UNIFORM PRACTICE ADVISORY (UPC # 020-99) April 21, 1999

PLM Equipment Growth Fund III, Limited Partnership Units (GFZPZ)

PLM Equipment Growth Fund has announced that they ceased accepting the assignment of limited partnership interests (transfers) resulting from the sales of such interests as of the close of business April 19, 1999. This termination of transfers, for the remainder of 1999, is the result of this Partnership approaching the "5% safe harbor limitation" under IRS Notice 88-75 which stipulates that the Partnership will not be taxed as a publicly traded partnership provided that the number of units traded during any one calendar year does not exceed 5% of the total units outstanding.

Considering the foregoing, the Partnership will be deleted from OTC Bulletin Board effective after the close of business April 19, 1999.

Triumph Foods International Inc - (KRAB)

The previously announced 1-200 reverse stock split and name change of Triumph Foods International Inc to Redwood Interactive Group which was to have occurred on April 5, 1999 was never effected and has been rescinded by the company. No new stock certificates representing the post split shares were issued. Therefore, members are advised that any future trades and quotations in the security should revert to a pre-split basis effective April 21, 1999.

Trades executed on a post-split basis as a result of the original reverse split announcement shall be settled by the appropriate amount of pre-split shares.

Members are further advised to adjust their internal systems and records to reflect the change in dealing from post to pre-split.
