant must pay all required filing fees, [and deposits.]

(d) Service by Director

Unless the statement of claim is deficient under Rule 13307, the Director will send a copy of the Uniform Submission Agreement, the statement of claim, and any additional materials filed by the claimant, to each other party, and to each arbitrator once the panel has been appointed.

13303. Answering the Statement of Claim

(a) Respondent(s) must directly serve each other party with the following documents within 45 [calendar] days of receipt of the statement of claim:

- Signed and dated Uniform Submission Agreement; and
- An answer specifying the relevant facts and available defenses to the statement of claim.

The respondent may include any additional documents supporting the answer to the statement of claim. Parties that fail to answer in the time provided may be subject to default proceedings under Rule 13801.

(b) The answer to the statement of claim may include any counterclaims against the claimant, cross claims against other respondents, or third party claims, specifying all relevant facts and remedies requested, as well as any additional documents supporting such claim. When serving a third party claim, the respondent must provide each new respondent with copies of all documents previously served by any party, or sent to the parties by the Director.

(c) At the same time that the answer to the statement of claim is served on the other parties, the respondent must file copies of the Uniform Submission Agreement, the answer to the statement of claim, and any additional documents, with the Director, with enough copies for the Director and each arbitrator.

(d) If the answer to the statement of claim contains any counterclaims, cross claims or third party claims, the respondent must pay all required filing fees, [and deposits.]

13304. Answering Counterclaims

(a) A claimant must directly serve any answer to a counterclaim on each other party within 20 [calendar] days of receipt of the counterclaim. At the same time, the claimant must file the answer to the counterclaim with the Director with additional copies for each arbitrator.

(b) The answer must include the relevant facts and available defenses to the counterclaim. The claimant may include any additional documents supporting the answer to the counterclaim.

13305. Answering Cross Claims

(a) A respondent must directly serve an answer to a cross claim on each other party within 20 [calendar] days from the date that the respondent's answer to the statement of claim is due, or from the receipt of the cross claim, whichever is later. At the same time, the respondent must file the answer to the cross claim with the Director with additional copies for each arbitrator.

(b) The answer must include the relevant facts and available defenses to the cross claim. The respondent may include any additional documents supporting the answer to the cross claim.

13306. Answering Third Party Claims

(a) A party responding to a third party claim must directly serve all other parties with the following documents within 45 [calendar] days of receipt of the third party claim:

- Signed and dated Uniform Submission Agreement; and
- An answer specifying the relevant facts and available defenses to the third party claim.

The respondent may include any additional documents supporting the answer to the third party claim.

(b) The answer to the third party claim may also include any counterclaims, cross claims, or third party claims, specifying all relevant facts and remedies requested. The answer may also include any additional documents supporting such claim. When serving a third party claim, the

respondent must provide each new respondent with copies of all documents previously served by any party, or sent to the parties by the Director.

(c) At the same time that the answer to the third party claim is served on the other parties, the third party respondent must also file copies of the Uniform Submission Agreement, the answer to the third party claim, and any additional documents, with the Director, with additional copies for each arbitrator.

(d) If the answer to the third party claim contains any counterclaim, cross claim or third party claim, the party must also pay all required filing fees_ [and deposits.]

13307. Deficient Claims

(a) The Director will not serve any claim that is deficient. The reasons a claim may be deficient include the following:

- A Uniform Submission Agreement was not filed by each claimant;
- The Uniform Submission Agreement was not properly signed and dated;
- The Uniform Submission Agreement does not name all parties named in the claim;
- The claimant did not file the correct number of copies of the Uniform Submission Agreement, statement of claim or supporting documents for service on respondents and for the arbitrators;
- The claim does not specify the claimant's or the claimant's representative's current address; or
- The claimant did not pay all required filing fees[and deposits], unless the Director deferred the fees.

(b) The Director will notify the claimant in writing if the claim is deficient. If all deficiencies are not corrected within 30 [calendar] days from the time the claimant receives notice, the Director will close the case without serving the claim, and will not refund any filing fees [or deposits] paid by the claimant.

(c) The panel will not consider any counterclaim, cross claim or third party claim that is deficient. The reasons a counterclaim, cross claim or third party claim may be deficient include the reasons listed in paragraph (a). The Director will notify the party making the counterclaim, cross claim or third party claim of the any deficiencies in writing. If all deficiencies are not corrected within 30 [calendar] days from the time the party making the counterclaim, cross claim or third party claim receives notice of the deficiency, the panel will proceed with the arbitration as though the deficient counterclaim, cross claim or third party claim had not been made.

13308. Loss of Defenses Due to Untimely or Incomplete Answer

(a) If a party fails to answer any claim within the time period specified in the Code, the panel may, upon motion, bar that party from presenting any defenses or facts at the hearing,

unless the time to answer was extended in accordance with the Code. The party may also be subject to default proceedings under Rule 13801.

(b) If a party answers a claim that alleges specific facts and contentions with a general denial, or fails to include defenses or relevant facts in its answer that were known to it at the time the answer was filed, the panel may bar that party from presenting the omitted defenses or facts at the hearing.

13309. Amending Pleadings

(a) Before Panel Appointment

Except as provided in paragraph (c), a party may amend a pleading at any time before the panel has been appointed.

(1) To amend a statement of claim that has been filed but not yet served by the Director, the claimant must file the amended claim with the Director, with additional copies for each arbitrator and each other party. The Director will then serve the amended claim in accordance with Rule 13301.

(2) To amend any other pleading, a party must serve the amended pleading on each party. At the same time, the party must file the amended pleading with the Director, with additional copies for each arbitrator. If a pleading is amended to add a party to the arbitration, the party amending the pleading must provide each new party with copies of all documents previously served by any party, or sent to the parties by the Director.

(b) After Panel Appointment

Once a panel has been appointed, a party may only amend a pleading if the panel grants a motion to amend in accordance with Rule 13503. Motions to amend a pleading must include a copy of the proposed amended pleading. If the panel grants the motion to amend, the amended pleading does not need to be re-served on the other parties, the Director, or the panel, unless the panel determines otherwise.

(c) Amendments to Add Parties

Once the ranked arbitrator lists are due to the Director under Rule 13404(c), no party may amend a pleading to add a new party to the arbitration until a panel has been appointed and the panel grants a motion to add the party. Motions to add a party after panel appointment must be served on all parties, including the party to be added, and the party to be added may respond to the motion in accordance with Rule 13503 without waiving any rights or objections under the Code.

13310. Answering Amended Claims

(a) If a claim is amended before it has been answered, the respondent's original time to answer is extended by 20 [calendar] days.

(b) If a claim is amended after it has been answered, but before a panel has been appointed, the respondent has 20 [calendar] days from the time the amended claim is served to serve an amended answer.

(c) If a claim is amended after a panel has been appointed, the respondent has 20 [calendar] days from the time the respondent receives notice that the panel has granted the motion to amend the claim to serve an amended answer.

(d) The amended answer must be directly served on each other party. At the same time, the amended answer must also be filed with the Director, with additional copies for each arbitrator.

(e) If the amended claim adds a new party to the arbitration, the new party's answer is governed by Rule 13306.

13311. Amendments to Amount in Dispute

If an amended pleading increases the amount in dispute, all filing fees, [hearing session deposits,] surcharges and process fees required by the Code will be recalculated based on the new amount in dispute.

13312. Multiple Claimants

(a) One or more parties may join multiple claims together if the claims contain common questions of law or fact and:

- The claims assert any right to relief jointly and severally; or
- The claims arise out of the same transaction or occurrence, or series of transactions or occurrences.

(b) After all responsive pleadings have been served, [the Director or the panel may separate] claims joined together under paragraph (a) of this [R]rule may be separated into two or more arbitrations by the Director before a panel is appointed, or by the panel after the panel is appointed.

13313. Multiple Respondents

(a) One or more parties may name one or more respondents in the same arbitration if the claims contain[s] any questions of law or fact common to all respondents and:

- The claims are asserted against the respondents jointly and severally; or
- The claims arise out of the same transaction or occurrence, or series of transactions or occurrences.

(b) After all responsive pleadings have been served, [the Director or the panel may separate] claims joined together under paragraph (a) of this [R]rule may be separated into two or more arbitrations by the Director before a panel is appointed, or by the panel after the panel is appointed.

13314. Combining Claims

Before ranked arbitrator lists are due to the Director under Rule 13404(c), the Director may combine separate but related claims into one arbitration. Once a panel has been appointed, the panel may reconsider the Director's decision upon motion of a party.

PART IV APPOINTMENT, DISQUALIFICATION, AND AUTHORITY OF ARBITRATORS

13400. Neutral List Selection System and Arbitrator Rosters

(a) Neutral List Selection System

The Neutral List Selection System is a computer system that generates, on a random basis, lists of arbitrators from NASD's rosters of arbitrators for the selected hearing location for each proceeding. The parties will select their panel through a process of striking and ranking the arbitrators on lists generated by the Neutral List Selection System.

(b) Arbitrators Rosters

NASD maintains the following roster of arbitrators:

- A roster of non-public arbitrators as defined in Rule 13100(n);
- A roster of public arbitrators as defined in Rule 13100[](r); and
- A roster of arbitrators who are eligible to serve as chairperson of a panel as described in paragraph (c).

(c) Eligibility for Chairperson Roster

Arbitrators are eligible to serve as chairperson of panels submitted for arbitration under the Code if they have completed chairperson training provided by NASD or have substantially equivalent training or experience and:

- Have a law degree and [be] are a member of a bar of at least one jurisdiction and have served as an arbitrator through award on at least [2] two arbitrations administered by a self-regulatory organization in which hearings were held; or
- Have served as an arbitrator through award on at least [3] three arbitrations administered by a self-regulatory organization in which hearings were held.

13401. Number of Arbitrators

(a) Claims of \$25,000 or Less

If the amount of a claim is \$25,000 or less, exclusive of interest and expenses, the panel will consist of one arbitrator and the claim is subject to the simplified arbitration procedures under Rule 13800.

(b) Claims of More Than \$25,000 Up To \$50,000

If the amount of a claim is more than \$25,000 but not more than \$50,000, exclusive of interest and expenses, the panel will consist of one arbitrator unless any party requests a panel of three arbitrators.

(c) Claims of More Than \$50,000; Unspecified or Non-Monetary Claims

If the amount of a claim is more than \$50,000, exclusive of interest and expenses, or is unspecified, or if the claim does not request money damages, the panel will consist of three arbitrators, unless the parties agree in writing to one arbitrator.

13402. Composition of Arbitration Panels in Cases Not Involving a Statutory Discrimination Claim

For disputes involving statutory employment discrimination claims, see Rule 13802.

(a) Disputes Between Members, or Employment Disputes Between or Among Member Firms and Associated Persons Relating Exclusively To Employment Contracts, Promissory Notes, or Receipt of Commissions

- If the panel consists of one arbitrator, the arbitrator will be a non-public arbitrator selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.
- If the panel consists of three arbitrators, all will be non-public arbitrators. One of the arbitrators will be selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.

(b) Other Disputes Between or Among Members and Associated Persons

- If the panel consists of one arbitrator, the arbitrator will be a public arbitrator selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.
- If the panel consists of three arbitrators, one will be a non-public arbitrator and two will be public arbitrators. One of the public arbitrators will be selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.

13403. Generating and Sending Lists to the Parties

For disputes involving statutory employment discrimination claims, see Rule 13802.

(a) Disputes Between or Among Members, or Employment Disputes Between or Among Member Firms and Associated Persons Relating Exclusively To Employment Contracts, Promissory Notes, or Receipt of Commissions

(1) If the panel consists of one arbitrator, the Neutral List Selection System will generate a list of [7] seven non-public arbitrators from the NASD's chairperson roster.

(2) If the panel consists of three non-public arbitrators, the Neutral List Selection System will generate:

- A list of 14 arbitrators from the NASD's non-public roster; and

- A list of [7] seven non-public arbitrators from the NASD's chairperson roster.

(b) Other Disputes Between or Among Members and Associated Persons

(1) If the panel consists of one arbitrator, the Neutral List Selection System will generate a list of [7] seven public arbitrators from NASD's chairperson roster.

(2) If the panel consists of three arbitrators, the Neutral List Selection System will generate:

- A list of [7] seven arbitrators from the NASD's non-public arbitrator roster;
- A list of [7] seven arbitrators from the NASD's public arbitrator roster; and
- A list of [7] seven public arbitrators from the NASD's chairperson roster.

(c) Sending Lists to Parties

(1) The Director will send the lists generated by the Neutral List Selection System to all parties at the same time, within approximately 30 days after the last answer is due. The parties will also receive employment history for the past ten years and other background information for each arbitrator listed.

(2) If a party requests additional information about an arbitrator, the Director will request the additional information from the arbitrator, and will send any response to all of the parties at the same time. When a party requests additional information, the Director may, but is not required to, toll the time for parties to return the ranked lists under Rule 13404(c).

13404. Striking and Ranking Arbitrators

(a) Each separately represented party may strike up to five [5] of the arbitrators from each list for any reason by crossing through the names of the arbitrators. Two names must remain on each list.

(b) Each separately represented party shall rank all remaining arbitrators on the lists in order of preference, with a "1" indicating the party's first choice, a "2" indicating the party's second choice, and so on. Each list of arbitrators must be ranked separately.

(c) The ranked lists must be returned to the Director no more than 20 [calendar] days after the date upon which the Director sent the lists to the parties. If the Director does not receive a party's ranked lists within that time, the Director will proceed as though the party did not want to strike any arbitrator[,] or have any preferences among the listed arbitrators.

13405. Combining Lists

For each arbitrator classification[,], (public, non-public, and chairperson), the Director will prepare combined ranked lists of arbitrators based on the parties' numerical rankings, as follows:

- The Director will add the rankings of all claimants together, and the rankings of all respondents together, to produce separate combined ranked lists for the claimants and the respondents.
- The Director will then add the combined rankings of claimants and the respondents together, to produce a single combined ranking number for each arbitrator, excluding all arbitrators stricken by a party.
- The Director will create separate combined ranked lists for each arbitrator classification in cases with both public and non-public arbitrators.

13406. Appointment of Arbitrators; Discretion to Appoint Arbitrators Not on List

For disputes involving statutory employment discrimination claims, see Rule 13802.

(a) Disputes Between Members, or Employment Disputes Between or Among Member Firms and Associated Persons Relating Exclusively To Employment Contracts, Promissory Notes, or Receipt of Commissions

(1) If the panel consists of one arbitrator, the Director will appoint the highest-ranked available arbitrator from the combined non-public chairperson list.

(2) If the panel consists of three arbitrators, the Director will appoint a three-arbitrator panel consisting of:

- The [2] two highest-ranked available arbitrators from the combined non-public arbitrator list; and
- The highest-ranked available arbitrator from the combined non-public chairperson list, who will serve as chairperson of the panel.

