2. <u>Procedures of the Self-Regulatory Organization</u>

The proposed rule change has been approved by senior management of FINRA pursuant to delegated authority. No other action by FINRA is necessary for the filing of the proposed rule change.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that FINRA can implement the proposed rule change immediately.

3. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory</u> <u>Basis for, the Proposed Rule Change</u>

(a) Purpose

FINRA proposes to amend FINRA Rule 11892.02 to extend the effective date of the amendments set forth in File No. SR-FINRA-2010-032 (the "pilot"), which are currently scheduled to expire on January 31, 2012,² until July 31, 2012.

The pilot was drafted in consultation with other self-regulatory organizations ("SROs") and Commission staff to provide for uniform treatment: (1) of clearly erroneous execution reviews in Multi-Stock Events involving twenty or more securities; and (2) in the event transactions occur that result in the issuance of an individual stock trading pause by the primary listing market and subsequent transactions that occur before

² See Securities Exchange Act Release No. 65075 (August 9, 2011), 76 FR 50528 (August 15, 2011) (Notice of Filing and Immediate Effectiveness of File No. SR-FINRA-2011-037).

the trading pause is in effect for transactions otherwise than on an exchange.³ FINRA also implemented additional changes to the Rule as part of the pilot that reduce the ability of FINRA to deviate from the objective standards set forth in the Rule.⁴

The extension proposed herein would allow the pilot to continue to operate without interruption while FINRA, the other SROs and the Commission further assess the effect of the pilot on the marketplace, including whether additional measures should be added, whether the parameters of the rule should be modified or whether other initiatives should be adopted in lieu of the current pilot.

As noted in Item 2, FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that FINRA can implement the proposed rule change immediately.

(b) Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁵ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change is consistent with the clearly

erroneous rules of other SROs and will promote the goal of transparency and uniformity across markets concerning reviews of potentially clearly erroneous executions in various contexts.

4. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

5. <u>Self-Regulatory Organization's Statement on Comments on the Proposed</u> <u>Rule Change Received from Members, Participants, or Others</u>

Written comments were neither solicited nor received.

6. <u>Extension of Time Period for Commission Action</u>

Not applicable.

7. <u>Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for</u> <u>Accelerated Effectiveness Pursuant to Section 19(b)(2)</u>

The proposed rule change is effective upon filing pursuant to Section 19(b)(3) of the Act⁶ and paragraph (f)(6) of Rule 19b-4 thereunder,⁷ in that the proposed rule change does not significantly affect the protection of investors or the public interest; does not impose any significant burden on competition; and does not become operative for 30 days after filing or such shorter time as the Commission may designate. In addition, FINRA provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five

business days prior to the date of filing, or such shorter time as the Commission may designate, as specified in Rule 19b-4(f)(6)(iii) under the Act.⁸

FINRA believes that this proposal is non-controversial and eligible to become effective immediately because it extends the operation of a pilot that promotes the goal of transparency and uniformity across markets concerning reviews of potentially clearly erroneous executions in various contexts. Additionally, extending the pilot to July 31, 2012 would enable FINRA, the other SROs and the Commission to further assess the effect of the pilot on the marketplace. FINRA requests that the Commission waive the requirement that the rule change, by its terms, not become operative for 30 days after the date of the filing as set forth in Rule 19b-4(f)(6)(iii)⁹ to allow the pilot to continue to operate without interruption for the benefit of the marketplace and the investing public. FINRA proposes to make the proposed rule change operative immediately upon filing.

The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory</u> <u>Basis for, the Proposed Rule Change</u>

1. Purpose

FINRA proposes to amend FINRA Rule 11892.02 to extend the effective date of the amendments set forth in File No. SR-FINRA-2010-032 (the "pilot"), which are currently scheduled to expire on January 31, 2012,⁴ until July 31, 2012.

the trading pause is in effect for transactions otherwise than on an exchange.⁵ FINRA also implemented additional changes to the Rule as part of the pilot that reduce the ability of FINRA to deviate from the objective standards set forth in the Rule.⁶

The extension proposed herein would allow the pilot to continue to operate without interruption while FINRA, the other SROs and the Commission further assess the effect of the pilot on the marketplace, including whether additional measures should be added, whether the parameters of the rule should be modified or whether other initiatives should be adopted in lieu of the current pilot.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, such that FINRA can implement the proposed rule change immediately.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁷ which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. erroneous rules of other SROs and will promote the goal of transparency and uniformity across markets concerning reviews of potentially clearly erroneous executions in various contexts.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed</u> <u>Rule Change Received from Members, Participants, or Others</u>

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
