1. <u>Text of Proposed Rule Change</u>

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ Financial Industry Regulatory Authority, Inc. ("FINRA") is filing with the Securities and Exchange Commission ("SEC" or "Commission") a proposed rule change to extend the pilot program in FINRA Rule 6730(e)(4) to January 27, 2012. The pilot program exempts from reporting to Trade Reporting and Compliance Engine ("TRACE") transactions in TRACE-Eligible Securities that are executed on a facility of the NYSE in accordance with NYSE Rules 1400, 1401 and 86 and reported to NYSE in accordance with NYSE rules 1400, 1401 and 86 and reported to NYSE in accordance with NYSE's applicable trade reporting rules and disseminated publicly by NYSE.

Below is the text of the proposed rule change. Proposed new language is underlined; proposed deletions are in brackets.

2. <u>Procedures of the Self-Regulatory Organization</u>

The proposed rule change has been approved by the General Counsel of FINRA

(or his officer designee) pursuant to delegated authority. No other action by FINRA is

necessary for the filing of the proposed rule change.

FINRA has filed the proposed rule change for immediate effectiveness. The

implementation date will be July 8, 2011.

3. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory</u> <u>Basis for, the Proposed Rule Change</u>

(a) Purpose

FINRA proposes to amend FINRA Rule 6730(e)(4) to extend the pilot program,

which is scheduled to expire on July 8, 2011, to January 27, 2012.² The pilot program

exempts from reporting to TRACE transactions in TRACE-Eligible Securities that are

See Securities Exchange Act Release No. 54768 (November 16, 2006), 71 FR 67673 (November 22, 2006) (Order Approving Proposed Rule Change; File No. SR-NASD-2006-110) (pilot program in FINRA Rule 6730(e)(4), subject to the execution of a data sharing agreement addressing relevant transactions, became effective on January 9, 2007); Securities Exchange Act Release No. 59216 (January 8, 2009), 74 FR 2147 (January 14, 2009) (Notice of Filing and

executed on a facility of NYSE in accordance with NYSE Rules 1400, 1401 and 86 and reported to NYSE in accordance with NYSE's applicable trade reporting rules and disseminated publicly by NYSE, provided that a data sharing agreement between FINRA and NYSE related to transactions covered by the Rule remains in effect.

FINRA is proposing to extend the pilot program until January 27, 2012 to continue to exempt transactions in TRACE-Eligible Securities on an NYSE facility (and as to which all the other conditions of the exemption are met) from the TRACE reporting requirements.³ FINRA believes that the extension will provide additional time to analyze the impact of the exemption. Without the extension, members would be subject to both FINRA's and NYSE's trade reporting requirements with respect to these securities.

The proposed rule change would not expand or otherwise change the pilot. FINRA notes that the success of the pilot program remains dependent on FINRA's ability to effectively continue to conduct surveillance on corporate debt trading in the over-thecounter market. In this regard, FINRA Rule 6730(e)(4) would continue to require that the exemption be predicated on the data agreement between FINRA and NYSE to share data related to the transactions covered by the Rule remaining in effect. However, FINRA supports a regulatory construct that, in the future, consolidates all last sale

³ The exemption in FINRA Rule 6730(e)(4) is conditioned, among other things, upon a data sharing agreement between FINRA and NYSE remaining in effect. A data sharing agreement between FINRA and NYSE related to transactions covered by Rule 6730(e)(4) remains in effect.

transaction information to provide better price transparency and a more efficient means to engage in market surveillance of TRACE-Eligible Securities transactions. The extension proposed herein will allow the pilot program to continue to operate without interruption while FINRA and the NYSE further assess the effect of the exemption and issues regarding the consolidation of market data, market surveillance and price transparency.

As noted in Item 2, FINRA has filed the proposed rule change for immediate effectiveness. The implementation date will be July 8, 2011.

(b) Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁴ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the extension of the exemptive provision protects investors and the public because transactions will be reported, transparency will be maintained for these transactions, and NYSE's agreement to share data with FINRA allows FINRA, at this time, to conduct surveillance in the corporate debt securities market.

4. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

6. Extension of Time Period for Commission Action

Not applicable.

7. <u>Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for</u> <u>Accelerated Effectiveness Pursuant to Section 19(b)(2)</u>

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Act⁵ and paragraph (f)(6) of Rule 19b-4 thereunder,⁶ in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing or such shorter time as the Commission may designate. In accordance with Rule 19b-4(f)(6),⁷ FINRA submitted written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as the Commission may designate, as specified in Rule 19b-4(f)(6)(iii) under the Act.⁸

- A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory</u> <u>Basis for, the Proposed Rule Change</u>
- 1. Purpose

FINRA proposes to amend FINRA Rule 6730(e)(4) to extend the pilot program,

which is scheduled to expire on July 8, 2011, to January 27, 2012.⁴ The pilot program

executed on a facility of NYSE in accordance with NYSE Rules 1400, 1401 and 86 and reported to NYSE in accordance with NYSE's applicable trade reporting rules and disseminated publicly by NYSE, provided that a data sharing agreement between FINRA and NYSE related to transactions covered by the Rule remains in effect.

FINRA is proposing to extend the pilot program until January 27, 2012 to continue to exempt transactions in TRACE-Eligible Securities on an NYSE facility (and as to which all the other conditions of the exemption are met) from the TRACE reporting requirements.⁵ FINRA believes that the extension will provide additional time to analyze the impact of the exemption. Without the extension, members would be subject to both FINRA's and NYSE's trade reporting requirements with respect to these securities.

The proposed rule change would not expand or otherwise change the pilot. FINRA notes that the success of the pilot program remains dependent on FINRA's ability to effectively continue to conduct surveillance on corporate debt trading in the over-thecounter market. In this regard, FINRA Rule 6730(e)(4) would continue to require that the exemption be predicated on the data agreement between FINRA and NYSE to share data related to the transactions covered by the Rule remaining in effect. However, FINRA supports a regulatory construct that, in the future, consolidates all last sale transaction information to provide better price transparency and a more efficient means to engage in market surveillance of TRACE-Eligible Securities transactions. The extension proposed herein will allow the pilot program to continue to operate without interruption

⁵ The exemption in FINRA Rule 6730(e)(4) is conditioned, among other things, upon a data sharing agreement between FINRA and NYSE remaining in effect. A data sharing agreement between FINRA and NYSE related to transactions covered by Rule 6730(e)(4) remains in effect.

while FINRA and the NYSE further assess the effect of the exemption and issues regarding the consolidation of market data, market surveillance and price transparency.

FINRA has filed the proposed rule change for immediate effectiveness. The implementation date will be July 8, 2011.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the extension of the exemptive provision protects investors and the public because transactions will be reported, transparency will be maintained for these transactions, and NYSE's agreement to share data with FINRA allows FINRA, at this time, to conduct surveillance in the corporate debt securities market.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