(b) Other Disputes Between or Among Members and Associated Persons

(1) If the panel consists of one arbitrator, the Director will appoint the highest-ranked available arbitrator from the combined public chairperson list.

(2) If the panel consists of three arbitrators, the Director will appoint a three-arbitrator panel consisting of:

- The highest-ranked available arbitrator from the combined non-public arbitrator list;

- The highest-ranked available arbitrator from the combined public arbitrator list;[,] and
- The highest-ranked available arbitrator from the combined public chairperson list, who will serve as chairperson of the panel.

(c) If the number of arbitrators available to serve from the combined list(s) is not sufficient to fill an initial panel, the Director will appoint one or more arbitrators of the required classification to complete the panel from names generated randomly by the Neutral List Selection System. If the Director must appoint a non-public arbitrator, the Director may not appoint a non-public arbitrator as defined in Rule 13100(n)(2) or (3), unless the parties agree otherwise. The Director will provide the parties information about the arbitrators as provided in Rule 13403 and the parties will have the right to challenge the arbitrators as provided in Rule 13410.

(d) Appointment of arbitrators occurs when the Director sends notice to the parties of the names of the arbitrators on the panel. Before making any decision as an arbitrator or attending a hearing session, the arbitrators must execute NASD's arbitrator oath or affirmation.

13407. Additional Parties

(a) If a party is added to an arbitration after the Director sends the lists generated by the Neutral List Selection System to the parties, but before parties must return the ranked lists to the Director, the Director will send the lists to the newly added party, with employment history for the past ten years and other background information for each arbitrator listed. The newly added party may rank and strike the arbitrators in accordance with Rule 13404. If the newly added party returns the lists within 20 [calendar] days after the date upon which the Director sent the lists to the party, the Director will include the new party's lists when combining rankings under Rule 13405. If the Director does not receive the list within that time, the Director will proceed as though the party did not want to strike any arbitrator, or have any preference among the listed arbitrators.

(b) Once the ranked lists are due to the Director under Rule 13404, no party may amend a pleading to add a new party to the arbitration until a panel is appointed and grants a motion to add the party. Motions to add a party must be served on all parties, including the party to be added, and the party to be added may respond to the motion in accordance with Rule 13503 without waiving any rights or objections under the Code. If the panel grants the motion to add the party, the newly added party may not strike and rank the arbitrators, but may challenge an arbitrator for cause in accordance with Rule 13410.

13408. Disclosures Required of Arbitrators

(a) Before appointing arbitrators to a panel, the Director will notify the arbitrators of the nature of the dispute and the identity of the parties. Each potential arbitrator must make a reasonable effort to learn of, and must disclose to the Director, any circumstances which might preclude the arbitrator from rendering an objective and impartial determination in the proceeding, including:

- (1) Any direct or indirect financial or personal interest in the outcome of the arbitration;

(2) Any existing or past financial, business, professional, family, social, or other relationships or circumstances with any party, any party's representative, or anyone who[m] the arbitrator is told may be a witness in the proceeding, that are likely to affect impartiality or might reasonably create an appearance of partiality or bias; and

(3) Any such relationship or circumstances involving members of [their families] the arbitrator's family or [their] current employer[s], partners, or business associates.

(b) The obligation to disclose interests, relationships, or circumstances that might preclude an arbitrator from rendering an objective and impartial determination described in paragraph (a) is a continuing duty that requires an arbitrator who accepts appointment to an arbitration proceeding to disclose, at any stage of the proceeding, any such interests, relationships, or circumstances that arise, or are recalled or discovered.

(c) The Director will inform the parties to the arbitration of any information disclosed to the Director under this [R]ule unless the arbitrator who disclosed the information declines appointment or voluntarily withdraws from the panel as soon as the arbitrator learns of any interest, relationship or circumstance that might preclude the arbitrator from rendering an objective and impartial determination in the proceeding, or the Director removes the arbitrator.

13409. Arbitrator Recusal

Any party may ask an arbitrator to recuse himself or herself from the panel for good cause. Requests for arbitrator recusal are decided by the arbitrator who is the subject of the request.

13410. Removal of Arbitrator by Director

(a) Before First Hearing Session Begins

Before the first hearing session begins, the Director may remove an arbitrator for conflict of interest or bias, either upon request of a party or on the Director's own initiative.

(1) The Director will grant a party's request to remove an arbitrator if it is reasonable to infer, based on information known at the time of the request, that the arbitrator is biased, lacks impartiality, or has [an] a direct or indirect interest in the outcome of the arbitration. The interest or bias must be direct, definite, and capable of reasonable demonstration, rather than remote or speculative.

(2) [Before removing an arbitrator on the Director's own initiative before the first hearing session begins, the] The Director must first notify the parties before removing an arbitrator on the Director's own initiative. The Director may not remove the arbitrator if the parties agree in writing to retain the arbitrator within [5] five [calendar] days of receiving notice of the Director's intent to remove the arbitrator.

(b) After First Hearing Session Begins

After the first hearing session begins, the Director may remove an arbitrator based only on information required to be disclosed under Rule 13408 that was not previously known by the parties. The Director may exercise this authority upon request of a party[,] or on the Director's

own initiative. Only the Director or the President of NASD Dispute Resolution may exercise the Director's authority under this paragraph (b).

13411. Replacement of Arbitrators

(a) If an arbitrator is removed, or becomes otherwise unable or unwilling to serve, the Director will appoint a replacement arbitrator in accordance with this [R]ule, unless the parties agree in writing to proceed with only the remaining arbitrators.

(b) The Director will appoint as a replacement arbitrator the arbitrator who is the most highly ranked available arbitrator of the required classification remaining on the combined list.

(c) If there are no available arbitrators of the required classification on the consolidated list, the Director will appoint an arbitrator of the required classification to complete the panel from names generated by the Neutral List Selection System. The Director will provide the parties information about the arbitrator as provided in Rule 13403, and the parties shall have the right to object to the arbitrator as provided in Rule 13410.

(d) If the Director must appoint a non-public arbitrator under paragraph (c), the Director may not appoint a non-public arbitrator as defined in Rule 13100(n)(2) or (3), unless the parties agree otherwise.

13412. Director's Discretionary Authority

The Director may exercise discretionary authority and make any decision that is consistent with the purposes of the Code to facilitate the appointment of arbitrators and the resolution of arbitrations.

13413. Jurisdiction of Panel and Authority to Interpret the Code

The panel has the authority to interpret and determine the applicability of all provisions under the Code. Such interpretations are final and binding upon the parties.

13414. Determinations of Arbitration Panel

All rulings and determinations of the panel must be made by a majority of the arbitrators, unless the parties agree, or the Code or applicable law provides, otherwise.

PART V PREHEARING PROCEDURES AND DISCOVERY

13500. Initial Prehearing Conference

(a) After the panel is appointed, the Director will schedule an Initial Prehearing Conference before the panel, except as provided in paragraph (c) of this [R]ule.

(b) The Initial Prehearing Conference will generally be held by telephone. Unless the parties agree otherwise, the Director must notify each party of the time and place of the Initial Prehearing Conference at least 20 [calendar] days before it takes place.

(c) At the Initial Prehearing Conference, the panel will set discovery, briefing, and motions deadlines, schedule subsequent hearing sessions, and address other preliminary matters. The parties may agree to forgo the Initial Prehearing Conference only if they jointly provide the Director with the following information, in writing, with additional copies for each arbitrator, before the Initial Prehearing Conference is scheduled to be held:

- A statement that the parties accept the panel;
- Whether any other prehearing conferences will be held, and if so, for each prehearing conference, a minimum of four mutually agreeable dates and times, and whether the chairperson or the full panel will preside;
- A minimum of four sets of mutually agreeable hearing dates;
- A discovery schedule;
- A list of all anticipated motions, with filing and response due dates; and
- A determination regarding whether briefs will be submitted, and, if so, the due date for the briefs and any reply briefs.

13501. Other Prehearing Conferences

(a) At a party's request, or at the discretion of the panel, the panel may schedule one or more additional prehearing conferences regarding any outstanding preliminary matters, including:

- Discovery disputes;
- Motions;
- Witness lists and subpoenas;
- Stipulations of fact[s];
- Unresolved scheduling issues;
- Contested issues on which the parties will submit briefs; and

- Any other matter that will simplify or expedite the arbitration.

(b) The panel will determine the time and place of any additional prehearing conferences. Prehearing conferences will generally be held by telephone. Unless the full panel is required under Rule 13503, prehearing conferences may be held before a single arbitrator, generally the chairperson.

13502. Recording Prehearing Conferences

(a) Except as provided in Rule 13504, prehearing conferences will not be tape-recorded unless the panel determines otherwise, either on its own initiative or upon motion of a party.

(b) If a prehearing conference is tape-recorded, the Director will provide a copy of the tape to any party upon request for a nominal fee.

13503. Motions

(a) Motions

(1) A party may make motions in writing, or orally during any hearing session. Before making a motion, a party must make an effort to resolve the matter that is the subject of the motion with the other parties. Every motion, whether written or oral, must include a description of the efforts made by the moving party to resolve the matter before making the motion.

(2) Written motions are not required to be in any particular form, and may take the form of a letter, legal motion, or any other form that the panel decides is acceptable. Written motions must be served directly on each other party, at the same time and in the same manner. Written motions must also be filed with the Director, with additional copies for each arbitrator, at the same time and in the same manner in which they are served on the parties.

(3) Except as provided by Rule 13504, written motions must be served at least 20 [calendar] days before a scheduled hearing, unless the panel decides otherwise.

(4) Motions to amend a pleading after panel appointment pursuant to Rule 13309[(c)] (b) must be accompanied by copies of the proposed amended pleading when the motion is served on the other parties and filed with the Director. If the panel grants the motion, the amended pleading does not have to be served again, unless the panel determines otherwise. If a party moves to amend a pleading to add a party, the motion must be served on all parties, including the party to be added, and the party to be added may respond to the motion in accordance with paragraph 13309(c) without waiving any rights or objections under the Code.

(b) Responding to Motions

Except as provided by Rule 13504, parties have 10 [calendar] days from the receipt of a written motion to respond to the motion, unless the moving party agrees to an extension of time, or the Director or the panel decides otherwise. Responses to written motions must be served directly on each other party, at the same time and in the same manner. Responses to written

motions must also be filed with the Director, with additional copies for each arbitrator, at the same time and in the same manner in which they are served on the parties.

(c) Authority to Decide Motions

(1) The Director decides motions relating to use of the forum under Rule 13203 and removal of an arbitrator under Rule 13410.

(2) Motions relating to combining or separating claims or arbitrations, or changing the hearing location, are decided by the Director before a panel is appointed, and by the panel after the panel is appointed.

(3) Discovery-related motions are decided by one arbitrator, generally the chairperson. The arbitrator may refer such motions to the full panel either at his or her own initiative, or at the request of a party. The arbitrator must refer motions relating to privilege to the full panel at the request of a party.

(4) Motions for arbitrator recusal under Rule 13409 are decided by the arbitrator who is the subject of the request.

(5) The full panel decides all other motions, including motions relating to the eligibility of a claim under Rule 13206, or to decide a claim or arbitration before a hearing under Rule 13504, unless the Code provides or the parties agree otherwise.

13504. Motions to Decide Claims Before a Hearing on the Merits

(a) Except as provided in Rule 13206, motions to decide a claim before a hearing are discouraged[,] and may only be granted in extraordinary circumstances.

(b) Motions under this [R]ule must be made in writing. Unless the parties agree or the panel determines otherwise, motions under this [R]ule must be served at least 60 days before a scheduled hearing, and parties have 45 days to respond to the motion.

(c) Motions under this [R]ule will be decided by the full panel. The panel may not grant a motion under this [R]ule unless a prehearing conference on the motion is held, or waived by the parties. Prehearing conferences to consider motions under this [R]ule will be tape-recorded.

(d) The panel may issue sanctions under Rule 13211 if it determines that a party filed a motion under this [R]ule in bad faith.

13505. Cooperation of Parties in Discovery

The parties must cooperate to the fullest extent practicable in the voluntary exchange of documents and information to expedite the arbitration.

13506. Discovery Requests

[(a) Making Discovery Requests]

Parties may request additional documents or information from any party by serving a written request directly on the party. Such requests may be served:

- On the claimant, or any respondent named in the initial statement of claim, 45 [calendar] days or more after the Director serves the statement of claim; and
- On any party subsequently added to the arbitration, 45 [calendar] days or more after the statement of claim is served on that party.

At the same time, the party must serve copies of the request on all other parties. Any request for documents or information should be specific[,] and relate to the matter in controversy.

13507. Responding to Discovery Requests

Unless the parties agree otherwise, within 60 [calendar] days from the date a discovery request is received, the party receiving the request must either:

- Produce the requested documents or information to all other parties;
- Identify and explain the reason that specific requested documents or information cannot be produced within the required time, and state when the documents will be produced; or
- Object as provided in Rule 13508.

13508. Objecting to Discovery; Waiver of Objection

(a) If a party objects to producing any document or information requested under Rule 13506, it must specifically identify which document or requested information it is objecting to[,] and why. Objections must be in writing, and must be served on all other parties at the same time and in the same manner. Objections should not be filed with the Director. Parties must produce all applicable listed documents, or other requested documents or information not specified in the objection.

(b) Any objection not made within the required time is waived unless the panel determines that the party had substantial justification for failing to make the objection within the required time.

13509. Motions to Compel Discovery

(a) A party may make a motion asking the panel to order another party to produce documents or information if the other party has:

- Failed to comply with Rules 13506 or 13507; or
- Objected to the production of documents or information under Rule 13508.

(b) Motions to compel discovery must [include a description of the efforts of the moving party to resolve the issue before making the motion] be made, and will be decided, in

accordance with Rule 13503. Such motions must [be made, and will be decided, in accordance with Rule 13503. If a party objected to the production of the disputed documents or information, the motion must include a copy of the objection] include the disputed document request, a copy of any objection thereto, and a description of the efforts of the moving party to resolve the issue before making the motion.

13510. Depositions

Depositions are strongly discouraged in arbitration. Upon motion of a party, the panel may permit depositions, but only under very limited circumstances, including:

- To preserve the testimony of ill or dying witnesses;
- To accommodate essential witnesses who are unable or unwilling to travel long distances for a hearing and may not otherwise be required to participate in the hearing;
- To expedite large or complex cases;
- In cases involving claims of statutory employment discrimination, if necessary and consistent with the expedited nature of arbitration; and
- If the panel determines that extraordinary circumstances exist.

13511. Discovery Sanctions

(a) Failure to cooperate in the exchange of documents and information as required under the Code may result in sanctions. The panel may issue sanctions against any party in accordance with Rule 13211(a) for:

- Failing to comply with the discovery provisions of the Code, unless the panel determines that there is substantial justification for the failure to comply; or
- Frivolously objecting to the production of requested documents or information.

