A formal notice of the meeting, including the precise date, time and location, will be mailed to executive representatives on or about Tuesday, May 2, 2017.

Eligible individuals who have not been nominated for election to the FINRA Board by the Nominating Committee may be included on the ballot for the election of governors by following the petition procedures set forth in the By-Laws and as further described in this Election Notice.

Note: FINRA distributed this Notice electronically to the executive representative of each FINRA firm and it is posted online at www.finra.org/Notices/Election/030917. Executive representatives should circulate this Notice to their firms' branch managers.

Of the 23 Board members, Public Governors, the Floor Member Governor, the Independent Dealer/Insurance Affiliate Governor and the Investment Company Affiliate Governor (Appointed Governors) are appointed by the FINRA Board from candidates recommended by the Nominating Committee.

The Nominating Committee also may nominate individuals to run for election for the seven elected governor seats that comprise the three Small Firm Governors, one Mid-Size Firm Governor and three Large Firm Governors (Elected Governors).

To be eligible to serve, Small Firm Governors must be registered with small firms, the Mid-Size Firm Governor must be registered with a mid-size firm and Large Firm Governors must be registered with large firms. In order for the Board to maintain compliance with the compositional requirements of the FINRA Board set forth in the FINRA By-Laws, the seven Elected Governors have a continuing obligation to satisfy the firm-size classification throughout the entire term for which the governor is elected. Pursuant to Article I of FINRA’s By-Laws, firm sizes are defined as follows:

- a mid-size firm employs between 151 and 499 registered persons; and
- a large firm employs at least 500 registered persons.

Mr. Duff’s biographical profile is attached.
Petition Process for Additional Candidates

Pursuant to Article VII, Section 10 of FINRA’s By-Laws, a person who has not been nominated by the Nominating Committee may be included on the ballot for the election of governors if:

a. within 45 days after the date of this Election Notice, such person presents to the Secretary of FINRA petitions in support of such nomination, duly executed by at least three percent of FINRA member firms entitled to vote for such nominee’s election; and

b. the Secretary certifies that such petitions have been duly executed by the executive representatives of the requisite number of FINRA member firms entitled to vote for such person’s election, and the person being nominated satisfies the classification of the governorship to be filled based on the information provided by the person as is reasonably necessary for the Secretary to make the certification.

The number of FINRA Large Firms as of close of business on Wednesday, March 8, 2017, was 180, and the requisite number of Large Firms required to meet the above-referenced threshold is 6.

Only Large Firm members may endorse nominees for the vacant Large Firm Governor seats. No firm may endorse more than one such nominee.

Persons submitting petitions must provide information sufficient for the Corporate Secretary to determine that the petitions are duly executed by the executive representatives of the requisite number of large firms. In addition, to assist in the process of verifying petitions, FINRA requests that all petitions submitted be dated by their signatory. Petitions must be submitted no later than Monday, April 24, 2017.

The names of persons obtaining the requisite number of valid petitions will be included on the proxy mailed to eligible large firms in advance of the special meeting.

Term of Office

The elected individual will serve a term concluding at FINRA’s 2019 annual meeting, or until his or her successor is duly elected or qualified, or until death, resignation, disqualification or removal.7

The By-Laws expressly provide that the term of office of a governor shall terminate immediately upon a determination by the Board, by a majority vote of the remaining governors that the governor no longer satisfies the classification for which the governor was elected. Individuals seeking nomination for election as a Large Firm Governor have an obligation to satisfy the firm-size classification on the date the petition is circulated, the date the petition is certified by FINRA’s corporate secretary and the date of the special meeting. Individuals who fail to meet this requirement will be disqualified from election.
Voting Eligibility

FINRA firms are eligible to vote for the nominees who are running for seats that are in the same size category as their own firm. Therefore, only large firms may vote for the candidates running in this election. A proxy will be mailed, along with notice of the special meeting, to the executive representative on record at each eligible FINRA large firm prior to the meeting.
