RE: Regulatory Notice 18-22
Discovery of Insurance information in Arbitration

Dear Ms. Mitchell,

This is in response to the invitation to comment on the proposal.

I oppose the proposal. The insurance coverage that a party has is, in my opinion, irrelevant to the process. Such information may already be discoverable in one way or for one reason or another. However, again my opinion, the arguments of the parties of interest should stand on their own merits.

I do regret not being able to make this point of view more complicated than it seems to be...but I do not have a law degree.

Very truly yours,