(b) The panel may dismiss a claim, defense or proceeding with prejudice in accordance with Rule 13211(c) for intentional and material failure to comply with a discovery order of the panel if prior warnings or sanctions have proven ineffective.

13512. Subpoenas

(a) To the extent possible, parties should produce documents and make witnesses available to each other without the use of subpoenas. Subpoenas for documents or the appearance of witnesses may be issued as provided by law.

(b) If a subpoena is issued, the issuing party must send copies of the subpoena to all other parties at the same time and in the same manner in which the subpoena was issued.

13513. Authority of Panel to Direct Appearances of Associated Persons [Witnesses] and Production of Documents Without Subpoenas

(a) Upon motion of a party, the panel may order the following without the use of subpoenas:

- The appearance of any employee or associated person of a member of NASD; or
- The production of any documents in the possession or control of such persons or members.

(b) Unless the panel directs otherwise, the party requesting the appearance of witnesses by, or the production of documents from, non-parties under this [R]rule shall pay the reasonable costs of the appearance and/or production.

13514. Exchange of Documents and Witness Lists Before Hearing

(a) Documents and Other Materials

At least 20 [calendar] days before the first scheduled hearing date, all parties must provide all other parties with copies of all documents and other materials in their possession or control that they intend to use at the hearing that have not already been produced. The parties should not file the documents with the Director or the arbitrators before the hearing.

(b) Witness Lists

At least 20 [calendar] days before the first scheduled hearing date, all parties must provide each other party with the names and business affiliations of all witnesses they intend to present at the hearing. At the same time, each party must file their witness lists with the Director, with enough copies for each arbitrator.

(c) Exclusion of Documents or Witnesses

Parties may not present any documents or other materials not produced and or any witnesses not identified in accordance with this [R]rule at the hearing, unless the panel determines that good cause exists for the failure to produce the document or identify the witness. Good cause includes the need to use documents or call witnesses for rebuttal or impeachment purposes based on developments during the hearing.

PART VI HEARINGS; EVIDENCE; CLOSING THE RECORD

13600. Required Hearings

(a) Hearings will be held, unless:

- The arbitration is administered under Rule 13800 or Rule 13801;
- The parties agree otherwise in writing; or
- The arbitration has been settled, withdrawn or dismissed.

(b) The panel will decide the time and date of the hearing at the initial prehearing conference or otherwise in another manner. [The Director will notify the parties of the time and place at least 10 calendar days before the hearing begins, unless the parties agree to a shorter time.]

(c) The Director will notify the parties of the time and place at least 10 days before the hearing begins, unless the parties agree to a shorter time.

13601. Postponement of Hearings

(a) When a Hearing May be Postponed

A hearing may be postponed only:

- By agreement of the parties;
- By the Director, in extraordinary circumstances;
- By the panel, in its own discretion; or
- By the panel, upon motion of a party. The panel may not grant a motion to postpone a hearing made within 10 [calendar] days of the date that the hearing is scheduled to begin, unless the panel determines that good cause exists.

(b) Postponement Fees

(1) Except as otherwise provided, a postponement fee will be charged for each postponement agreed to by the parties, or granted upon request of one or more parties. The fee will equal the applicable hearing session fee under Rule 13902. The panel may allocate the fee among the party or parties that agreed to or requested the postponement. The panel may also assess part or all of any postponement fees against a party that did not request the postponement, if the panel determines that the non-requesting party caused or contributed to the need for the postponement. The panel may waive the fees.

(2) No postponement fee will be charged if a hearing is postponed:

- Because the parties agree to submit the matter to mediation at NASD;
- By the panel in its own discretion; or
- By the Director in extraordinary circumstances.

(c) Dismissal of Arbitration Due to Multiple Postponements

If all parties jointly request, or agree to, more than two postponements, the panel may dismiss the arbitration without prejudice.

13602. Attendance at Hearings

The parties and their representatives are entitled to attend all hearings. The panel will decide who else may attend any or all of the hearings.

13603. Failure to Appear

If a party fails to appear at a hearing after having been notified of the time, date and place of the hearing, the panel may determine that the hearing [may] will go forward, and [the panel] may render an award as though all parties had been present.

13604. Evidence

(a) The panel will decide what evidence to admit. The panel is not required to follow state or federal rules of evidence.

(b) Production of documents in discovery does not create a presumption that the documents are admissible at the hearing. A party may state objections to the introduction of any document as evidence at the hearing to the same extent that any other objection may be raised in arbitration.

13605. Witness Oath

All witnesses must testify under oath or affirmation.

13606. Record of Proceedings

(a) Tape Recording

(1) Except as provided in paragraph (b), the Director will make a tape recording of every hearing. The Director will provide a copy of the tape to any party upon request for a nominal fee.

(2) The panel may order the parties to provide a transcription of the tape recording. If the panel orders a transcription, copies of the transcription must be provided to each arbitrator and each party. The panel will determine which party or parties must pay the cost of making the transcription and copies.

(3) The tape recording is the official record of the proceeding, even if it is transcribed.

(b) Stenographic Record

(1) Any party may make a stenographic record of the hearing. Even if a stenographic record is made, the tape recording will be the official record of the proceeding, unless the panel determines otherwise. If the panel determines in advance that the stenographic record will be the official record, the Director will not make a tape recording.

(2) If the stenographic record is the official record of the proceeding, a copy must be provided to the Director, each arbitrator, and each other party. The cost of making and copying the stenographic record will be borne by the party electing to make the stenographic record, unless the panel decides that one or more other parties should bear all or part of the costs.

13607. Order of Presentation of Evidence and Arguments

Generally, the claimant shall present its case, followed by the respondent's defense. The panel has the discretion to vary the order in which the hearing is conducted, provided that each party is given a fair opportunity to present its case.

13608. Closing the Record

(a) The panel will decide when the record is closed. Once the record is closed, no further submissions will be accepted from any party.

(b) In cases in which no hearing is held, the record is presumed to be closed when the Director sends the pleadings to the panel, unless the panel requests, or agrees to accept, additional submissions from any party. If so, the record is presumed to be closed when the last such submission is due.

(c) In cases in which a hearing is held, the panel will generally close the record at the end of the last hearing session, unless the panel requests, or agrees to accept, additional submissions from any party. If so, the panel will inform the parties when the submissions are due and when the record will close.

13609. Reopening the Record

The panel may reopen the record on its own initiative or upon motion of any party at any time before the award is rendered, unless prohibited by applicable law.

PART VII TERMINATION OF AN ARBITRATION BEFORE AWARD

13700. Dismissal of Proceedings Prior to Award

(a) The panel must dismiss an arbitration or a claim at the joint request of the parties to that arbitration or claim. The dismissal will be with or without prejudice, depending on the request of the parties.

(b) The panel may dismiss a claim or an arbitration:

- Upon motion of a party under Rule 13206 or Rule 13504; or
- On its own initiative under Rule 13211(c) or Rule 13601(c).

13701. Settlement

(a) Parties to an arbitration may agree to settle their dispute at any time. Parties who settle must notify the Director. The Director will continue to administer the arbitration, and fees may continue to accrue, until the Director receives written notice of the settlement. The parties do not need to disclose the terms of the settlement agreement to the Director or to NASD Dispute Resolution, but members and associated persons may have reporting obligations under the [R]rules of NASD.

(b) Settling parties will remain responsible for fees incurred under the Code. If parties to a settlement fail to agree on the allocation of any outstanding fees, those fees will be divided equally among the settling parties, except member surcharges and prehearing and hearing process fees required by the Code, which will remain the responsibility of the member party or parties.

13702. Withdrawal of Claims

(a) Before a claim has been answered by a party, the claimant may withdraw the claim against that party with or without prejudice.

(b) After a claim has been answered by a party, the claimant may only withdraw it against that party with prejudice unless the panel decides, or the claimant and that party agree, otherwise.

**PART VII SIMPLIFIED ARBITRATION; DEFAULT PROCEEDINGS; STATUTORY
EMPLOYMENT DISCRIMINATION CLAIMS; AND INJUNCTIVE RELIEF**

13800. Simplified Arbitration

(a) Applicability of Rule

This [R]rule applies to [cases] arbitrations involving \$25,000 or less, exclusive of interest and expenses. Except as otherwise provided in this [R]rule, all provisions of the Code apply to such [cases] arbitrations.

(b) Single Arbitrator

All [cases] arbitrations administered under this [R]rule will be decided by a single arbitrator appointed from the NASD's chairperson roster in accordance with the Neutral List Selection System, unless the parties agree in writing otherwise.

(c) Hearings

(1) No hearing will be held in [cases] arbitrations administered under this [R]rule unless the customer requests a hearing.

(2) If no hearing is held, no initial prehearing conference or other prehearing conference will be held, and the arbitrator will render an award based on the pleadings and other materials submitted by the parties. If a hearing is held, the regular provisions of the Code relating to prehearings and hearings, including fee provisions, will apply.

(d) Discovery and Additional Evidence

The parties may request documents and other information from each other. All requests for the production of documents and other information must be served on all other parties, and filed with the Director, within 30 [calendar] days from the date that the last answer is due. Any response or objection to a discovery request must be served on all other parties and filed with the Director within 10 [calendar] days of the receipt of the requests. The arbitrator will resolve any discovery disputes.

(e) Increases in Amount in Dispute

If any pleading increases the amount in dispute to more than \$25,000, the arbitration will no longer be administered under this [R]rule, and the regular provisions of the Code will apply. If an arbitrator has been appointed, that arbitrator will remain on the panel. If a three-arbitrator panel is required or requested under Rule 13401, the remaining arbitrators will be appointed by the Director in accordance with Rule 13406(b). If no arbitrator has been appointed, the entire panel will be appointed in accordance with the Neutral List Selection System.

(f) Arbitrator Honoraria

NASD will pay the arbitrator an honorarium of [\$135] \$125 for each arbitration administered under this [R]rule.

13801. Default Proceedings

(a) Applicability of Rule

A claimant may request default proceedings against any respondent that falls within one of the following categories and fails to file an answer within the time provided by the Code.

- A member whose membership has been terminated, suspended, canceled, or revoked;
- A member that has been expelled from the NASD;
- A member that is otherwise defunct; or
- An associated person whose registration is terminated, revoked, or suspended.

(b) Initiating Default Proceedings

(1) To initiate default proceedings against one or more respondents that fail to file a timely answer, the claimant must notify the Director in writing and must send a copy of the notification to all other parties at the same time and in the same manner as the notification was sent to the Director. If there is more than one claimant, all claimants must agree in writing to proceed under this [R]ule against a defaulting respondent before this [R]ule may be used.

(2) If the Director receives written notice from the claimant and determines that the requirements for proceeding under this [R]ule have been met, the Director will:

- Notify all parties that the claim against the defaulting respondent will proceed under this [R]ule; and
- Appoint a single arbitrator in accordance with the Neutral List Selection System to consider the statement of claim and other documents presented by the claimant.

(c) Hearings

No hearing shall be held. The arbitrator may request additional information from the claimant before rendering an award.

(d) Amendments to Increase Relief Requested

Claimants may not amend a claim to increase the relief requested from the defaulting respondent after the Director has notified the parties that the claim will proceed under this [R]ule.

(e) Awards

(1) The arbitrator may not issue an award based solely on the nonappearance of a party. Claimants must present a sufficient basis to support the making of an award. The arbitrator may not award damages in an amount greater than the damages

requested in the statement of claim, and may not award any other relief that was not requested in the statement of claim.

(2) The default award shall have no effect on any non-defaulting party.

(f) Respondent's Answer

If a defaulting respondent files an answer after the Director has notified the parties that the claim against that respondent will proceed under this [R]ule but before an award has been issued, the proceedings against that respondent under this [R]ule will be terminated and the claim against that respondent will proceed under the regular provisions in the Code.

13802. Statutory Employment Discrimination Claims

(a) Applicability of Rule

This [R]ule applies to [cases] arbitrations involving a claim of statutory employment discrimination as defined in Rule 13100(u). Except as otherwise provided in this [R]ule, all provisions of the Code apply to such [cases] arbitrations.

(b) Number of Arbitrators

(1) Claims of \$100,000 or Less

If the amount of a claim in a case involving an employment discrimination claim is \$100,000 or less, the panel will consist of one arbitrator.

(2) Claims of More Than \$100,000

If the amount of a claim in a case involving an employment discrimination claim is more than \$100,000, the panel will consist of three arbitrators, unless the parties agree in writing to one arbitrator.

(c) Composition of Panel

(1) One Arbitrator

If the panel consists of one arbitrator, the arbitrator will be a public arbitrator who will meet the qualifications in paragraph (c)(3), unless the parties agree in writing otherwise.

(2) Three Arbitrators

If the panel consists of three arbitrators, the arbitrators will all be public arbitrators, one of whom will meet the qualifications in paragraph (c)(3), unless the parties agree in writing otherwise. The arbitrator who meets the criteria in paragraph (c)(3) will serve as chairperson of the panel.

(3) Special Statutory Discrimination Claim Qualifications

A single arbitrator or chairperson of a three-arbitrator panel in a case involving a statutory discrimination claim must have the following qualifications:

- (A) law degree (Juris Doctor or equivalent);
- (B) membership in the Bar of any jurisdiction;
- (C) substantial familiarity with employment law; and
- (D) ten or more years of legal experience, of which at least five years must be in either:
 - law practice;
 - law school teaching;
 - government enforcement of equal employment opportunity statutes;
 - experience as a judge, arbitrator, or mediator; or
 - experience as an equal employment opportunity officer or in-house counsel of a corporation.

In addition, a chair or single arbitrator with the above experience may not have represented primarily the views of employers or of employees within the last five years. For purposes of this [R]ule, the term "primarily" shall be interpreted to mean 50% or more of the arbitrator's business or professional activities within the last five years.

(4) Waiver of Special Qualifications

If all parties agree, after a dispute arises, they may waive any of the qualifications set forth in paragraph (A) or (B) above.

(d) Awards

The panel may award any relief that would be available in court under the law. The panel must issue an award setting forth a summary of the issues, including the type(s) of dispute(s), the damages or other relief requested and awarded, a statement of any other issues resolved, and a statement regarding the disposition of any statutory claim(s).

(e) Attorneys' Fees

The panel may provide for reasonable attorneys' fee reimbursement, in whole or in part, as part of the remedy in accordance with applicable law.

13803. Coordination of Statutory Employment Discrimination Claims Filed in Court and in Arbitration

(a) Option to Combine Related Claims in Court

(1) (A) If a current or former associated person files a statutory discrimination claim in court against a member or its associated persons, and asserts related claims in arbitration at NASD against some or all of the same parties, a respondent who is named in both proceedings may, upon motion, compel the claimant to bring the related arbitration claims in the same court proceeding in which the statutory discrimination claim is pending, to the full extent to which the court will accept jurisdiction over the related claims.

