The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

Exhibit 1 - Notice of Proposed Rule Change

[Add](#) [Remove](#) [View](#)

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

Exhibit 4 - Marked Copies

[Add](#) [Remove](#) [View](#)

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

Exhibit 5 - Proposed Rule Text

[Add](#) [Remove](#) [View](#)

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

Partial Amendment

[Add](#) [Remove](#) [View](#)

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

On September 17, 2004, NASD filed SR-NASD-2004-141 to amend Rule 2711 to prohibit (1) a research analyst from participating in a road show related to an investment banking services transaction and from engaging in any communication with a current or prospective customer in the presence of investment banking department personnel or company management about an investment banking services transaction and (2) investment banking department personnel from directing a research analyst to engage in sales and marketing efforts and other communications with a customer about an investment banking services transaction.

On February 4, 2005, NASD filed Amendment No. 1 to the proposed rule change, which added a provision that any permissible written or oral communication by a research analyst with a current or prospective customer or internal personnel related to an investment banking services transaction must be fair, balanced and not misleading, taking into consideration the overall context in which the communication is made.

NASD is filing this partial amendment to clarify that Amendment No. 1 is intended to replace in its entirety the original proposed rule change submitted on September 17, 2004. Accordingly, please insert the following sentence at the beginning of the "Purpose" section on page 5 of the Form 19b-4 filing and page 12 of Exhibit 1 to that filing:

Amendment No. 1 to the proposed rule change replaces the text of the original rule filing in its entirety.
