Consolidated Publishing Group Inc., - Common Stock (UPLN)

On September 12, 1997, the above company became eligible for quotation in the OTC Bulletin Board under the symbol CLPG. At the company's request, the symbol was changed to UPLN on September 19, 1997 and trade reporting commenced on September 22, 1997.

The company, incorporated in Nevada in 1996, printed stock certificates bearing the CUSIP number 209821107, a number which was assigned to Consolidating Publishing Inc., a California corporation. Upon discovery of the incorrect CUSIP, the company applied for and received a new number of 209820109.

Members are advised that trades executed in Consolidated Publishing Group Inc. (Nevada) should be settled under the CUSIP number 209820109 not 209821107.

Members are further advised to update their internal records and systems to reflect the correct CUSIP number for UPLN and notify contra parties of any corrections made.

Questions regarding this notice should be directed to: Market Data Integrity Dept., (203) 375-9609. Attn: O'Neil Blake, Manager.