(B) The respondent must notify the claimant in writing, before the respondent's time to answer has expired, that it is exercising this option and must file a copy of such notification with the Director. If the respondent files an answer without having exercised this option, it shall have waived its right to compel the claimant to assert related claims in court, except as provided in paragraph (b).

(2) (A) If a member or current or former associated person ("party") has a pending claim in arbitration against a current or former associated person and the current or former associated person thereafter asserts a related statutory discrimination claim in court against the party, the party shall have the option to assert its pending arbitration claims and any counterclaims in court.

(B) The party must notify the current or former associated person in writing, before filing an answer to the complaint in court, that it is exercising this option and must file a copy of such notification with the Director. If the party files an answer in court without having exercised this option, it shall have waived its right to assert the pending arbitration claim in court.

(C) The party may not exercise this option after the first hearing has begun on the arbitration claim.

(b) Option Extended When Claim is Amended

(1) If the claimant files an amended statement of claim adding new claims not asserted in the original statement of claim, a respondent named in the amended statement of claim may, upon motion, compel the claimant to assert all related claims in the same court proceeding in which the statutory discrimination claim is pending, to the full extent that the court will accept jurisdiction over the related claims, even if those related claims were asserted in the original statement of claim.

(2) The respondent must notify the claimant in writing, before the time to answer the amended statement of claim has expired, that it is exercising this option and must file a copy of such notification with the Director. If the respondent files an answer to the amended statement of claim without having exercised this option, it shall have waived its right to compel the claimant to assert related claims in court.

(c) Requirement to Combine All Related Claims

If a party elects to require a current or former associated person to assert all related claims in court, the party must assert in the same court proceeding all related claims that it has

against the associated person to the full extent to which the court will accept jurisdiction over the related claims.

(d) Right of Respondent to Remain in Arbitration

(1) If there are multiple respondents and a respondent has exercised an option under paragraph (a) or (b), but another respondent wishes to have the claims against it remain in arbitration, then any remaining party may apply for a stay of the arbitration proceeding.

(2) If a panel has not been appointed, the Director will appoint a single arbitrator to consider the application for a stay. The single arbitrator shall be selected using the Neutral List Selection System and is not required to have the special employment arbitrator qualifications described in Rule 13801(c)[].

(3) The [single arbitrator or] panel must stay the arbitration unless the [arbitrator or] panel determines that the stay would result in substantial prejudice to one or more of the parties.

(e) Pre-Filing Certification

(1) Before or at the same time that the statement of claim is filed, a claimant may file with the Director a certification that it communicated unsuccessfully with the respondent concerning the consolidation of all claims in court prior to filing a statement of claim, in an effort to save the expense of arbitration fees. A copy of such certification must be sent to the respondent at the same time and in the same manner as the filing with the Director.

(2) If, after a certification has been filed, all the respondents later exercise the option to consolidate all claims in court, the Director will return the claimant's filing fee, [and any hearing session deposits for hearings that have not been held,] but will retain the member surcharge and any accrued member process fees. If there are any remaining respondents, the filing fee [and any hearing deposits] will be adjusted to correspond to the claims against the remaining respondents.

(f) Motion to Compel Arbitration

If a member or a current or former associated person files in court a claim against a member or a current or former associated person that includes matters that are subject to mandatory arbitration, either by the rules of NASD or by private agreement, the defending party may, upon motion, compel arbitration of the claims that are subject to mandatory arbitration.

[(g) Definition of Related Claim]

For purposes of this Rule, the term "related claim" shall mean any claim that arises out of the employment or termination of employment of an associated person.]

13804. Temporary Injunctive Orders; Requests for Permanent Injunctive Relief

(a) Temporary Injunctive Orders

(1) In industry or clearing disputes required to be submitted to arbitration under the Code, parties may seek a temporary injunctive order[, as defined in paragraph (a)(2) of this Rule,] from a court of competent jurisdiction. Parties to a pending arbitration may seek a temporary injunctive order from a court of competent jurisdiction even if another party has already filed a claim arising from the same dispute in arbitration pursuant to this paragraph, provided that an arbitration hearing on a request for permanent injunctive relief pursuant to paragraph (b) of this [R]ule has not yet begun.

(2) A party seeking a temporary injunctive order from a court with respect to an industry or clearing dispute required to be submitted to arbitration under the Code must, at the same time, file with the Director a statement of claim requesting permanent injunctive and all other relief with respect to the same dispute in the manner specified under [this] the Code. The party seeking temporary injunctive relief must also serve the statement of claim requesting permanent injunctive and all other relief on all other parties in the same manner and at the same time as the statement of claim is filed with the Director.

(3) Filings and service under this [R]ule must be made by facsimile, overnight delivery service or messenger. Service must be made on all parties at the same time and in the same manner, unless the parties agree otherwise. A party obtaining a court-issued temporary injunctive order must notify the Director and the other parties of the issuance of the order within one business day.

(b) Hearing on Request for Permanent Injunctive Relief

(1) Scheduling of Hearing

If a court issues a temporary injunctive order, an arbitration hearing on the request for permanent injunctive relief will begin within 15 days of the date the court issues the temporary injunctive order. If the 15th day falls on a Saturday, Sunday, or NASD holiday, the 15-day period shall expire on the next business day. Unless the parties agree otherwise, a hearing lasting more than one day will be held on consecutive days when reasonably possible. The Director will provide to all parties notice of the date, time and place of the hearing at least three days prior to the beginning of the hearing.

(2) Composition of Arbitration Panel

The hearing on the request for permanent injunctive relief will be heard by a panel of [3] three arbitrators. The composition of the panel will be determined in accordance with Rule_13402.

(3) Selection of Arbitrators and Chairperson

(A)

(i) In cases in which all of the members of the panel are non-public, the Director will generate and provide to the parties a list of [7] seven arbitrators from NASD's roster [or] of non-public arbitrators. The Director will send to the parties the employment history for the past 10

years for each listed arbitrator and other background information. At least [3] three of the arbitrators listed shall be lawyers with experience litigating cases involving injunctive relief.

(ii) Each party may exercise [1] one strike to the arbitrators on the list. Within [3] three days of receiving the list, each party shall inform the Director which arbitrator, if any, it wishes to strike, and shall rank the remaining arbitrators in order of preference. The Director shall consolidate the parties' rankings, and shall appoint arbitrators based on the order of rankings on the consolidated list, subject to the arbitrators' availability and disqualification.

(B)

(i) In cases in which the panel consists of a majority of public arbitrators, the Director will generate and provide to the parties a list of [9] nine arbitrators from NASD's roster of arbitrators. (C)

(i) Each party must inform the Director of its preference of chairperson of the panel by the close of business on the next business day after receiving notice of the panel members.

(ii) If the parties do not agree on a chairperson within that time, the Director shall select the chairperson. In cases in which the panel consists of a majority of public arbitrators, the Director will select a public arbitrator as chairperson. Whenever possible, the Director will select as chairperson the lawyer with experience litigating cases involving injunctive relief whom the parties have ranked the highest.

(D) The Director may exercise discretionary authority and make any decision that is consistent with the purposes of this [R]rule and the Code to facilitate the appointment of panels and the selection of chairperson.

(4) Applicable Legal Standard

The legal standard for granting or denying a request for permanent injunctive relief is that of the state where the events upon which the request is based occurred, or as specified in an enforceable choice of law agreement between the parties.

(5) Effect of Pending Temporary Injunctive Order

Upon a full and fair presentation of the evidence from all relevant parties on the request for permanent injunctive relief, the panel may prohibit the parties from seeking an extension of any court-issued temporary injunctive order remaining in effect, or, if appropriate, order the parties jointly to move to modify or dissolve any such order. In the event that a panel's order conflicts with a pending court order, the panel's order will become effective upon expiration of the pending court order.

(6) Fees, Costs and Expenses, and Arbitrator Honorarium

(A) The parties shall jointly bear reasonable travel-related costs and expenses incurred by arbitrators who are required to travel to a hearing location other than their primary hearing location(s) in order to participate in the hearing on the request for permanent injunctive relief. The panel may reallocate such costs and expenses among the parties in the award.

(B) Each party seeking a temporary injunctive order in court pursuant to this [R]ule must pay a non-refundable surcharge of \$2,500 at the time the party files its statement of claim and request for permanent injunctive relief. In the award, the panel may decide that one or more parties must reimburse a party for part or all of the surcharge. The surcharge is in addition to all other non-refundable filing fees[, hearing deposits,] or costs that are required under the Code.

(C) Notwithstanding any other provision in the Code, the chairperson of the panel hearing a request for permanent injunctive relief pursuant to this [R]ule shall receive an honorarium of \$375 for each single session, and \$700 for each double session, of the hearing. Each other member of the panel shall receive an honorarium of \$300 for each single session, and \$600 for each double session, of the hearing. The parties shall equally pay the difference between these amounts and the amounts panel members and the chairperson receive under the Code pursuant to Rule 13213. The panel may reallocate such amount among the parties in the award.

(c) Hearing on Damages or other Relief

(1) Upon completion of the hearing on the request for permanent relief, the panel[,], may, if necessary, set a date for any subsequent hearing on damages or other relief, which shall be held before the same panel and which shall include, but not be limited to, the same record.

Currently, claimants must pay a non-refundable filing fee, and an initial hearing session deposit that may be refundable under certain circumstances. In addition, parties also must pay hearing session fees for each hearing session. (a) The Board shall appoint a National Arbitration and Mediation Committee ("NAMC").

(1) The NAMC shall consist of no fewer than ten and no more than 25 members. At least 50 percent of the NAMC shall be Non-Industry members.

(2) The Chairperson of the Board shall name the chairperson of the NAMC.

(b) The NAMC shall have the authority to recommend rules, regulations, procedures and amendments relating to arbitration, mediation, and other dispute resolution matters to the Board. All matters recommended by the NAMC to the Board must have been approved by a majority of the NAMC members present and voting. PART II GENERAL ARBITRATION RULES

13200. Required Arbitration

(a) Generally

Except as otherwise provided in the Code, a dispute must be arbitrated under the Code if the dispute arises out of the business activities of a member or an associated person and is between or among:

- Members;
- Members and Associated Persons; or
- Associated persons.

(b) Insurance Activities

Disputes arising out of the insurance business activities of a member that is also an insurance company are not required to be arbitrated under the Code.

13201. Statutory Employment Discrimination Claims

A claim alleging employment discrimination, including sexual harassment, in violation of a statute, is not required to be arbitrated under the Code. Such a claim may be arbitrated only if the parties have agreed to arbitrate it, either before or after the dispute arose. If the parties agree to arbitrate such a claim, the claim will be administered under Rule 13802.

13202. Claims Involving Registered Clearing Agencies

If a registered clearing agency has entered into an agreement to use NASD's arbitration facilities and procedures, any dispute, claim or controversy involving that registered clearing agency, or participants, pledges or other persons using the facilities of the registered clearing agency will be arbitrated in accordance with such agreement and the rules of the registered clearing agency.

13203. Denial of NASD Forum and Referral to Other Forums

(a) The Director may decline to permit the use of the NASD arbitration forum if the Director determines that, given the purposes of NASD and the intent of the Code, the subject matter of the dispute is inappropriate, or that accepting the matter would pose a risk to the health or safety of arbitrators, staff, or parties or their representatives. Only the Director or the President of NASD Dispute Resolution may exercise the Director's authority under this rule.

(b) Disputes that arise out of transactions in a readily identifiable market may be referred to the arbitration forum for that market, if the claimant agrees.

13204. Class Action Claims

(a) Class action claims may not be arbitrated under the Code.

(b) No claim that is included in a court-certified class action or a putative class action, or that is ordered by a court for class-wide arbitration at a forum not sponsored by a self-regulatory organization, will be arbitrated under the Code, unless the party bringing the claim shows that it is not participating in the class action, or has withdrawn from the class according to conditions set by the court, if any.

(c) The Director will refer to a panel any dispute as to whether a claim is part of a class action, unless a party asks the court hearing the class action to resolve the dispute within 10 days of receiving notice that the Director has decided to refer the dispute to a panel.

(d) A member or associated person may not enforce any arbitration agreement against a member of a certified or putative class action with respect to any claim that is the subject of the certified or putative class action until:

- The class certification is denied;
- The class is decertified;
- The member of the certified or putative class is excluded from the class by the court; or
- The member of the certified or putative class elects not to participate in the class or withdraws from the class according to conditions set by the court, if any.

This paragraph does not otherwise affect the enforceability of any rights under the Code or any other agreement.

13205. Shareholder Derivative Actions

Shareholder derivative actions may not be arbitrated under the Code.

13206. Time Limits

(a) Time Limitation on Submission of Claims

No claim shall be eligible for submission to arbitration under the Code where six years have elapsed from the occurrence or event giving rise to the claim. The panel will resolve any questions regarding the eligibility of a claim under this rule.

(b) Dismissal under Rule

Dismissal of a claim under this rule does not prohibit a party from pursuing the claim in court. By filing a motion to dismiss a claim under this rule, the moving party agrees that if the panel dismisses a claim under this rule, the non-moving party may withdraw any remaining related claims without prejudice and may pursue all of the claims in court.

(c) Effect of Rule on Time Limits for Filing Claim in Court

The rule does not extend applicable statutes of limitations. However, where permitted by applicable law, when a claimant files a statement of claim in arbitration, any time limits for the filing of the claim in court will be tolled while NASD retains jurisdiction of the claim.

(d) Effect of Filing a Claim in Court on Time Limits for Filing in Arbitration

If a party submits a claim to a court of competent jurisdiction, the six-year time limitation will not run while the court retains jurisdiction of the claim matter.

13207. Extension of Deadlines

(a) The parties may agree in writing to extend or modify any deadline for:

- Serving an answer;
- Returning arbitrator or chairperson lists;
- Responding to motions; or
- Exchanging documents or witness lists.

If the parties agree to extend or modify a deadline under this rule, they must notify the Director of the new deadline in writing.

(b) The panel may extend or modify any deadline listed in paragraph (a), or any other deadline set by the panel, either on its own initiative or upon motion of a party.

(c) The Director may extend or modify any deadline or time period set by the Code for good cause. The Director may also extend or modify any deadline or time period set by the panel in extraordinary circumstances.

13208. Representation of Parties

All parties have the right to be represented by counsel during any stage of an arbitration.

13209. Legal Proceedings

During an arbitration, no party may bring any suit, legal action, or proceeding against any other party that concerns or that would resolve any of the matters raised in the arbitration, except as otherwise provided by the Code.

13210. Ex Parte Communications

(a) Except as provided in Rule 13211, no party, or anyone acting on behalf of a party, may communicate with any arbitrator outside of a scheduled hearing or conference regarding an arbitration unless all parties or their representatives are present.

