**Large Firm Governor Candidate:** Timothy C. Scheve, Janney Montgomery Scott LLC  
**Mid-Size Firm Governor Candidate:** Brian J. Kovack, Kovack Securities, Inc.  
**Small Firm Governor Candidate:** The Nominating Committee determined it would not nominate a candidate for election in 2018. Instead, any eligible candidates who obtain the requisite number of petitions will be included on the ballot.

Profiles for each nominee are attached.

**Petition Process for Additional Candidates**

Pursuant to Article VII, Section 10 of FINRA’s By-Laws, a person who has not been nominated for election to the FINRA Board by the Nominating Committee may be included on the ballot for the election of governors if:

(a) within 45 days after the date of this Election Notice, such person presents to FINRA’s Corporate Secretary petitions in support of such nomination, duly executed by at least 3 percent of FINRA member firms entitled to vote for such nominee’s election. If, however, a candidate’s name appears on a petition in support of more than one nominee, the petition must be endorsed by 10 percent of FINRA member firms entitled to vote for such nominees’ election; and
(b) the Corporate Secretary certifies that such petitions have been duly executed by the executive representatives of the requisite number of FINRA member firms entitled to vote for such person’s election, and the person being nominated satisfies the classification of the governorship to be filled based on the information provided by the person as is reasonably necessary for the Corporate Secretary to make the certification.

As of close of business on Thursday, May 24, 2018, the number of FINRA large firms was 174, mid-size firms was 195, and small firms was 3,362.

Firms may only endorse one petitioner for the same firm-size seat as their own. No firm may endorse more than one such nominee.

Petitioners must submit sufficient information to determine the person’s status with respect to the category for which he or she is petitioning to be nominated. Petitioners must also provide information sufficient for the Corporate Secretary to determine that the petitions are duly executed by the executive representatives of the requisite number of applicable-size firm members. In addition, to assist in the process of verifying petitions, FINRA requests that all petitions submitted be dated by their signatory. Petitions must be submitted no later than Monday, July 9, 2018.

Individuals seeking nomination for election as a Large Firm Governor, Mid-Size Firm Governor or a Small Firm Governor have an obligation to satisfy the firm-size classification on the date the petition is circulated, the date the petition is certified by FINRA’s Corporate Secretary and the date of the annual meeting. Individuals who fail to meet this requirement will be disqualified from election.

The names of persons obtaining the requisite number of valid petitions will be included on the appropriate proxy mailed to eligible firms in advance of the annual meeting.

**Term of Office**

Governors are appointed or elected for three-year terms to replace those whose terms expire. An elected individual will serve a three-year term concluding at FINRA’s 2021 annual meeting, or until his or her successor is duly elected or qualified, or until death, resignation, disqualification or removal. In addition, the By-Laws expressly provide that the term of office of a governor shall terminate immediately upon a determination by the Board, by a majority vote of the remaining governors that the governor no longer satisfies the classification for which the governor was elected.

**Voting Eligibility**

Firms are eligible to vote for the nominees who are running for seats that are in the same size category as their own firm. FINRA will verify each firm’s size and mail to each eligible firm a proxy containing the nominees for their voting class.
