Cifra, SA de C.V. (CIFRA) Unsponsored ADRs (CFRAY)

On December 17, 1997, the shareholders of CIFRA approved a share capital structure in which all existing Series A and B shares were exchanged for new Series V shares with full voting rights. This share exchange became effective in Mexico on December 24, 1997.

CIFRA agreed to sponsor an ADR facility for the new V shares and appointed Morgan Guaranty Trust Company ("Morgan") as ADR depository bank. The sponsored Series V ADR program at Morgan became effective on December 22, 1997 with each ADR representing 10 Series V shares.

Currently, CIFRA ADRs also exist in an unsponsored environment with each ADR representing one underlying share. Certain bank depositories continue to allow transfers and cancellations of these unsponsored ADRs. The unsponsored ADRs are quoted on the OTC Bulletin Board (OTCBB) under the symbol CFRAY.

Members are advised that the unsponsored CIFRA ADRs will be removed from OTCBB prior to the opening of business on March 2, 1998.

Members are further advised that the delisting of the CIFRA unsponsored ADRs from OTCBB does not necessarily prohibit any future transactions in these securities and the symbol CFRAY will continue to be available in the ACT system to accept required trade reports pursuant to NASD rules.