(b) No party, or anyone acting on behalf of a party, may send or give any written motion, request, submission or other materials directly to any arbitrator, unless the arbitrators and the parties agree, or the Code provides otherwise.

13211. Direct Communication Between Parties and Arbitrators

(a) This rule provides procedures under which parties and arbitrators may communicate directly.

(b) Only parties that are represented by counsel may use direct communication under this rule. If, during the proceeding, a party chooses to appear *pro se* (without counsel), this rule shall no longer apply.

(c) All arbitrators and all parties must agree to the use of direct communication during the Initial Prehearing Conference or a later conference or hearing before it can be used.

(d) Parties may send the arbitrators only items that are listed in an order.

(e) Parties may send items by regular mail, overnight courier, facsimile, or email. All the arbitrators and parties must have facsimile or email capability before such a delivery method may be used.

(f) Copies of all materials sent to arbitrators must also be sent at the same time and in the same manner to all parties and the Director. Materials that exceed 15 pages, however, shall be sent to the Director only by regular mail or overnight courier.

(g) The Director must receive copies of any orders and decisions made as a result of direct communications among the parties and the arbitrators.

(h) Parties may not communicate orally with any of the arbitrators outside the presence of all parties.

(i) Any party or arbitrator may terminate the direct communication order at any time, after giving written notice to the other arbitrators and the parties.

13212. Sanctions

(a) The panel may sanction a party for failure to comply with any provision in the Code, or any order of the panel or single arbitrator authorized to act on behalf of the panel. Unless prohibited by applicable law, sanctions may include, but are not limited to:

- Assessing monetary penalties payable to one or more parties;
- Precluding a party from presenting evidence;
- Making an adverse inference against a party;
- Assessing postponement and/or forum fees; and
- Assessing attorneys' fees, costs and expenses.

(b) The panel may initiate a disciplinary referral at the conclusion of an arbitration.

(c) The panel may dismiss a claim, defense or arbitration with prejudice as a sanction for material and intentional failure to comply with an order of the panel if prior warnings or sanctions have proven ineffective.

13213. Hearing Locations

(a) The Director will decide which of NASD's hearing locations will be the hearing location for the arbitration. In cases involving an associated person, the Director will generally select the hearing location closest to where the associated person was employed at the time of the dispute. In cases involving members only or more than one associated person, the Director will consider a variety of factors, including:

- The parties' signed agreement to arbitrate, if any;
- Which party initiated the transaction or business in issue; and
- The location of essential witnesses and documents.

(b) Before arbitrator lists are sent to the parties under Rule 13403, the parties may agree in writing to a hearing location other than the one selected by the Director.

(c) The Director may change the hearing location upon motion of a party, as set forth in Rule 13503.

13214. Payment of Arbitrators

Except as provided in Rule 13800, NASD will pay the panel an honorarium, as follows:

- \$200 to each arbitrator for each hearing session in which he or she participates; and

- An additional \$75 per day to the chairperson for each hearing on the merits.

PART III INITIATING AND RESPONDING TO CLAIMS

13300. Filing and Serving Documents

(a) Initial statements of claim must be filed with the Director, with enough copies for each other party and each arbitrator. The number of arbitrators is determined in accordance with Rule 13401. The Director will serve the statement of claim on the other parties, and send copies of the statement of claim to each arbitrator.

(b) The parties must serve all other pleadings and other documents directly on each other party. Parties must serve all pleadings on all parties at the same time and in the same manner, unless the parties agree otherwise.

(c) Unless the Code provides otherwise, parties must also file all pleadings and other documents with the Director, with additional copies for each arbitrator. Pleadings and other documents must be filed with the Director at the same time and in the same manner in which they are served on the other parties. Parties filing pleadings and other documents with the Director must include a certificate of service stating the names of the parties served, the date and method of service, and the address(es) to which service was made.

(d) Pleadings and other documents may be filed and served by: first class mail; overnight mail or delivery service; hand delivery; facsimile; or any other method, including electronic mail, that is approved or required by the panel.

(e) Filing and service are accomplished on the date of mailing either by first-class postage prepaid mail or overnight mail service, or, in the case of other means of service, on the date of delivery. Whenever pleadings and other documents must be filed with the Director and served on the other parties, filing and service must occur on the same day and in the same manner, unless the parties agree or the panel directs otherwise.

(f) A party must inform the Director and all other parties in writing of any change of address during an arbitration.

13301. Service on Persons Currently Associated with a Member

If a member and a person currently associated with the member are named as respondents to the same arbitration, service on the person associated with the member may be made on the member or directly on the associated person. If service is made on the member, the member must serve the associated person, even if the member will not be representing the associated person in the arbitration. If the member is not representing the associated person in the arbitration, the member must notify, and provide the associated person's current address to, all parties and the Director.

13302. Filing an Initial Statement of Claim

(a) Filing Claim with the Director

(1) To initiate an arbitration, a claimant must file the following with the Director:

- Signed and dated Uniform Submission Agreement; and
- A statement of claim specifying the relevant facts and remedies requested.

The claimant may include any additional documents supporting the statement of claim.

(2) A claimant may use the online claim notification and filing procedure to complete part of the arbitration claim filing process through the Internet. To commence this process, a claimant may complete a Claim Information Form that can be accessed through www.nasd.com. In completing the Claim Information Form, the claimant may attach an electronic version of the statement of claim to the form, provided it does not exceed 50 pages. Once this online form has been completed, an NASD Dispute Resolution Tracking Form will be generated and displayed for the claimant to reproduce as necessary. The claimant shall then file with the Director the rest of the materials required in subparagraph (1) of the rule, along with a hard copy of the NASD Dispute Resolution Tracking Form.

(b) Number of Copies

The claimant must file enough copies of the statement of claim, if it has not been submitted electronically, and the signed Uniform Submission Agreement, and any additional materials, for the Director, each arbitrator and each other party.

(c) Fees

At the time the statement of claim is filed, the claimant must pay all required filing fees.

(d) Service by Director

Unless the statement of claim is deficient under Rule 13307, the Director will send a copy of the Uniform Submission Agreement, the statement of claim, and any additional materials filed by the claimant, to each other party, and to each arbitrator once the panel has been appointed.

13303. Answering the Statement of Claim

(a) Respondent(s) must directly serve each other party with the following documents within 45 days of receipt of the statement of claim:

- Signed and dated Uniform Submission Agreement; and
- An answer specifying the relevant facts and available defenses to the statement of claim.

The respondent may include any additional documents supporting the answer to the statement of claim. Parties that fail to answer in the time provided may be subject to default proceedings under Rule 13801.

(b) The answer to the statement of claim may include any counterclaims against the claimant, cross claims against other respondents, or third party claims, specifying all relevant facts and remedies requested, as well as any additional documents supporting such claim. When serving a third party claim, the respondent must provide each new respondent with copies of all documents previously served by any party, or sent to the parties by the Director.

(c) At the same time that the answer to the statement of claim is served on the other parties, the respondent must file copies of the Uniform Submission Agreement, the answer to the statement of claim, and any additional documents, with the Director, with enough copies for the Director and each arbitrator.

(d) If the answer to the statement of claim contains any counterclaims, cross claims or third party claims, the respondent must pay all required filing fees.

13304. Answering Counterclaims

(a) A claimant must directly serve any answer to a counterclaim on each other party within 20 days of receipt of the counterclaim. At the same time, the claimant must file the answer to the counterclaim with the Director with additional copies for each arbitrator.

(b) The answer must include the relevant facts and available defenses to the counterclaim. The claimant may include any additional documents supporting the answer to the counterclaim.

13305. Answering Cross Claims

(a) A respondent must directly serve an answer to a cross claim on each other party within 20 days from the date that the respondent's answer to the statement of claim is due, or from the receipt of the cross claim, whichever is later. At the same time, the respondent must file the answer to the cross claim with the Director with additional copies for each arbitrator.

(b) The answer must include the relevant facts and available defenses to the cross claim. The respondent may include any additional documents supporting the answer to the cross claim.

13306. Answering Third Party Claims

(a) A party responding to a third party claim must directly serve all other parties with the following documents within 45 days of receipt of the third party claim:

- Signed and dated Uniform Submission Agreement; and
- An answer specifying the relevant facts and available defenses to the third party claim.

The respondent may include any additional documents supporting the answer to the third party claim.

(b) The answer to the third party claim may also include any counterclaims, cross claims, or third party claims, specifying all relevant facts and remedies requested. The answer may also include any additional documents supporting such claim. When serving a third party claim, the respondent must provide each new respondent with copies of all documents previously served by any party, or sent to the parties by the Director.

(c) At the same time that the answer to the third party claim is served on the other parties, the third party respondent must also file copies of the Uniform Submission Agreement, the answer to the third party claim, and any additional documents, with the Director, with additional copies for each arbitrator.

(d) If the answer to the third party claim contains any counterclaim, cross claim or third party claim, the party must also pay all required filing fees.

13307. Deficient Claims

(a) The Director will not serve any claim that is deficient. The reasons a claim may be deficient include the following:

- A Uniform Submission Agreement was not filed by each claimant;
- The Uniform Submission Agreement was not properly signed and dated;
- The Uniform Submission Agreement does not name all parties named in the claim;
- The claimant did not file the correct number of copies of the Uniform Submission Agreement, statement of claim or supporting documents for service on respondents and for the arbitrators;
- The claim does not specify the claimant's or the claimant's representative's current address; or
- The claimant did not pay all required filing fees, unless the Director deferred the fees.

(b) The Director will notify the claimant in writing if the claim is deficient. If all deficiencies are not corrected within 30 days from the time the claimant receives notice, the Director will close the case without serving the claim, and will not refund any filing fees paid by the claimant.

(c) The panel will not consider any counterclaim, cross claim or third party claim that is deficient. The reasons a counterclaim, cross claim or third party claim may be deficient include the reasons listed in paragraph (a). The Director will notify the party making the counterclaim, cross claim or third party claim of the any deficiencies in writing. If all deficiencies are not corrected within 30 days from the time the party making the counterclaim, cross claim or third party claim receives notice of the deficiency, the panel will proceed with the arbitration as though the deficient counterclaim, cross claim or third party claim had not been made.

13308. Loss of Defenses Due to Untimely or Incomplete Answer

(a) If a party fails to answer any claim within the time period specified in the Code, the panel may, upon motion, bar that party from presenting any defenses or facts at the hearing, unless the time to answer was extended in accordance with the Code. The party may also be subject to default proceedings under Rule 13801.

(b) If a party answers a claim that alleges specific facts and contentions with a general denial, or fails to include defenses or relevant facts in its answer that were known to it at the time the answer was filed, the panel may bar that party from presenting the omitted defenses or facts at the hearing.

13309. Amending Pleadings

(a) Before Panel Appointment

Except as provided in paragraph (c), a party may amend a pleading at any time before the panel has been appointed.

(1) To amend a statement of claim that has been filed but not yet served by the Director, the claimant must file the amended claim with the Director, with additional copies for each arbitrator and each other party. The Director will then serve the amended claim in accordance with Rule 13301.

(2) To amend any other pleading, a party must serve the amended pleading on each party. At the same time, the party must file the amended pleading with the Director, with additional copies for each arbitrator. If a pleading is amended to add a party to the arbitration, the party amending the pleading must provide each new party with copies of all documents previously served by any party, or sent to the parties by the Director.

(b) After Panel Appointment

Once a panel has been appointed, a party may only amend a pleading if the panel grants a motion to amend in accordance with Rule 13503. Motions to amend a pleading must include a copy of the proposed amended pleading. If the panel grants the motion to amend, the amended pleading does not need to be re-served on the other parties, the Director, or the panel, unless the panel determines otherwise.

(c) Amendments to Add Parties

Once the ranked arbitrator lists are due to the Director under Rule 13404(c), no party may amend a pleading to add a new party to the arbitration until a panel has been appointed and the panel grants a motion to add the party. Motions to add a party after panel appointment must be served on all parties, including the party to be added, and the party to be added may respond to the motion in accordance with Rule 13503 without waiving any rights or objections under the Code.

13310. Answering Amended Claims

(a) If a claim is amended before it has been answered, the respondent's original time to answer is extended by 20 days.

(b) If a claim is amended after it has been answered, but before a panel has been appointed, the respondent has 20 days from the time the amended claim is served to serve an amended answer.

(c) If a claim is amended after a panel has been appointed, the respondent has 20 days from the time the respondent receives notice that the panel has granted the motion to amend the claim to serve an amended answer.

(d) The amended answer must be directly served on each other party. At the same time, the amended answer must also be filed with the Director, with additional copies for each arbitrator.

(e) If the amended claim adds a new party to the arbitration, the new party's answer is governed by Rule 13306.

13311. Amendments to Amount in Dispute

If an amended pleading increases the amount in dispute, all filing fees, surcharges and process fees required by the Code will be recalculated based on the new amount in dispute.

13312. Multiple Claimants

(a) One or more parties may join multiple claims together if the claims contain common questions of law or fact and:

- The claims assert any right to relief jointly and severally; or
- The claims arise out of the same transaction or occurrence, or series of transactions or occurrences.

(b) After all responsive pleadings have been served, claims joined together under paragraph (a) of this rule may be separated into two or more arbitrations by the Director before a panel is appointed, or by the panel after the panel is appointed.

13313. Multiple Respondents

(a) One or more parties may name one or more respondents in the same arbitration if the claims contain any questions of law or fact common to all respondents and:

- The claims are asserted against the respondents jointly and severally; or
- The claims arise out of the same transaction or occurrence, or series of transactions or occurrences.

(b) After all responsive pleadings have been served, claims joined together under paragraph (a) of this rule may be separated into two or more arbitrations by the Director before a panel is appointed, or by the panel after the panel is appointed.

13314. Combining Claims

Before ranked arbitrator lists are due to the Director under Rule 13404(c), the Director may combine separate but related claims into one arbitration. Once a panel has been appointed, the panel may reconsider the Director's decision upon motion of a party.

PART IV APPOINTMENT, DISQUALIFICATION, AND AUTHORITY OF ARBITRATORS

13400. Neutral List Selection System and Arbitrator Rosters

(a) Neutral List Selection System

The Neutral List Selection System is a computer system that generates, on a random basis, lists of arbitrators from NASD's rosters of arbitrators for the selected hearing location for each proceeding. The parties will select their panel through a process of striking and ranking the arbitrators on lists generated by the Neutral List Selection System.

(b) Arbitrators Rosters

NASD maintains the following roster of arbitrators:

- A roster of non-public arbitrators as defined in Rule 13100(n);
- A roster of public arbitrators as defined in Rule 13100(r); and
- A roster of arbitrators who are eligible to serve as chairperson of a panel as described in paragraph (c).

