Quigley Corporation - Common Stock (QGLY)

The above company declared a two-for-one stock split to be issued to shareholders of record on January 15, 1997. The original information received from the company indicated that payment was to be made upon presentation of certificates. This resulted in a new CUSIP number (74838L403) being issued and a new trading symbol (QGLY) to be assigned to the new stock.

Subsequently, the company amended their original declaration and stated that they would mail the stock split shares on January 22, 1997. In consideration of this revised information, an ex-date of January 23, 1997 was established.

Members are advised that the new CUSIP number has been rescinded and trades executed in Quigley Corporation should continue to be processed using the OLD CUSIP number of 74838L304 and the new symbol - QGLY.

Members should reconcile their internal records and systems to reflect this change.
