Such partial amendment shall be clearly identified and marked to show deletions and additions.

1. Text of Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ the National Association of Securities Dealers, Inc. (“NASD”) is filing with the Securities and Exchange Commission (“SEC” or “Commission”) a proposed rule change to amend NASD Rule 4613A and adopt IM-4613A-1 to enable ECN members that post quotations through the Alternative Display Facility (“ADF”) (i.e., Registered Reporting ADF ECNs), to request and receive multiple market participant identifiers (“MPIDs”) with which to enter multiple quotes/orders in the ADF and report trades through the ADF trade reporting facility, the Trade Reporting and Comparison Service (“TRACS”), pursuant to the NASD Rule 4000A Series. Below is the text of the proposed rule change. Proposed new language is underlined.

IM-4613A-1 Procedures For Allocation of Multiple MPIDs

NASD considers the issuance of, the display of, and the trade reporting with Additional MPIDs to be a privilege and not a right. NASD has developed the following method for allocating the privilege of receiving, displaying, and trade reporting with Additional MPIDs in an orderly, predictable, and fair manner. While NASD does not intend to place a numerical limit on the number of Additional MPIDs it may grant to Registered Reporting ADF ECNs, given the agent business model of ECNs, NASD does not anticipate the granting of many additional MPIDs to Registered Reporting ADF ECNs.

As described in Rule 4613A, NASD will automatically designate a Registered Reporting ADF ECN's first MPID as a "Primary MPID." Additional MPIDs will be designated as such. Registered Reporting ADF ECNs are required to use their Primary MPID in accordance with the requirements of NASD Rule 4613A as well as all existing requirements for the use of MPIDs in NASD systems and under NASD rules. Each of an ECN's MPID will be subject to the requirements of NASD Rule 4623A.

If it is determined that one or more Additional MPIDs are being used improperly, NASD staff retains full discretion to limit or withdraw its grant of the Additional MPID(s) for all purposes for all securities. In addition, if a Registered Reporting ADF ECN no longer fulfills the conditions appurtenant to its Primary MPID (e.g., by being placed into an unexcused withdrawal), it may not use an Additional MPID for any purpose in that security.

The first priority of NASD's method for allocating the privilege of displaying and trade reporting with Additional MPIDs is that each Registered Reporting ADF ECN should be permitted to display quotations and report trades under a Primary MPID before any is permitted to display additional quotations under and report trades with Additional MPIDs. If all requests for Primary MPIDs have been satisfied, NASD will then register Additional MPIDs on a first-come-first-served basis, consistent with the procedures listed below.

A Registered Reporting ADF ECN shall contact NASD in writing setting forth the bona fide business and/or regulatory reasons for requesting an Additional MPID. NASD will consider the business and/or regulatory reasons demonstrated by the Registered Reporting ADF ECN and promptly respond to the Registered Reporting ADF ECN. If an Additional MPID is granted, it will be subject to the same requirements applicable to a Primary MPID. NASD staff retains full discretion to limit or withdraw the Additional MPID privileges of a Registered Reporting ADF ECN.

A Registered Reporting ADF ECN that posts a quotation through either a Primary MPID or Additional MPID and reports a trade to TRACS as a result of such a posted quotation must utilize the corresponding Primary MPID or Additional MPID for

reporting purposes through which the quotation was originally posted (i.e., Registered Reporting ADF ECNs must use the same MPID for TRACS trade reporting as was used for ADF quotation posting).

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by the Markets, Services and Information Committee of the Board of Governors of NASD at its meeting on July 19, 2006, which authorized the filing of the rule change with the SEC. The Board of Governors of NASD had an opportunity to review the proposed rule change at its meeting on July 20, 2006. No other action by NASD is necessary for the filing of the proposed rule change. Section 1(a)(ii) and (iii) of Article VII of the NASD By-Laws permits the Board of Governors of NASD to adopt amendments to NASD Rules and interpretive material without recourse to the membership for approval.