(c) Eligibility for Chairperson Roster

Arbitrators are eligible to serve as chairperson of panels submitted for arbitration under the Code if they have completed chairperson training provided by NASD or have substantially equivalent training or experience and:

- Have a law degree and are a member of a bar of at least one jurisdiction and have served as an arbitrator through award on at least two arbitrations administered by a self-regulatory organization in which hearings were held; or
- Have served as an arbitrator through award on at least three arbitrations administered by a self-regulatory organization in which hearings were held.

13401. Number of Arbitrators

(a) Claims of \$25,000 or Less

If the amount of a claim is \$25,000 or less, exclusive of interest and expenses, the panel will consist of one arbitrator and the claim is subject to the simplified arbitration procedures under Rule 13800.

(b) Claims of More Than \$25,000 Up To \$50,000

If the amount of a claim is more than \$25,000 but not more than \$50,000, exclusive of interest and expenses, the panel will consist of one arbitrator unless any party requests a panel of three arbitrators.

(c) Claims of More Than \$50,000; Unspecified or Non-Monetary Claims

If the amount of a claim is more than \$50,000, exclusive of interest and expenses, or is unspecified, or if the claim does not request money damages, the panel will consist of three arbitrators, unless the parties agree in writing to one arbitrator.

13402. Composition of Arbitration Panels in Cases Not Involving a Statutory Discrimination Claim

For disputes involving statutory employment discrimination claims, see Rule 13802.

(a) Disputes Between Members, or Employment Disputes Between or Among Member Firms and Associated Persons Relating Exclusively To Employment Contracts, Promissory Notes, or Receipt of Commissions

- If the panel consists of one arbitrator, the arbitrator will be a non-public arbitrator selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.
- If the panel consists of three arbitrators, all will be non-public arbitrators. One of the arbitrators will be selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.

(b) Other Disputes Between or Among Members and Associated Persons

- If the panel consists of one arbitrator, the arbitrator will be a public arbitrator selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.
- If the panel consists of three arbitrators, one will be a non-public arbitrator and two will be public arbitrators. One of the public arbitrators will be selected from the chairperson roster described in Rule 13400(c), unless the parties agree in writing otherwise.

13403. Generating and Sending Lists to the Parties

For disputes involving statutory employment discrimination claims, see Rule 13802.

(a) Disputes Between or Among Members, or Employment Disputes Between or Among Member Firms and Associated Persons Relating Exclusively To Employment Contracts, Promissory Notes, or Receipt of Commissions

(1) If the panel consists of one arbitrator, the Neutral List Selection System will generate a list of seven non-public arbitrators from the NASD's chairperson roster.

(2) If the panel consists of three non-public arbitrators, the Neutral List Selection System will generate:

- A list of 14 arbitrators from the NASD's non-public roster; and
- A list of seven non-public arbitrators from the NASD's chairperson roster.

(b) Other Disputes Between or Among Members and Associated Persons

(1) If the panel consists of one arbitrator, the Neutral List Selection System will generate a list of seven public arbitrators from NASD's chairperson roster.

(2) If the panel consists of three arbitrators, the Neutral List Selection System will generate:

- A list of seven arbitrators from the NASD's non-public arbitrator roster;
- A list of seven arbitrators from the NASD's public arbitrator roster; and
- A list of seven public arbitrators from the NASD's chairperson roster.

(c) Sending Lists to Parties

(1) The Director will send the lists generated by the Neutral List Selection System to all parties at the same time, within approximately 30 days after the last answer is due. The parties will also receive employment history for the past ten years and other background information for each arbitrator listed.

(2) If a party requests additional information about an arbitrator, the Director will request the additional information from the arbitrator, and will send any response to all of the parties at the same time. When a party requests additional information, the Director may, but is not required to, toll the time for parties to return the ranked lists under Rule 13404(c).

13404. Striking and Ranking Arbitrators

(a) Each separately represented party may strike up to five of the arbitrators from each list for any reason by crossing through the names of the arbitrators. Two names must remain on each list.

(b) Each separately represented party shall rank all remaining arbitrators on the lists in order of preference, with a "1" indicating the party's first choice, a "2" indicating the party's second choice, and so on. Each list of arbitrators must be ranked separately.

(c) The ranked lists must be returned to the Director no more than 20 days after the date upon which the Director sent the lists to the parties. If the Director does not receive a party's ranked lists within that time, the Director will proceed as though the party did not want to strike any arbitrator or have any preferences among the listed arbitrators.

13405. Combining Lists

For each arbitrator classification (public, non-public, and chairperson), the Director will prepare combined ranked lists of arbitrators based on the parties' numerical rankings, as follows:

- The Director will add the rankings of all claimants together, and the rankings of all respondents together, to produce separate combined ranked lists for the claimants and the respondents.
- The Director will then add the combined rankings of claimants and the respondents together, to produce a single combined ranking number for each arbitrator, excluding all arbitrators stricken by a party.
- The Director will create separate combined ranked lists for each arbitrator classification in cases with both public and non-public arbitrators.

13406. Appointment of Arbitrators; Discretion to Appoint Arbitrators Not on List

For disputes involving statutory employment discrimination claims, see Rule 13802.

(a) Disputes Between Members, or Employment Disputes Between or Among Member Firms and Associated Persons Relating Exclusively To Employment Contracts, Promissory Notes, or Receipt of Commissions

(1) If the panel consists of one arbitrator, the Director will appoint the highest-ranked available arbitrator from the combined non-public chairperson list.

(2) If the panel consists of three arbitrators, the Director will appoint a three-arbitrator panel consisting of:

- The two highest-ranked available arbitrators from the combined non-public arbitrator list; and
- The highest-ranked available arbitrator from the combined non-public chairperson list, who will serve as chairperson of the panel.

(b) Other Disputes Between or Among Members and Associated Persons

(1) If the panel consists of one arbitrator, the Director will appoint the highest-ranked available arbitrator from the combined public chairperson list.

(2) If the panel consists of three arbitrators, the Director will appoint a three-arbitrator panel consisting of:

- The highest-ranked available arbitrator from the combined non-public arbitrator list;

- The highest-ranked available arbitrator from the combined public arbitrator list; and
- The highest-ranked available arbitrator from the combined public chairperson list, who will serve as chairperson of the panel.

(c) If the number of arbitrators available to serve from the combined list(s) is not sufficient to fill an initial panel, the Director will appoint one or more arbitrators of the required classification to complete the panel from names generated randomly by the Neutral List Selection System. If the Director must appoint a non-public arbitrator, the Director may not appoint a non-public arbitrator as defined in Rule 13100(n)(2) or (3), unless the parties agree otherwise. The Director will provide the parties information about the arbitrators as provided in Rule 13403 and the parties will have the right to challenge the arbitrators as provided in Rule 13410.

(d) Appointment of arbitrators occurs when the Director sends notice to the parties of the names of the arbitrators on the panel. Before making any decision as an arbitrator or attending a hearing session, the arbitrators must execute NASD's arbitrator oath or affirmation.

13407. Additional Parties

(a) If a party is added to an arbitration after the Director sends the lists generated by the Neutral List Selection System to the parties, but before parties must return the ranked lists to the Director, the Director will send the lists to the newly added party, with employment history for the past ten years and other background information for each arbitrator listed. The newly added party may rank and strike the arbitrators in accordance with Rule 13404. If the newly added party returns the lists within 20 days after the date upon which the Director sent the lists to the party, the Director will include the new party's lists when combining rankings under Rule 13405. If the Director does not receive the list within that time, the Director will proceed as though the party did not want to strike any arbitrator, or have any preference among the listed arbitrators.

(b) Once the ranked lists are due to the Director under Rule 13404, no party may amend a pleading to add a new party to the arbitration until a panel is appointed and grants a motion to add the party. Motions to add a party must be served on all parties, including the party to be added, and the party to be added may respond to the motion in accordance with Rule 13503 without waiving any rights or objections under the Code. If the panel grants the motion to add the party, the newly added party may not strike and rank the arbitrators, but may challenge an arbitrator for cause in accordance with Rule 13410.

13408. Disclosures Required of Arbitrators

(a) Before appointing arbitrators to a panel, the Director will notify the arbitrators of the nature of the dispute and the identity of the parties. Each potential arbitrator must make a reasonable effort to learn of, and must disclose to the Director, any circumstances which might preclude the arbitrator from rendering an objective and impartial determination in the proceeding, including:

(1) Any direct or indirect financial or personal interest in the outcome of the arbitration;

(2) Any existing or past financial, business, professional, family, social, or other relationships or circumstances with any party, any party's representative, or anyone who the arbitrator is told may be a witness in the proceeding, that are likely to affect impartiality or might reasonably create an appearance of partiality or bias; and

(3) Any such relationship or circumstances involving members of the arbitrator's family or current employer, partners, or business associates.

(b) The obligation to disclose interests, relationships, or circumstances that might preclude an arbitrator from rendering an objective and impartial determination described in paragraph (a) is a continuing duty that requires an arbitrator who accepts appointment to an arbitration proceeding to disclose, at any stage of the proceeding, any such interests, relationships, or circumstances that arise, or are recalled or discovered.

(c) The Director will inform the parties to the arbitration of any information disclosed to the Director under this rule unless the arbitrator who disclosed the information declines appointment or voluntarily withdraws from the panel as soon as the arbitrator learns of any interest, relationship or circumstance that might preclude the arbitrator from rendering an objective and impartial determination in the proceeding, or the Director removes the arbitrator.

13409. Arbitrator Recusal

Any party may ask an arbitrator to recuse himself or herself from the panel for good cause. Requests for arbitrator recusal are decided by the arbitrator who is the subject of the request.

13410. Removal of Arbitrator by Director

(a) Before First Hearing Session Begins

Before the first hearing session begins, the Director may remove an arbitrator for conflict of interest or bias, either upon request of a party or on the Director's own initiative.

(1) The Director will grant a party's request to remove an arbitrator if it is reasonable to infer, based on information known at the time of the request, that the arbitrator is biased, lacks impartiality, or has a direct or indirect interest in the outcome of the arbitration. The interest or bias must be direct, definite, and capable of reasonable demonstration, rather than remote or speculative.

(2) The Director must first notify the parties before removing an arbitrator on the Director's own initiative. The Director may not remove the arbitrator if the parties agree in writing to retain the arbitrator within five days of receiving notice of the Director's intent to remove the arbitrator.

(b) After First Hearing Session Begins

After the first hearing session begins, the Director may remove an arbitrator based only on information required to be disclosed under Rule 13408 that was not previously known by the parties. The Director may exercise this authority upon request of a party or on the Director's own initiative. Only the Director or the President of NASD Dispute Resolution may exercise the Director's authority under this paragraph (b).

13411. Replacement of Arbitrators

(a) If an arbitrator is removed, or becomes otherwise unable or unwilling to serve, the Director will appoint a replacement arbitrator in accordance with this rule, unless the parties agree in writing to proceed with only the remaining arbitrators.

(b) The Director will appoint as a replacement arbitrator the arbitrator who is the most highly ranked available arbitrator of the required classification remaining on the combined list.

(c) If there are no available arbitrators of the required classification on the consolidated list, the Director will appoint an arbitrator of the required classification to complete the panel from names generated by the Neutral List Selection System. The Director will provide the parties information about the arbitrator as provided in Rule 13403, and the parties shall have the right to object to the arbitrator as provided in Rule 13410.

(d) If the Director must appoint a non-public arbitrator under paragraph (c), the Director may not appoint a non-public arbitrator as defined in Rule 13100(n)(2) or (3), unless the parties agree otherwise.

13412. Director's Discretionary Authority

The Director may exercise discretionary authority and make any decision that is consistent with the purposes of the Code to facilitate the appointment of arbitrators and the resolution of arbitrations.

13413. Jurisdiction of Panel and Authority to Interpret the Code

The panel has the authority to interpret and determine the applicability of all provisions under the Code. Such interpretations are final and binding upon the parties.

13414. Determinations of Arbitration Panel

All rulings and determinations of the panel must be made by a majority of the arbitrators, unless the parties agree, or the Code or applicable law provides, otherwise.

PART V PREHEARING PROCEDURES AND DISCOVERY

13500. Initial Prehearing Conference

(a) After the panel is appointed, the Director will schedule an Initial Prehearing Conference before the panel, except as provided in paragraph (c) of this rule.

(b) The Initial Prehearing Conference will generally be held by telephone. Unless the parties agree otherwise, the Director must notify each party of the time and place of the Initial Prehearing Conference at least 20 days before it takes place.

(c) At the Initial Prehearing Conference, the panel will set discovery, briefing, and motions deadlines, schedule subsequent hearing sessions, and address other preliminary matters. The parties may agree to forgo the Initial Prehearing Conference only if they jointly provide the Director with the following information, in writing, with additional copies for each arbitrator, before the Initial Prehearing Conference is scheduled to be held:

- A statement that the parties accept the panel;
- Whether any other prehearing conferences will be held, and if so, for each prehearing conference, a minimum of four mutually agreeable dates and times, and whether the chairperson or the full panel will preside;
- A minimum of four sets of mutually agreeable hearing dates;
- A discovery schedule;
- A list of all anticipated motions, with filing and response due dates; and
- A determination regarding whether briefs will be submitted, and, if so, the due date for the briefs and any reply briefs.

13501. Other Prehearing Conferences

(a) At a party's request, or at the discretion of the panel, the panel may schedule one or more additional prehearing conferences regarding any outstanding preliminary matters, including:

- Discovery disputes;
- Motions;
- Witness lists and subpoenas;
- Stipulations of fact;
- Unresolved scheduling issues;
- Contested issues on which the parties will submit briefs; and

- Any other matter that will simplify or expedite the arbitration.

(b) The panel will determine the time and place of any additional prehearing conferences. Prehearing conferences will generally be held by telephone. Unless the full panel is required under Rule 13503, prehearing conferences may be held before a single arbitrator, generally the chairperson.

13502. Recording Prehearing Conferences

(a) Except as provided in Rule 13504, prehearing conferences will not be tape-recorded unless the panel determines otherwise, either on its own initiative or upon motion of a party.

(b) If a prehearing conference is tape-recorded, the Director will provide a copy of the tape to any party upon request for a nominal fee.

13503. Motions

(a) Motions

(1) A party may make motions in writing, or orally during any hearing session. Before making a motion, a party must make an effort to resolve the matter that is the subject of the motion with the other parties. Every motion, whether written or oral, must include a description of the efforts made by the moving party to resolve the matter before making the motion.

(2) Written motions are not required to be in any particular form, and may take the form of a letter, legal motion, or any other form that the panel decides is acceptable. Written motions must be served directly on each other party, at the same time and in the same manner. Written motions must also be filed with the Director, with additional copies for each arbitrator, at the same time and in the same manner in which they are served on the parties.

