Arsenal Football Club PLC (Arsenal) - Carlton Communications PLC (Carlton)

The Panel on Takeovers and Mergers in London (the "Panel") wishes to draw to the attention of member firms of the National Association of Securities Dealers Inc., certain UK dealing disclosure requirements following the announcement on September 10, 1998 of an offer for Arsenal by Carlton. An offer period is deemed to commence at the time when an announcement is made of a proposed or possible offer, with or without terms. Carlton Communications have ADRs which are traded on The Nasdaq Stock Market.

The above disclosure requirements are set out in Rule 8 of the City Code on Takeovers and Mergers which is published and administered by the Panel. In particular, Rule 8.3 requires public disclosure of dealings during an offer period by persons who own or control, or who would as a result of any transaction own or control, 1% or more of any class of relevant securities of the offeror or offeree company.

The Panel requests that firms advise those of their clients who wish to deal in the securities of either Arsenal or Carlton that they may be affected by these requirements. If there is any doubt as to their application, the Panel should be consulted.

Further information is available from Craig Andrews or Lee Mann at the Panel (telephone number: London 71 382 9026/facsimile number: London 71 638 1554), or from George May at The Nasdaq Stock Market (telephone number: USA 301-590-6410/facsimile number: USA 301-590-6482).