NASD has filed the proposed rule change for immediate effectiveness. The implementation date will be the date of filing, August 8, 2006.

3. **Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

(a) Purpose

An NASD member that registers as a market maker or ECN is currently permitted to enter one two-sided quotation per security in the ADF and is assigned a unique MPID with which to enter such quotations. The NASD 4600A Rule Series governs the character of such quotations and the rights and obligations of members that display quotations in the ADF via their MPIDs.

NASD proposes to amend NASD Rule 4613A and adopt IM-4613A-1 to permit NASD Registered Reporting ADF ECNs to request the use of additional MPIDs for a pilot period ending January 26, 2007.² At this time only ECNs have been certified for posting quotations through the ADF and at no time has a registered market maker been certified for the ADF. Accordingly, NASD believes it appropriate to limit the scope of this proposed rule to Registered Reporting ADF ECNs.³ An ECN would be entitled to request additional MPIDs for displaying quotes/orders and reporting trades through the ADF trade reporting facility, TRACS, pursuant to the NASD Rule 4000A Series.

Registered Reporting ADF ECNs that are permitted the use of additional MPIDs for displaying quotes/orders would be subject to the same rules applicable to the

² This date coincides with the expiration of the current ADF pilot period. See Exchange Act Release No. 53699 (April 21, 2006). Accordingly, the provisions set forth in Rule 4613A and IM-4613A-1 will be extended with any extension of an ADF pilot period.

³ In support of the requirement under the Act that NASD rules not result in unfair discrimination between members (see 15 U.S.C. 78o-(b)(6)), NASD commits to expand additional MPID privilege functionality to Registered Reporting ADF Market Makers at such time that at least one broker-dealer NASD member

members' first quotation. In other words, ECNs that display one or more additional quotes/orders would be required to comply with all rules applicable to ECNs in their display of quotes/orders.

NASD believes that the ability to enter quotes and orders and to display quotations under an additional MPID would potentially carry with it similar benefits that have resulted from the supplemental MPID Program of the Nasdaq Stock Market LLC ("Nasdaq").⁴ Specifically, the introduction of additional MPIDs on the ADF may enable Registered Reporting ADF ECNs to contribute more liquidity to the market, add to the transparency of trading interest, and better serve the needs of investors and the needs of Registered Reporting ADF ECNs themselves.⁵ As noted above, Registered Reporting ADF ECNs that use an additional MPID would be required to comply with all NASD and Commission rules applicable to their current use of a single MPID. Registered Reporting ADF ECNs would be prohibited from using an additional MPID to accomplish indirectly what they are prohibited from doing directly through their Primary MPID. To the extent that the allocation of additional MPIDs were to create regulatory confusion or ambiguity or would diminish the quality or rigor of the regulation of the over-the-counter ("OTC") market, every inference would be drawn against the use of additional MPIDs. Moreover, pursuant to the proposed rule and interpretive material, NASD staff retains full discretion

See Exchange Act Release No. 47954 (May 30, 2003), 68 FR 34017 (June 6, 2003). See also Exchange Act Release No. 53192 (Jan. 30, 2006), 71 FR 6302 (Feb. 4, 2006).

⁵ NASD will assess no fees for the issuance or use of an additional MPID, other than the SEC-approved fees set forth in NASD Rule 7010.

to determine whether a bona fide regulatory and/or business need exists for being granted the additional MPID privilege and to limit or withdraw the additional MPID display privilege at any time.

As noted in Item 2 of this filing, NASD has filed the proposed rule change for immediate effectiveness. The implementation date will be the date of filing, August 8, 2006.

(b) Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that NASD rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change is consistent with these requirements because it will provide a process by which ECNs can request, and NASD can properly allocate, the use of additional MPIDs for displaying quotes and orders through the ADF.

4. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

6. Extension of Time Period for Commission Action

NASD does not consent at this time to an extension of the time period for

Commission action specified in Section 19(b)(2) of the Act.⁷

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Act and paragraph (f)(6) of Rule 19b-4 thereunder,⁸ in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing. NASD requests that the Commission waive the requirement that the rule change, by its terms, not become operative for 30 days after the date of the filing as set forth in Rule 19b-4(f)(6)(iii),⁹ such that NASD is able to meet the requests of ADF Market Participants and implement the proposed rule change as soon as possible. In accordance with Rule 19b-4,¹⁰ NASD submitted written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing. NASD proposes to make the proposed rule change operative on the date of filing, August 8, 2006.

Self-Regulatory Organizations: National Association of Securities Dealers, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Additional Market Participant Identifier Functionality on the Alternative Display Facility

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on , the National Association of Securities Dealers, Inc. (“NASD”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASD. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

NASD is proposing to amend NASD Rule 4613A and adopt IM-4613A-1 to enable ECN members that post quotations through the Alternative Display Facility (“ADF”) (i.e., Registered Reporting ADF ECNs), to request and receive multiple market

IM-4613A-1 Procedures For Allocation of Multiple MPIDs

NASD considers the issuance of, the display of, and the trade reporting with Additional MPIDs to be a privilege and not a right. NASD has developed the following method for allocating the privilege of receiving, displaying, and trade reporting with

Additional MPIDs in an orderly, predictable, and fair manner. While NASD does not intend to place a numerical limit on the number of Additional MPIDs it may grant to Registered Reporting ADF ECNs, given the agent business model of ECNs, NASD does not anticipate the granting of many additional MPIDs to Registered Reporting ADF ECNs.

As described in Rule 4613A, NASD will automatically designate a Registered Reporting ADF ECN's first MPID as a "Primary MPID." Additional MPIDs will be designated as such. Registered Reporting ADF ECNs are required to use their Primary MPID in accordance with the requirements of NASD Rule 4613A as well as all existing requirements for the use of MPIDs in NASD systems and under NASD rules. Each of an ECN's MPID will be subject to the requirements of NASD Rule 4623A.

If it is determined that one or more Additional MPIDs are being used improperly, NASD staff retains full discretion to limit or withdraw its grant of the Additional MPID(s) for all purposes for all securities. In addition, if a Registered Reporting ADF ECN no longer fulfills the conditions appurtenant to its Primary MPID (e.g., by being placed into an unexcused withdrawal), it may not use an Additional MPID for any purpose in that security.

The first priority of NASD's method for allocating the privilege of displaying and trade reporting with Additional MPIDs is that each Registered Reporting ADF ECN should be permitted to display quotations and report trades under a Primary MPID before any is permitted to display additional quotations under and report trades with Additional MPIDs. If all requests for Primary MPIDs have been satisfied, NASD will then register

Additional MPIDs on a first-come-first-served basis, consistent with the procedures listed below.

A Registered Reporting ADF ECN shall contact NASD in writing setting forth the bona fide business and/or regulatory reasons for requesting an Additional MPID. NASD will consider the business and/or regulatory reasons demonstrated by the Registered Reporting ADF ECN and promptly respond to the Registered Reporting ADF ECN. If an Additional MPID is granted, it will be subject to the same requirements applicable to a Primary MPID. NASD staff retains full discretion to limit or withdraw the Additional MPID privileges of a Registered Reporting ADF ECN.

A Registered Reporting ADF ECN that posts a quotation through either a Primary MPID or Additional MPID and reports a trade to TRACS as a result of such a posted quotation must utilize the corresponding Primary MPID or Additional MPID for reporting purposes through which the quotation was originally posted (i.e., Registered Reporting ADF ECNs must use the same MPID for TRACS trade reporting as was used for ADF quotation posting).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

An NASD member that registers as a market maker or ECN is currently permitted to enter one two-sided quotation per security in the ADF and is assigned a unique MPID with which to enter such quotations. The NASD 4600A Rule Series governs the character of such quotations and the rights and obligations of members that display quotations in the ADF via their MPIDs.