(3) Except as provided by Rule 13504, written motions must be served at least 20 days before a scheduled hearing, unless the panel decides otherwise.

(4) Motions to amend a pleading after panel appointment pursuant to Rule 13309(b) must be accompanied by copies of the proposed amended pleading when the motion is served on the other parties and filed with the Director. If the panel grants the motion, the amended pleading does not have to be served again, unless the panel determines otherwise. If a party moves to amend a pleading to add a party, the motion must be served on all parties, including the party to be added, and the party to be added may respond to the motion in accordance with paragraph 13309(b) without waiving any rights or objections under the Code.

(b) Responding to Motions

Except as provided by Rule 13504, parties have 10 days from the receipt of a written motion to respond to the motion, unless the moving party agrees to an extension of time, or the Director or the panel decides otherwise. Responses to written motions must be served directly on each other party, at the same time and in the same manner. Responses to written motions must also be filed with the Director, with additional copies for each arbitrator, at the same time and in the same manner in which they are served on the parties.

(c) Authority to Decide Motions

(1) The Director decides motions relating to use of the forum under Rule 13203 and removal of an arbitrator under Rule 13410.

(2) Motions relating to combining or separating claims or arbitrations, or changing the hearing location, are decided by the Director before a panel is appointed, and by the panel after the panel is appointed.

(3) Discovery-related motions are decided by one arbitrator, generally the chairperson. The arbitrator may refer such motions to the full panel either at his or her own initiative, or at the request of a party. The arbitrator must refer motions relating to privilege to the full panel at the request of a party.

(4) Motions for arbitrator recusal under Rule 13409 are decided by the arbitrator who is the subject of the request.

(5) The full panel decides all other motions, including motions relating to the eligibility of a claim under Rule 13206, or to decide a claim or arbitration before a hearing under Rule 13504, unless the Code provides or the parties agree otherwise.

13504. Motions to Decide Claims Before a Hearing on the Merits

(a) Except as provided in Rule 13206, motions to decide a claim before a hearing are discouraged and may only be granted in extraordinary circumstances.

(b) Motions under this rule must be made in writing. Unless the parties agree or the panel determines otherwise, motions under this rule must be served at least 60 days before a scheduled hearing, and parties have 45 days to respond to the motion.

(c) Motions under this rule will be decided by the full panel. The panel may not grant a motion under this rule unless a prehearing conference on the motion is held, or waived by the parties. Prehearing conferences to consider motions under this rule will be tape-recorded.

(d) The panel may issue sanctions under Rule 13211 if it determines that a party filed a motion under this rule in bad faith.

13505. Cooperation of Parties in Discovery

The parties must cooperate to the fullest extent practicable in the voluntary exchange of documents and information to expedite the arbitration.

13506. Discovery Requests

Parties may request additional documents or information from any party by serving a written request directly on the party. Such requests may be served:

- On the claimant, or any respondent named in the initial statement of claim, 45 days or more after the Director serves the statement of claim; and
- On any party subsequently added to the arbitration, 45 days or more after the statement of claim is served on that party.

At the same time, the party must serve copies of the request on all other parties. Any request for documents or information should be specific and relate to the matter in controversy.

13507. Responding to Discovery Requests

Unless the parties agree otherwise, within 60 days from the date a discovery request is received, the party receiving the request must either:

- Produce the requested documents or information to all other parties;
- Identify and explain the reason that specific requested documents or information cannot be produced within the required time, and state when the documents will be produced; or
- Object as provided in Rule 13508.

13508. Objecting to Discovery; Waiver of Objection

(a) If a party objects to producing any document or information requested under Rule 13506, it must specifically identify which document or requested information it is objecting to and why. Objections must be in writing, and must be served on all other parties at the same time and in the same manner. Objections should not be filed with the Director. Parties must produce all applicable listed documents, or other requested documents or information not specified in the objection.

(b) Any objection not made within the required time is waived unless the panel determines that the party had substantial justification for failing to make the objection within the required time.

13509. Motions to Compel Discovery

(a) A party may make a motion asking the panel to order another party to produce documents or information if the other party has:

- Failed to comply with Rules 13506 or 13507; or
- Objected to the production of documents or information under Rule 13508.

(b) Motions to compel discovery must be made, and will be decided, in accordance with Rule 13503. Such motions must include the disputed document request, a copy of any objection thereto, and a description of the efforts of the moving party to resolve the issue before making the motion.

13510. Depositions

Depositions are strongly discouraged in arbitration. Upon motion of a party, the panel may permit depositions, but only under very limited circumstances, including:

- To preserve the testimony of ill or dying witnesses;
- To accommodate essential witnesses who are unable or unwilling to travel long distances for a hearing and may not otherwise be required to participate in the hearing;
- To expedite large or complex cases;
- In cases involving claims of statutory employment discrimination, if necessary and consistent with the expedited nature of arbitration; and
- If the panel determines that extraordinary circumstances exist.

13511. Discovery Sanctions

(a) Failure to cooperate in the exchange of documents and information as required under the Code may result in sanctions. The panel may issue sanctions against any party in accordance with Rule 13211(a) for:

- Failing to comply with the discovery provisions of the Code, unless the panel determines that there is substantial justification for the failure to comply; or
- Frivolously objecting to the production of requested documents or information.

(b) The panel may dismiss a claim, defense or proceeding with prejudice in accordance with Rule 13211(c) for intentional and material failure to comply with a discovery order of the panel if prior warnings or sanctions have proven ineffective.

13512. Subpoenas

(a) To the extent possible, parties should produce documents and make witnesses available to each other without the use of subpoenas. Subpoenas for documents or the appearance of witnesses may be issued as provided by law.

(b) If a subpoena is issued, the issuing party must send copies of the subpoena to all other parties at the same time and in the same manner in which the subpoena was issued.

13513. Authority of Panel to Direct Appearances of Associated Persons and Production of Documents Without Subpoenas

(a) Upon motion of a party, the panel may order the following without the use of subpoenas:

- The appearance of any employee or associated person of a member of NASD; or
- The production of any documents in the possession or control of such persons or members.

(b) Unless the panel directs otherwise, the party requesting the appearance of witnesses by, or the production of documents from, non-parties under this rule shall pay the reasonable costs of the appearance and/or production.

13514. Exchange of Documents and Witness Lists Before Hearing

(a) Documents and Other Materials

At least 20 days before the first scheduled hearing date, all parties must provide all other parties with copies of all documents and other materials in their possession or control that they intend to use at the hearing that have not already been produced. The parties should not file the documents with the Director or the arbitrators before the hearing.

(b) Witness Lists

At least 20 days before the first scheduled hearing date, all parties must provide each other party with the names and business affiliations of all witnesses they intend to present at the hearing. At the same time, each party must file their witness lists with the Director, with enough copies for each arbitrator.

(c) Exclusion of Documents or Witnesses

Parties may not present any documents or other materials not produced and or any witnesses not identified in accordance with this rule at the hearing, unless the panel determines that good cause exists for the failure to produce the document or identify the witness. Good cause includes the need to use documents or call witnesses for rebuttal or impeachment purposes based on developments during the hearing.

PART VI HEARINGS; EVIDENCE; CLOSING THE RECORD

13600. Required Hearings

(a) Hearings will be held, unless:

- The arbitration is administered under Rule 13800 or Rule 13801;
- The parties agree otherwise in writing; or
- The arbitration has been settled, withdrawn or dismissed.

(b) The panel will decide the time and date of the hearing at the initial prehearing conference or otherwise in another manner.

(c) The Director will notify the parties of the time and place at least 10 days before the hearing begins, unless the parties agree to a shorter time.

13601. Postponement of Hearings

(a) When a Hearing May be Postponed

A hearing may be postponed only:

- By agreement of the parties;
- By the Director, in extraordinary circumstances;
- By the panel, in its own discretion; or
- By the panel, upon motion of a party. The panel may not grant a motion to postpone a hearing made within 10 days of the date that the hearing is scheduled to begin, unless the panel determines that good cause exists.

(b) Postponement Fees

(1) Except as otherwise provided, a postponement fee will be charged for each postponement agreed to by the parties, or granted upon request of one or more parties. The fee will equal the applicable hearing session fee under Rule 13902. The panel may allocate the fee among the party or parties that agreed to or requested the postponement. The panel may also assess part or all of any postponement fees against a party that did not request the postponement, if the panel determines that the non-requesting party caused or contributed to the need for the postponement. The panel may waive the fees.

(2) No postponement fee will be charged if a hearing is postponed:

- Because the parties agree to submit the matter to mediation at NASD;
- By the panel in its own discretion; or
- By the Director in extraordinary circumstances.

(c) Dismissal of Arbitration Due to Multiple Postponements

If all parties jointly request, or agree to, more than two postponements, the panel may dismiss the arbitration without prejudice.

13602. Attendance at Hearings

The parties and their representatives are entitled to attend all hearings. The panel will decide who else may attend any or all of the hearings.

13603. Failure to Appear

If a party fails to appear at a hearing after having been notified of the time, date and place of the hearing, the panel may determine that the hearing will go forward, and may render an award as though all parties had been present.

13604. Evidence

(a) The panel will decide what evidence to admit. The panel is not required to follow state or federal rules of evidence.

(b) Production of documents in discovery does not create a presumption that the documents are admissible at the hearing. A party may state objections to the introduction of any document as evidence at the hearing to the same extent that any other objection may be raised in arbitration.

13605. Witness Oath

All witnesses must testify under oath or affirmation.

13606. Record of Proceedings

(a) Tape Recording

(1) Except as provided in paragraph (b), the Director will make a tape recording of every hearing. The Director will provide a copy of the tape to any party upon request for a nominal fee.

(2) The panel may order the parties to provide a transcription of the tape recording. If the panel orders a transcription, copies of the transcription must be provided to each arbitrator and each party. The panel will determine which party or parties must pay the cost of making the transcription and copies.

(3) The tape recording is the official record of the proceeding, even if it is transcribed.

(b) Stenographic Record

(1) Any party may make a stenographic record of the hearing. Even if a stenographic record is made, the tape recording will be the official record of the proceeding, unless the panel determines otherwise. If the panel determines in advance that the stenographic record will be the official record, the Director will not make a tape recording.

(2) If the stenographic record is the official record of the proceeding, a copy must be provided to the Director, each arbitrator, and each other party. The cost of making and copying the stenographic record will be borne by the party electing to make the stenographic record, unless the panel decides that one or more other parties should bear all or part of the costs.

13607. Order of Presentation of Evidence and Arguments

Generally, the claimant shall present its case, followed by the respondent's defense. The panel has the discretion to vary the order in which the hearing is conducted, provided that each party is given a fair opportunity to present its case.

13608. Closing the Record

(a) The panel will decide when the record is closed. Once the record is closed, no further submissions will be accepted from any party.

(b) In cases in which no hearing is held, the record is presumed to be closed when the Director sends the pleadings to the panel, unless the panel requests, or agrees to accept, additional submissions from any party. If so, the record is presumed to be closed when the last such submission is due.

(c) In cases in which a hearing is held, the panel will generally close the record at the end of the last hearing session, unless the panel requests, or agrees to accept, additional submissions from any party. If so, the panel will inform the parties when the submissions are due and when the record will close.

13609. Reopening the Record

The panel may reopen the record on its own initiative or upon motion of any party at any time before the award is rendered, unless prohibited by applicable law.

PART VII TERMINATION OF AN ARBITRATION BEFORE AWARD

13700. Dismissal of Proceedings Prior to Award

(a) The panel must dismiss an arbitration or a claim at the joint request of the parties to that arbitration or claim. The dismissal will be with or without prejudice, depending on the request of the parties.

(b) The panel may dismiss a claim or an arbitration:

- Upon motion of a party under Rule 13206 or Rule 13504; or
- On its own initiative under Rule 13211(c) or Rule 13601(c).

13701. Settlement

(a) Parties to an arbitration may agree to settle their dispute at any time. Parties who settle must notify the Director. The Director will continue to administer the arbitration, and fees may continue to accrue, until the Director receives written notice of the settlement. The parties do not need to disclose the terms of the settlement agreement to the Director or to NASD Dispute Resolution, but members and associated persons may have reporting obligations under the rules of NASD.

(b) Settling parties will remain responsible for fees incurred under the Code. If parties to a settlement fail to agree on the allocation of any outstanding fees, those fees will be divided equally among the settling parties, except member surcharges and prehearing and hearing process fees required by the Code, which will remain the responsibility of the member party or parties.

13702. Withdrawal of Claims

(a) Before a claim has been answered by a party, the claimant may withdraw the claim against that party with or without prejudice.

(b) After a claim has been answered by a party, the claimant may only withdraw it against that party with prejudice unless the panel decides, or the claimant and that party agree, otherwise.

**PART VII SIMPLIFIED ARBITRATION; DEFAULT PROCEEDINGS; STATUTORY
EMPLOYMENT DISCRIMINATION CLAIMS; AND INJUNCTIVE RELIEF**

13800. Simplified Arbitration

(a) Applicability of Rule

This rule applies to arbitrations involving \$25,000 or less, exclusive of interest and expenses. Except as otherwise provided in this rule, all provisions of the Code apply to such arbitrations.

(b) Single Arbitrator

All arbitrations administered under this rule will be decided by a single arbitrator appointed from the NASD's chairperson roster in accordance with the Neutral List Selection System, unless the parties agree in writing otherwise.

(c) Hearings

(1) No hearing will be held in arbitrations administered under this rule unless the customer requests a hearing.

(2) If no hearing is held, no initial prehearing conference or other prehearing conference will be held, and the arbitrator will render an award based on the pleadings and other materials submitted by the parties. If a hearing is held, the regular provisions of the Code relating to prehearings and hearings, including fee provisions, will apply.

(d) Discovery and Additional Evidence

The parties may request documents and other information from each other. All requests for the production of documents and other information must be served on all other parties, and filed with the Director, within 30 days from the date that the last answer is due. Any response or objection to a discovery request must be served on all other parties and filed with the Director within 10 days of the receipt of the requests. The arbitrator will resolve any discovery disputes.

(e) Increases in Amount in Dispute

If any pleading increases the amount in dispute to more than \$25,000, the arbitration will no longer be administered under this rule, and the regular provisions of the Code will apply. If an arbitrator has been appointed, that arbitrator will remain on the panel. If a three-arbitrator panel is required or requested under Rule 13401, the remaining arbitrators will be appointed by the Director in accordance with Rule 13406(b). If no arbitrator has been appointed, the entire panel will be appointed in accordance with the Neutral List Selection System.

(f) Arbitrator Honoraria

NASD will pay the arbitrator an honorarium of \$125 for each arbitration administered under this rule.

13801. Default Proceedings

(a) Applicability of Rule

A claimant may request default proceedings against any respondent that falls within one of the following categories and fails to file an answer within the time provided by the Code.

