Branch Code Information – Please provide a list of all the branch codes utilized in the stock record that your firm is providing.

If the branch code is for a correspondent firm, please include that firm's CRD number in the CRD column, add the firm's name in the Correspondent Name column, and use N in the Internal Branch column.

Each field in the template should be populated as follows:

> **branch_code** – The identifier used in the stock record for a specific internal branch or correspondent firm.
>
> **branch_description** – The location of the internal branch or name of the correspondent firm.
>
> **crd** – The CRD number of the correspondent firm, if applicable. Do not provide the branch CRD number.
>
> **correspondent_name** – The name of the correspondent firm.
>
> **internal_branch_y-n** – Indicate "y" if the branch_code is for an internal branch and indicate "n" if the branch_code represents a correspondent firm.
