The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Exhibit 5 - Proposed Rule Text

[Add](#) [Remove](#) [View](#)

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

Partial Amendment

[Add](#) [Remove](#) [View](#)

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

On June 24, 2005, NASD filed SR-2005-084 to amend Rule 3012. The proposed change to Rule 3012 creates a new paragraph (a)(2)(A)(iii) requiring members relying on the “limited size and resources” exception to Rule 3012’s general supervisory requirement for conducting producing managers’ supervisory reviews to report electronically to NASD their reliance on the exception. However, Rule 3012 currently has a subparagraph (a)(2)(A)(iii) that the proposed rule change should have re-designated as subparagraph (a)(2)(A)(iv). NASD is filing this Partial Amendment No. 1 to request that the Commission make the following change in the “Text of Proposed Rule Change” section on page five of the 19b-4 form (and page 12 of Exhibit 1) re-designating current paragraph (a)(2)(A)(iii) of Rule 3012 as (a)(2)(A)(iv) (new language underlined; deleted language in brackets):

[(iii)](iv) A member relying on (ii) above must document in its supervisory control A member relying on (ii) above must document in its supervisory control procedures the factors used to determine that complete compliance with all of the provisions of (i) is not possible and that the required supervisory systems and procedures in place with respect to any producing manager comply with the provisions of (i) above to the extent practicable.
