

About Form U5

The Form U5 is the Uniform Termination Notice for Securities Industry Registration. Broker-dealers, investment advisers, and issuers of securities are required to use the Form U5 to terminate the registration of an individual in the appropriate self-regulatory organizations (SROs) and/or jurisdictions.

Protecting Personal Information

Provide personal information about individuals in response to specific questions that solicit that information. When responding to more general questions that accept narrative responses, use terms that do not disclose personal information (including account numbers). Please review [guidance](#) posted on the FINRA website about how to protect this information.

IMPORTANT NOTE:

All classic CRD features should now be accessed through [FINRA Gateway](#), the new FINRA reporting and compliance platform. This new system is designed to focus on compliance functions, such as research, reporting and responding to requests, rather than focusing on the specific system you would access to fulfill your requirements.

If you have any questions or feedback regarding the transition to FINRA Gateway, please contact FeedbackFINRAGateway@finra.org.

Logging in Through FINRA Gateway

Beginning in Summer 2020, the new [FINRA Gateway](https://gateway.finra.org) will become the primary method for accessing FINRA systems. To access FINRA Gateway:

1. Go to <https://gateway.finra.org>, and
2. Enter your existing CRD user ID and password.

Once you have successfully logged into FINRA Gateway, you can navigate to classic CRD using the **Quick Links** menu on the lower-left. Select **Classic CRD** from the list of links and then follow along with the rest of this guide.

The screenshot shows the FINRA Gateway interface. On the left is a dark blue sidebar with icons for Home, Profiles, Requests, Reports, and Support. The 'Quick Links' icon (a blue circle with a white link symbol) is highlighted with a red box. A red arrow points from this icon to the 'Quick Links' section shown in the next image. The main content area has a search bar at the top, followed by a 'Requests' section with a table of requests. The table has columns for Request Type, Details, Created, Due, and Category. The first row is a link 'Find out response time to complete'. Other rows include 'FOCUS - Part II Monthly', 'FOCUS - SIS Monthly', and 'FOCUS - Custody Quarterly'.

The 'Quick Links' menu is displayed. It features two columns of links. The first column includes 'FIRM GATEWAY', 'Advertising- Ad Reg', 'E-bill', 'eFocus', 'RegT Extension', 'Report Center', 'Shorts', and 'See More Forms...'. The second column includes 'BD Form', 'Exam Waiver Form', 'IA Amend form (ADV Amend)', 'NewCRD', 'Pre-Registration Search', 'NRF Form', and 'SIE'. The 'CLASSIC CRD' link in the second column is highlighted with a red box, and a red arrow points to it from the top right.

Form U5 Section: 3. Full Termination

For a full termination, complete the Reason for Termination and Termination Explanation. If the reason is Permitted to Resign, Discharged or Other, an additional explanation is required.

3. FULL TERMINATION

Is this a *FULL TERMINATION*? Yes No
 Note: A "Yes" response will terminate ALL registrations with all *SROs* and all *jurisdictions*.

Reason for Termination: ▼

Deceased

Next Save Reset Previous

Additional Tips:

1. If providing a Reason for Termination that requires additional explanation, please review Disclosure Questions 7B and 7F to determine if the matter is reportable.
2. Firms can file changes to the Reason for Termination and/or Termination Explanation using a U5 Amendment. When filing an amendment to the Reason for Termination and/or Termination Explanation, firms must complete an additional field explaining the reason for the change.

Form U5 Section: 4. Date of Termination

This section applies to Full U5 filings. Filers should enter the date the firm terminated the individual's association with the firm in a capacity that required registration (usually today's date or a previous date).

This date is used by jurisdictions/SROs to determine whether an individual is required to requalify by exam or if the individual is eligible for a waiver upon re-association with another firm.

4. Date of Termination

Date Terminated (MM/DD/YYYY): 08/04/2015

A complete date of termination is required for *full termination*. This date represents the date the *firm* terminated the individual's association with the *firm* in a capacity for which registration is required.

For *partial termination*, the date of termination is only applicable to post-dated termination requests during the renewal period.

Notes: For *full termination*, this date is used by *jurisdictions/SROs* to determine whether an individual is required to requalify by examination or obtain an appropriate waiver upon reassociating with another *firm*.

The *SRO/jurisdiction* determines the effective date of termination of registration.

Additional Tips:

1. A termination date greater than 30 days in the past will generate a late termination fee when the filing is submitted.
2. A post-dated termination date of 12/31 of the current year is only allowed during the annual renewal period.
3. Firms can file changes to the Date of Termination a U5 Amendment. When filing an amendment to the Date of Termination, firms must complete an additional field explaining the reason for the change. Please note that this change only impacts the date displayed in Filing History.

Form U5 Section: 5. Partial Termination

This section is only available when the Partial filing type is selected. There are two parts to this section:

- 5A. SRO Partial Termination
- 5B. Jurisdiction Partial Termination

Only active SRO/Jurisdiction registrations will be available for selection. Check the box for each registration you wish to terminate. By default, the termination date will be set to the date the Partial U5 filing is submitted.

About Internal Review Disclosure

Generally, the Internal Review Disclosure question in Question 7B and the Internal Review Reporting Page (DRP U5) are used to report matters relating to compliance, not matters of a competitive nature. Responses should not include situations involving employment related disputes between the firm and the individual.

If a "yes" answer is provided to the Internal Review Disclosure question, the individual whose name appears in Section 1 (GENERAL INFORMATION) of this form may provide a brief summary of the event on Part II of the Internal Review Disclosure Reporting Page (DRP U5).
