Ms. O’Connor’s biographical profile is attached.

Petition Process for Additional Candidates
Pursuant to Article VII, Section 10 of FINRA’s By-Laws, a person who has not been nominated by the Nominating Committee may be included on the ballot for the election of governors if:

(a) within 45 days after the date of this Election Notice, such person presents to the Secretary of FINRA, petitions in support of such nomination, duly executed by at least three percent of FINRA member firms entitled to vote for such nominee’s election; and

(b) the Secretary certifies that such petitions have been duly executed by the executive representatives of the requisite number of FINRA member firms entitled to vote for such person’s election, and the person being nominated satisfies the classification of the governorship to be filled based on the information provided by the person as is reasonably necessary for the Secretary to make the certification.
The number of FINRA Large Firms as of close of business on Thursday, April 19, 2018, was 175, and the requisite number of Large Firms required to meet the above-referenced threshold is 6.

Only Large Firm members may endorse nominees for the vacant Large Firm Governor seat. No firm may endorse more than one such nominee.

Petitioners must submit sufficient information to determine the person’s status with respect to the category for which he or she is petitioning to be nominated. Petitioners must also provide information sufficient for the Corporate Secretary to determine that the petitions are duly executed by the executive representatives of the requisite number of large firms. In addition, to assist in the process of verifying petitions, FINRA requests that all petitions submitted be dated by their signatory. Petitions must be submitted no later than Monday, June 4, 2018.

The names of persons obtaining the requisite number of valid petitions will be included on the proxy mailed to eligible large firms in advance of the special meeting.

**Term of Office**

The elected individual will complete a term scheduled to conclude at FINRA’s 2020 annual meeting, or until his or her successor is duly elected or qualified, or until death, resignation, disqualification or removal.7

The By-Laws expressly provide that the term of office of a governor shall terminate immediately upon a determination by the Board, by a majority vote of the remaining governors that the governor no longer satisfies the classification for which the governor was elected.

Individuals seeking nomination for election as a Large Firm Governor have an obligation to satisfy the firm-size classification on the date the petition is circulated, the date the petition is certified by FINRA’s Corporate Secretary and the date of the special meeting. Individuals who fail to meet this requirement will be disqualified from election.

**Voting Eligibility**

FINRA firms are eligible to vote for the nominees who are running for seats that are in the same size category as their own firm. Therefore, only large firms may vote for the candidates running in this election. A proxy will be mailed, along with notice of the special meeting, to the executive representative of record at each eligible FINRA large firm prior to the meeting.
