Foundations of CRD Registration Information and Form Instructions

Session Descriptions

Foundations of CRD Session Registration Fee (\$500*) - includes two days of training on classic CRD and the most up to date features in new CRD. The Foundations of CRD training is designed for Broker-Dealer firms or Joint Broker-Dealer/Investment Adviser firms and should be beneficial to those who are new to registration and licensing, new to CRD and want an overview of IARD, or those who want to receive refresher training and registration tips.

This class will cover both classic CRD and new CRD functionality, discussion on Registration and Disclosure hot topics, plus an overview of IARD. You will be directed to detailed and comprehensive CRD and Investment Adviser training materials

Background on New CRD: CRD Transformation is a multi-year project that will reimagine the CRD system into a modernized platform that features a simpler and more streamlined experience for all users, providing firms with a more flexible and efficient way to get their compliance work done. Initially, the new version of CRD will be available alongside the existing CRD system (which is referred to as classic CRD) and new features will be deployed incrementally.

The two days of training offers practical, hands-on, and comprehensive training modules. Breakfast and lunch are provided. Space is limited so register early.