- A member whose membership has been terminated, suspended, canceled, or revoked;
- A member that has been expelled from the NASD;
- A member that is otherwise defunct; or
- An associated person whose registration is terminated, revoked, or suspended.

(b) Initiating Default Proceedings

(1) To initiate default proceedings against one or more respondents that fail to file a timely answer, the claimant must notify the Director in writing and must send a copy of the notification to all other parties at the same time and in the same manner as the notification was sent to the Director. If there is more than one claimant, all claimants must agree in writing to proceed under this rule against a defaulting respondent before this rule may be used.

(2) If the Director receives written notice from the claimant and determines that the requirements for proceeding under this rule have been met, the Director will:

- Notify all parties that the claim against the defaulting respondent will proceed under this rule; and
- Appoint a single arbitrator in accordance with the Neutral List Selection System to consider the statement of claim and other documents presented by the claimant.

(c) Hearings

No hearing shall be held. The arbitrator may request additional information from the claimant before rendering an award.

(d) Amendments to Increase Relief Requested

Claimants may not amend a claim to increase the relief requested from the defaulting respondent after the Director has notified the parties that the claim will proceed under this rule.

(e) Awards

(1) The arbitrator may not issue an award based solely on the nonappearance of a party. Claimants must present a sufficient basis to support the making of an award. The arbitrator may not award damages in an amount greater than the damages requested in the statement of claim, and may not award any other relief that was not requested in the statement of claim.

(2) The default award shall have no effect on any non-defaulting party.

(f) Respondent's Answer

If a defaulting respondent files an answer after the Director has notified the parties that the claim against that respondent will proceed under this rule but before an award has been issued, the proceedings against that respondent under this rule will be terminated and the claim against that respondent will proceed under the regular provisions in the Code.

13802. Statutory Employment Discrimination Claims

(a) Applicability of Rule

This rule applies to arbitrations involving a claim of statutory employment discrimination as defined in Rule 13100(u). Except as otherwise provided in this rule, all provisions of the Code apply to such arbitrations.

(b) Number of Arbitrators

(1) Claims of \$100,000 or Less

If the amount of a claim in a case involving an employment discrimination claim is \$100,000 or less, the panel will consist of one arbitrator.

(2) Claims of More Than \$100,000

If the amount of a claim in a case involving an employment discrimination claim is more than \$100,000, the panel will consist of three arbitrators, unless the parties agree in writing to one arbitrator.

(c) Composition of Panel

(1) One Arbitrator

If the panel consists of one arbitrator, the arbitrator will be a public arbitrator who will meet the qualifications in paragraph (c)(3), unless the parties agree in writing otherwise.

(2) Three Arbitrators

If the panel consists of three arbitrators, the arbitrators will all be public arbitrators, one of whom will meet the qualifications in paragraph (c)(3), unless the parties agree in writing otherwise. The arbitrator who meets the criteria in paragraph (c)(3) will serve as chairperson of the panel.

(3) Special Statutory Discrimination Claim Qualifications

A single arbitrator or chairperson of a three-arbitrator panel in a case involving a statutory discrimination claim must have the following qualifications:

(A) law degree (Juris Doctor or equivalent);

(B) membership in the Bar of any jurisdiction;

(C) substantial familiarity with employment law; and

(D) ten or more years of legal experience, of which at least five years must be in either:

- law practice;
- law school teaching;
- government enforcement of equal employment opportunity statutes;
- experience as a judge, arbitrator, or mediator; or
- experience as an equal employment opportunity officer or in-house counsel of a corporation.

In addition, a chair or single arbitrator with the above experience may not have represented primarily the views of employers or of employees within the last five years. For purposes of this rule, the term "primarily" shall be interpreted to mean 50% or more of the arbitrator's business or professional activities within the last five years.

(4) Waiver of Special Qualifications

If all parties agree, after a dispute arises, they may waive any of the qualifications set forth in paragraph (A) or (B) above.

(d) Awards

The panel may award any relief that would be available in court under the law. The panel must issue an award setting forth a summary of the issues, including the type(s) of dispute(s), the damages or other relief requested and awarded, a statement of any other issues resolved, and a statement regarding the disposition of any statutory claim(s).

(e) Attorneys' Fees

The panel may provide for reasonable attorneys' fee reimbursement, in whole or in part, as part of the remedy in accordance with applicable law.

13803. Coordination of Statutory Employment Discrimination Claims Filed in Court and in Arbitration

(a) Option to Combine Related Claims in Court

(1) (A) If a current or former associated person files a statutory discrimination claim in court against a member or its associated persons, and asserts related claims in arbitration at NASD against some or all of the same parties, a respondent who is named in both proceedings may, upon motion, compel the claimant to bring the related arbitration claims in the same court proceeding in which the statutory discrimination claim is pending, to the full extent to which the court will accept jurisdiction over the related claims.

(B) The respondent must notify the claimant in writing, before the respondent's time to answer has expired, that it is exercising this option and must file a copy of such notification with the Director. If the respondent files an answer without having exercised this option, it shall have waived its right to compel the claimant to assert related claims in court, except as provided in paragraph (b).

(2) (A) If a member or current or former associated person ("party") has a pending claim in arbitration against a current or former associated person and the current or former associated person thereafter asserts a related statutory discrimination claim in court against the party, the party shall have the option to assert its pending arbitration claims and any counterclaims in court.

(B) The party must notify the current or former associated person in writing, before filing an answer to the complaint in court, that it is exercising this option and must file a copy of such notification with the Director. If the party files an answer in court without having exercised this option, it shall have waived its right to assert the pending arbitration claim in court.

(C) The party may not exercise this option after the first hearing has begun on the arbitration claim.

(b) Option Extended When Claim is Amended

(1) If the claimant files an amended statement of claim adding new claims not asserted in the original statement of claim, a respondent named in the amended statement of claim may, upon motion, compel the claimant to assert all related claims in the same court proceeding in which the statutory discrimination claim is pending, to the full extent that the court will accept jurisdiction over the related claims, even if those related claims were asserted in the original statement of claim.

(2) The respondent must notify the claimant in writing, before the time to answer the amended statement of claim has expired, that it is exercising this option and must file a copy of such notification with the Director. If the respondent files an answer to the

amended statement of claim without having exercised this option, it shall have waived its right to compel the claimant to assert related claims in court.

(c) Requirement to Combine All Related Claims

If a party elects to require a current or former associated person to assert all related claims in court, the party must assert in the same court proceeding all related claims that it has against the associated person to the full extent to which the court will accept jurisdiction over the related claims.

(d) Right of Respondent to Remain in Arbitration

(1) If there are multiple respondents and a respondent has exercised an option under paragraph (a) or (b), but another respondent wishes to have the claims against it remain in arbitration, then any remaining party may apply for a stay of the arbitration proceeding.

(2) If a panel has not been appointed, the Director will appoint a single arbitrator to consider the application for a stay. The single arbitrator shall be selected using the Neutral List Selection System and is not required to have the special employment arbitrator qualifications described in Rule 13801(c).

(3) The panel must stay the arbitration unless the panel determines that the stay would result in substantial prejudice to one or more of the parties.

(e) Pre-Filing Certification

(1) Before or at the same time that the statement of claim is filed, a claimant may file with the Director a certification that it communicated unsuccessfully with the respondent concerning the consolidation of all claims in court prior to filing a statement of claim, in an effort to save the expense of arbitration fees. A copy of such certification must be sent to the respondent at the same time and in the same manner as the filing with the Director.

(2) If, after a certification has been filed, all the respondents later exercise the option to consolidate all claims in court, the Director will return the claimant's filing fee, but will retain the member surcharge and any accrued member process fees. If there are any remaining respondents, the filing fee will be adjusted to correspond to the claims against the remaining respondents.

(f) Motion to Compel Arbitration

If a member or a current or former associated person files in court a claim against a member or a current or former associated person that includes matters that are subject to mandatory arbitration, either by the rules of NASD or by private agreement, the defending party may, upon motion, compel arbitration of the claims that are subject to mandatory arbitration.

13804. Temporary Injunctive Orders; Requests for Permanent Injunctive Relief

(a) Temporary Injunctive Orders

(1) In industry or clearing disputes required to be submitted to arbitration under the Code, parties may seek a temporary injunctive order from a court of competent jurisdiction. Parties to a pending arbitration may seek a temporary injunctive order from a court of competent jurisdiction even if another party has already filed a claim arising from the same dispute in arbitration pursuant to this paragraph, provided that an arbitration hearing on a request for permanent injunctive relief pursuant to paragraph (b) of this rule has not yet begun.

(2) A party seeking a temporary injunctive order from a court with respect to an industry or clearing dispute required to be submitted to arbitration under the Code must, at the same time, file with the Director a statement of claim requesting permanent injunctive and all other relief with respect to the same dispute in the manner specified under the Code. The party seeking temporary injunctive relief must also serve the statement of claim requesting permanent injunctive and all other relief on all other parties in the same manner and at the same time as the statement of claim is filed with the Director.

(3) Filings and service under this rule must be made by facsimile, overnight delivery service or messenger. Service must be made on all parties at the same time and in the same manner, unless the parties agree otherwise. A party obtaining a court-issued temporary injunctive order must notify the Director and the other parties of the issuance of the order within one business day.

(b) Hearing on Request for Permanent Injunctive Relief

(1) Scheduling of Hearing

If a court issues a temporary injunctive order, an arbitration hearing on the request for permanent injunctive relief will begin within 15 days of the date the court issues the temporary injunctive order. If the 15th day falls on a Saturday, Sunday, or NASD holiday, the 15-day period shall expire on the next business day. Unless the parties agree otherwise, a hearing lasting more than one day will be held on consecutive days when reasonably possible. The Director will provide to all parties notice of the date, time and place of the hearing at least three days prior to the beginning of the hearing.

(2) Composition of Arbitration Panel

The hearing on the request for permanent injunctive relief will be heard by a panel of three arbitrators. The composition of the panel will be determined in accordance with Rule 13402.

(3) Selection of Arbitrators and Chairperson

(A)

(i) In cases in which all of the members of the panel are non-public, the Director will generate and provide to the parties a list of seven arbitrators from NASD's roster of non-public arbitrators. The Director will send to the parties the employment history for the past 10 years for each listed arbitrator and other background information. At least three of the arbitrators listed shall be lawyers with experience litigating cases involving injunctive relief.

(ii) Each party may exercise one strike to the arbitrators on the list. Within three days of receiving the list, each party shall inform the Director which arbitrator, if any, it wishes to strike, and shall rank the remaining arbitrators in order of preference. The Director shall consolidate the parties' rankings, and shall appoint arbitrators based on the order of rankings on the consolidated list, subject to the arbitrators' availability and disqualification.

(B)

(i) In cases in which the panel consists of a majority of public arbitrators, the Director will generate and provide to the parties a list of nine arbitrators from NASD's roster of arbitrators. The Director shall send to the parties employment history for the past 10 years for each listed arbitrator and other background information. At least a majority of the arbitrators listed shall be public arbitrators, and at least four of the arbitrators listed shall be lawyers with experience litigating cases involving injunctive relief.

(ii) Each party may exercise two strikes to the arbitrators on the list. Within three days of receiving the list, each party shall inform the Director which arbitrators, if any, it wishes to strike, and shall rank the remaining arbitrators in order of preference. The Director will combine the parties' rankings, and will appoint arbitrators based on the order of rankings on the combined list, subject to the arbitrators' availability and disqualification.

(C)

(i) Each party must inform the Director of its preference of chairperson of the panel by the close of business on the next business day after receiving notice of the panel members.

(ii) If the parties do not agree on a chairperson within that time, the Director shall select the chairperson. In cases in which the panel consists of a majority of public arbitrators, the Director will select a public arbitrator as chairperson. Whenever possible, the Director will select as chairperson the lawyer with experience litigating cases involving injunctive relief whom the parties have ranked the highest.

(D) The Director may exercise discretionary authority and make any decision that is consistent with the purposes of this rule and the Code to facilitate the appointment of panels and the selection of chairperson.

(4) Applicable Legal Standard

The legal standard for granting or denying a request for permanent injunctive relief is that of the state where the events upon which the request is based occurred, or as specified in an enforceable choice of law agreement between the parties.

(5) Effect of Pending Temporary Injunctive Order

Upon a full and fair presentation of the evidence from all relevant parties on the request for permanent injunctive relief, the panel may prohibit the parties from seeking an extension of any court-issued temporary injunctive order remaining in effect, or, if appropriate, order the parties jointly to move to modify or dissolve any such order. In the event that a panel's order conflicts with a pending court order, the panel's order will become effective upon expiration of the pending court order.

(6) Fees, Costs and Expenses, and Arbitrator Honorarium

(A) The parties shall jointly bear reasonable travel-related costs and expenses incurred by arbitrators who are required to travel to a hearing location other than their primary hearing location(s) in order to participate in the hearing on the request for permanent injunctive relief. The panel may reallocate such costs and expenses among the parties in the award.

(B) Each party seeking a temporary injunctive order in court pursuant to this rule must pay a non-refundable surcharge of \$2,500 at the time the party files its statement of claim and request for permanent injunctive relief. In the award, the panel may decide that one or more parties must reimburse a party for part or all of the surcharge. The surcharge is in addition to all other non-refundable filing fees or costs that are required under the Code.

(C) Notwithstanding any other provision in the Code, the chairperson of the panel hearing a request for permanent injunctive relief pursuant to this rule shall receive an honorarium of \$375 for each single session, and \$700 for each double session, of the hearing. Each other member of the panel shall receive an honorarium of \$300 for each single session, and \$600 for each double session, of the hearing. The parties shall equally pay the difference between these amounts and the amounts panel members and the chairperson receive under the Code pursuant to Rule 13213. The panel may reallocate such amount among the parties in the award.

(c) Hearing on Damages or other Relief

(1) Upon completion of the hearing on the request for permanent relief, the panel may, if necessary, set a date for any subsequent hearing on damages or other relief, which shall be held before the same panel and which shall include, but not be limited to, the same record.

(2) The parties shall jointly bear reasonable travel-related costs and expenses incurred by arbitrators who are required to travel to a hearing location other than their primary hearing location(s) in order to participate in any subsequent hearings on

damages or other relief. The panel may reallocate such costs and expenses among the parties in the award.

PART IX FEES AND AWARDS**13900. Fees Due When a Claim is Filed****(a) Fees for Claims Filed by Associated Persons**

(1) Associated persons who file a claim, counterclaim, cross claim or third party claim must pay a filing fee in the amount indicated in the schedule below. The Director may defer payment of all or part of the filing fee on a showing of financial hardship. If payment of the fee is not deferred, failure to pay the required amount will result in a deficiency under Rule 13307.

- The parties will also be responsible for any fee or costs incurred under Rules 13502, 13513, 13601, or 13606 in connection with such hearings.