NASD proposes to amend NASD Rule 4613A and adopt IM-4613A-1 to permit NASD Registered Reporting ADF ECNs to request the use of additional MPIDs for a pilot period ending January 26, 2007.⁴ At this time only ECNs have been certified for posting quotations through the ADF and at no time has a registered market maker been certified for the ADF. Accordingly, NASD believes it appropriate to limit the scope of this proposed rule to Registered Reporting ADF ECNs.⁵ An ECN would be entitled to request additional MPIDs for displaying quotes/orders and reporting trades through the ADF trade reporting facility, TRACS, pursuant to the NASD Rule 4000A Series.

⁴ This date coincides with the expiration of the current ADF pilot period. See Exchange Act Release No. 53699 (April 21, 2006). Accordingly, the provisions set forth in Rule 4613A and IM-4613A-1 will be extended with any extension of an ADF pilot period.

⁵ In support of the requirement under the Act that NASD rules not result in unfair discrimination between members (see 15 U.S.C. 78o-(b)(6)), NASD commits to expand additional MPID privilege functionality to Registered Reporting ADF Market Makers at such time that at least one broker-dealer NASD member becomes certified for posting quotations through the ADF and demonstrates a bona fide business and/or regulatory need for additional MPID functionality.

Registered Reporting ADF ECNs that are permitted the use of additional MPIDs for displaying quotes/orders would be subject to the same rules applicable to the members' first quotation. In other words, ECNs that display one or more additional quotes/orders would be required to comply with all rules applicable to ECNs in their display of quotes/orders.

NASD believes that the ability to enter quotes and orders and to display quotations under an additional MPID would potentially carry with it similar benefits that have resulted from the supplemental MPID Program of the Nasdaq Stock Market LLC ("Nasdaq").⁶ Specifically, the introduction of additional MPIDs on the ADF may enable Registered Reporting ADF ECNs to contribute more liquidity to the market, add to the transparency of trading interest, and better serve the needs of investors and the needs of Registered Reporting ADF ECNs themselves.⁷ As noted above, Registered Reporting ADF ECNs that use an additional MPID would be required to comply with all NASD and Commission rules applicable to their current use of a single MPID. Registered Reporting ADF ECNs would be prohibited from using an additional MPID to accomplish indirectly what they are prohibited from doing directly through their Primary MPID. To the extent that the allocation of additional MPIDs were to create regulatory confusion or ambiguity or would diminish the quality or rigor of the regulation of the over-the-counter ("OTC")

⁶ See Exchange Act Release No. 47954 (May 30, 2003), 68 FR 34017 (June 6, 2003). See also Exchange Act Release No. 53192 (Jan. 30, 2006), 71 FR 6302 (Feb. 4, 2006).

⁷ NASD will assess no fees for the issuance or use of an additional MPID, other than the SEC-approved fees set forth in NASD Rule 7010.

market, every inference would be drawn against the use of additional MPIDs. Moreover, pursuant to the proposed rule and interpretive material, NASD staff retains full discretion to determine whether a bona fide regulatory and/or business need exists for being granted the additional MPID privilege and to limit or withdraw the additional MPID display privilege at any time.

NASD has filed the proposed rule change for immediate effectiveness. The implementation date will be the date of filing, August 8, 2006.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁸ which requires, among other things, that NASD rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change is consistent with these requirements because it will provide a process by which ECNs can request, and NASD can properly allocate, the use of additional MPIDs for displaying quotes and orders through the ADF.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁸ 15 U.S.C. 78o-3(b)(6).

C. **Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

Written comments were neither solicited nor received.

III. **Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not:

(i) significantly affect the protection of investors or the public interest;

(ii) impose any significant burden on competition; and

(iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. **Solicitation of Comments**

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
